Board of Selectmen

<i>YEAR</i>	<i>BUDGET</i>	<i>EXPENDED</i>
1964	\$8,158.00	\$7,625.15
1965	8,080.00	7,661.52
1966	8,370.00	8,227.56

Regular Activities

During the year 1966 the Board held 44 Regular Meetings, 8 Executive Meetings, 14 Special Meetings, 2 Joint Meetings with other Departments. The Board issued 172 Licenses, granted 52 permits, 18 Edison Hearings, Six Telephone Hearings, 7 grants without hearings to the Boston Edison Company, made 64 appointments for Democratic and 64 appointments for Republican Election Officers, 291 workers for the four elections were made, appointed 51 Special Police for School Custodians, 48 Special Police for protection of life and property and to assist the regular Police when needed. Two new Traffic Supervisors and two Reserve Traffic Supervisors for School Traffic Duty. Twenty-one regular appointments were made including a New Town Clerk and a new Town Counsel.

Police Department

During 1966 the following were appointed as Sergeants in the Department, Robert J. Drew, Richard A. Cashman and James A. Clover. The following were appointed regular Patrolmen Robert Seaholm, Robert Sweeney, Richard M. Donovan, Rogers Bent and Donald E. Bergonzoni. The following were appointed as Reserve Patrolman, George Pettee, Jr., Louis Westcott and Daniel O'Callahan. The following were appointed as Provisional for six months from May 18, 1966 to November 18, 1966. Alfred F. Morgan, Paul J. Whalen, Loring H. Jackson, Harold J. Bouret, James Linton, Robert L. Shea, and Ronald L. Zicko. The following was retired on a disability Edward W. Bradford. The following resignations were received Robert N. Willhauck and John Zaccagnini.

Town Meetings

Ninety One Articles were received by the Selectmen and were included in the Warrant for the Annual Town Meeting which was called for March 15, 1966 at 7:30 P.M. in the Senior High School. On September 27, 1966 at 7:30 P.M. a Special Town Meeting was held in the Senior High School. Fourteen Articles were acted upon.

Traffic Rules and Orders

During 1966 many requests and petitions were received to improve traffic conditions throughout the Town. Amendments have been sent to the Department of Public Works, Commonwealth of Massachusetts for which we are awaiting their approval.

Go Slow

"Slow Children" signs have been painted on all cross walks and School Crossings. White lines were painted on all walks throughout the Town where crossing is dangerous.

No Parking

"No Parking" signs were erected in front of the Duralecta Inc., at 61 North Avenue.

Stop and Enter

Stop and Enter Signs were erected on "Chestnut at Walnut" and "Bacon at Walnut" both sides. "Circular Avenue at Cottage" and "Madison Street at Cottage Street."

Parking Meter Fees

Fees collected for Parking Meters for 1966 were \$11,838.97.

Annual Town Report

The Board appointed the Town Report Committee for 1966 with Herbert A. Black, 2nd. as Chairman with Ruth Leavitt, Edmund Coolidge, Albert Ames and Joseph Connolly. It was voted to have 3500 copies printed. The Selectmen advertised for bids and two were received. One from the Buck Printing Company of Boston at \$34.40 per page and one from the Wellesley Press Inc., of Wellesley at \$25.75 per page. The Board accepted the Bid of the Wellesley Press, Inc., in the amount of \$25.75 per page complete.

Gasoline and Fuel Storage

After Public Hearings were held the Selectmen granted the following permits for Storage of Gasoline. Texaco Inc. (Norman W. Farley, Trustee), 24,000 Gallons, 429 Worcester Street. Gulf Oil Co. increase in storage of 14,000 Gallons. American Oil Co. 24,550 Gallons. Shell Oil Co., increase in storage of 4,000 gallons.

Notes and Bonds

During the year the Selectmen approved and signed notes for the borrowing of \$2,000,000.00 Tax Anticipation.

Street Lighting

The Annual Town Meeting of 1966 authorized the Selectmen to install additional Street Lights for the year. After an investigation of each request the following street lights were ordered installed.

- (8) 20,000 Lumen Mercury Lights
 - (60) 3,000 Lumen Lights
 - (2) Shades on Harwood Road
- Cages were ordered installed on all electric light poles from Hartford Street to West Central Street on Mill Street.

Other Activities

A Special Meeting of the Board was held on March 12, 1966 at 1:30 P.M. to organize for the ensuing year. Mr. Donald R. Sims, Chairman, George P. Sellew, Jr., Clerk and William H. White the third member of

the Board. At an emergency meeting the Board expressed regret at the demise of Town Clerk James H. Fleming and appointed Mr. Alfred L. Connell of 10 Euclid Avenue as Town Clerk. John Sowles was appointed to the Board of Registrars. Raymond Dowd was reappointed Town Counsel. The following yearly appointments were made: Director of Veterans' Services, Michael J. Torti; Moth Superintendent, William F. Young; Lock-Up Keeper, W. Joseph Shea; Veterans' Grave Officer, Michael J. Torti; Field Driver, Edward A. Zullo; Veterans' Burial Officer, Michael J. Torti; Dog Officer, Pompilio Zullo; and Fence Viewers, Board of Selectmen. The following were appointed to the Down Town Parking Committee: One member of the Police Department; Town Engineer, Robert S. Wharton; one member of the Finance Committee; and a Down Town Merchant to represent the Merchants. A committee was also appointed to study the taking over of the Center School for a Town Hall as follows: Leonard Hanna, Harold McCormack, Building Inspector, Frederick L. Sanford, and the Director of Public Works, Robert S. Wharton. The Board also met with Company Officials for prospective Industries in Natick. Miss Winifred Coleman was appointed Chairman of the Dog Leash Laws and her Committee have presented for Town Meeting a set of Laws, these will be acted upon at the Annual Town Meeting in March. The Anti-Poverty Committee was established with seventeen members, Miss Frances Mathews as the Secretary. In December Charles McManus was appointed Temporary Chairman of the Community College Committee. Mr. Joel Rome and Charles Emanuelli have been added to the Conservation Commission.

On April 18, 1966 Jerry DiGeronimo was appointed Town Counsel to fill the vacancy caused by the death of Raymond J. Dowd.

As of July 29, 1966 the Selectmen revised the Jury List for 1966-1967. During the year 38 Jurors were drawn for Jury Duty.

A joint meeting of the School Committee and the Selectmen was held to fill the vacancy on the School Committee caused by the death of Joseph T. Wignot. On November 7, 1966 John R. Powers was appointed as a member of the School Committee.

The Selectmen were very happy to have taken part in the pre-opening of the Natick Mall on April 26, 1966, also to join with the town in the acceptance of the Veterans' Monument at the Morse Institute for the Town. Among other pleasures were the inspection of the new Library facilities, the Carlings Country Fair, the July 4th celebration and the opening of the Christmas Season at Carlings with the spectacular illumination of lights and the many other State and Local affairs.

We wish to thank wholeheartedly the various departments for the splendid cooperation given us to make this a most successful year.

DONALD R. SIMS, *Chairman*

GEORGE P. SELLEW, JR., *Clerk*
WILLIAM H. WHITE

Town Clerk

I submit herewith my Annual Report for the Town Clerk's Office for the year ending December 31, 1966.

We recorded 761 births, 298 marriages and 315 deaths during the year. The total number of dogs registered was 1469.

From March through December 31, 1966 \$15,637.31 was received and this was turned over to the Town Treasurer.

In late July the Office of the Town Clerk moved to a first floor location at #10 East Central Street. This street level office has proven to be a real convenience for all the townspeople.

In the process of moving, many old records, some of historical value, were found. Subsequently an Archives Committee was established, consisting of many of the residents who showed a real interest in these old records. The object of this Committee is to preserve all these historical records. Arrangements have been made to have them microfilmed. The Library Trustees, at our request, have asked for this money in the next Annual Town Meeting.

Through this office the Automatic Voting Machines were used for the first time in Natick. I am greatly indebted to the members of the League of Women Voters who so willingly gave much of their time to demonstrate the Voting Machines.

It has been a pleasure to serve the people of Natick as their Town Clerk since last March and I have earnestly endeavored to carry out the mandate of all of the townspeople.

ALFRED L. CONNELL, *Town Clerk*

Town Clerk Alfred Connell and staff in their new ground-floor quarters at 10 East Central Street

Sealer of Weights & Measures

I hereby respectfully submit the following report for 1966.

During the year weighing and measuring devices have been tested and sealed or condemned as follows:

	<i>Adjusted</i>	<i>Sealed</i>	<i>Not Sealed</i>	<i>Condemned</i>
Scales: Over 10,000 lbs.	0	1	0	0
Over 5,000 lbs.	1	4	0	0
100 to 5,000 lbs.	17	84	0	0
10 to 100 lbs.	14	163	1	1
1 to 10 lbs.	0	22	0	0
Weights	3	528	0	2
Gasoline Pumps	20	156	2	1
Grease and Oil Meters	1	47	3	2
Bulk Plant (Oil) Meters	3	14	1	0
Fuel Oil Truck Meters	15	38	0	0
Capacity Measures (Fluid)	0	23	0	0
Cloth Measuring Devices	0	17	0	0
Wire Measuring Devices	0	2	0	0
Leather Measuring Device	0	1	0	0
Yard Sticks	0	41	1	0
Totals	74	1141	8	6

Reweighting of commodities put up for sale:

	<i>Total Tested</i>	<i>Correct</i>	<i>Under</i>	<i>Over</i>
Packaged Meats	876	680	140	56
Other Food Items	3633	3305	249	79
Totals	4509	3985	389	135

The following inspections were made:

Peddlers Licenses	16
Clinical Thermometers	201
Milk Jars	279
Junk Scales	4
Ice Cream Cartons	85
Other Cartons	62
Marking on Food Cartons	840
Total	1487

Sealing fees amounted to an aggregate of \$1202.00, which were turned in monthly to the Town Treasurer.

There were 15 investigations made by this department through the year, following up complaints from consumers in regard to alleged charges

of short weight or measure. Five of these complaints dealt with short measure on gasoline, three on oil truck delivery, three on contents of canned food, one on prepackaged meats, one on bottled propane gas, one dealing with short measure on a ladder, one short measure on knitting yarn and one dealing with the sale of oysters, when a new clerk used dry measure instead of liquid measure on the incorrect theory that a pint was a pound and through error gave short measure. All but one were quickly adjusted or satisfactorily explained. There was no evidence of fraud or intended fraud in any of the incidents.

With food prices soaring, particular attention will be paid to prepackaged items of meat and other food commodities.

Citizens are again urged to contact this department in the event of any discrepancies or errors or real or suspected fraud or cheating in transactions involving weights and measures.

In conclusion I wish to thank the Board of Selectmen, the merchants of the town, and all others who assisted me in the performance of my duties.

JOHN J. MULLANEY, JR.
Sealer of Weights and Measures

Board of Appeals: seated, Minna Satterfield, Paul Collanton, Philip Sellew; standing: William Reynolds and Daniel Murphy, Jr.

Conservation Commission

The Natick Conservation Commission was established under Articles 13 and 14 of the Special Town Meeting of June 13, 1961. This, the sixth year of our existence, has been a busy and fruitful year for the conservation. Under the statutory provisions allowing the Commission to receive gifts of land, the Commission secured a gift of over twenty-five acres of land in the Sunkaway, which is of value to the Town for the "protection of watershed resources," an area of concern to the Commission under the statute. Also, in 1966, an ambitious program of inquiry and negotiation for land acquisition was undertaken, and we look for the benefits of these efforts to mature in the next few years.

In 1966 the Jennings Pond Improvement Committee was formed under the auspices of the Commission for the betterment of the entire Jennings Pond area, and that committee has been working with us to that end. There was a general cleanup of the Pond headed by Mrs. George Phelan, contact with the State Public Works Department to divert rainfall runoff into Jennings Pond and work toward and installation of complete dam facilities in the Jennings Pond Dam should have been finished by the time of printing of this report.

We continued to work in cooperation with local organizations toward the beautification of Natick, and publicizing the goals of conservation. Also, other Town departments have opened their doors to us for open discussions of subjects of mutual interest and for cooperation and assistance with mutual problems. We are grateful for the attitude of mutual respect and working together by the Planning Board, Board of Appeals, Building Inspector, Department of Public Works, Board of Health and Town Counsel DiGeronimo.

During the year a good deal of time and thought were devoted to the responsibilities which have come to us under the Hatch Act, passed by the Massachusetts Legislature, a statute protecting inland waters and wetlands from unwise filling and dredging. A public symposium was held in the Wilson Junior High School auditorium on the meaning and effect of the Hatch Act (General Laws, Chapter 131, Section 117c). Members of this Commission made several field trips in the Town to areas of possible Hatch Act involvement and, in fact, were able to work out some problem instances in a manner of benefit to the Town.

During the past year we lost the services of Commissioners, Robert H. Cornell, Joseph W. Brown and John A. Morris, but gained in replacement Commissioners the technical knowledge and skills in their respective areas of Andrew D. Hastings, geographer and cartographer, of Joel Rome, attorney, and of Charles W. Emanuelli, naturalist and sportsman, all special areas in which the Commission was in need of expertise.

The statewide meetings of Conservation Commission, at which much knowledge and important pointers are gleaned, were attended by Commissioners Young, Wallace and Rome, who also have attended the four month seminar of Prevention of Air Pollution offered by the University of Massachusetts. Commissioner Crisafulli has chaired the Jennings Pond Improvement Committee. Commissioner Rome has chaired the Land Acquisition Committee. Commissioner Emanuelli has made several field trips on be-

half of the Commission on Hatch Act and other matters. Commissioner Hastings continues to work on the intricate natural resoures, open area and land use map of the Town, and is nearing completion of that monumental task. Commissioner Wallace has been made a director of the Charles River Watershed Association for an additional term of office.

We look forward to 1967 as a year of increasing accomplishments.

DOROTHY S. YOUNG, *Chairman*

MARVIN R. GOULD

SAMUEL CRISAFULLI, *Vice-Chairman*

ANDREW D. HASTINGS, JR.

GEORGE H. WALLACE

CHARLES W. EMANUELLI

JOEL ROME, *Secretary*

Veterans' Services

I hereby submit my annual report for the Department of Veterans' Services for the year ending December 31, 1966:

Veterans' Benefits

January	53 Cases	July	60 Cases
February	56 Cases	August	59 Cases
March	45 Cases	September	63 Cases
April	44 Cases	October	65 Cases
May	53 Cases	November	67 Cases
June	59 Cases	December	64 Cases

725 Veterans' Benefits cases were investigated during the year. Some of these cases were ineligible.

- 6 Death Cases
- 27 Strike Cases Aided
- 5 Liens Pending
- 6 Assignments Pending
- 2 Assignments Discharged — Total amount returned to Town, \$949.64.

Veterans' Services

- 1500 photostatic copies were made of the following:
- Discharges of Veterans
- Letters and Documents
- Checks
- Birth Certificates
- Marriage Certificates
- Divorce Certificates
- (Some of these were made for Town Officials.)

This year, Legislation was a big factor to the Veterans: With Chapter 716, Vietnam Bill, being enacted, veterans who have served for more than 180 days of active duty with the Armed Forces of the U.S. from February

1, 1955 to the Vietnam status, entitles veteran and his dependents, widow, and dependent parents, to Veterans' Benefits from this office.

The new residency law which went into effect April 1, 1966, now maintains that the town of residence is the one to aid instead of going back to the five year settlement.

The new G.I. Bill is another big factor to Veterans. It enables them to continue their education, buy a home, and entitles them to hospitalization. Through this office, we have helped many veterans in filing their 1990 form, enabling them to receive Federal Grants for education.

This year, veterans, widows, and dependent parents, will notice that their income questionnaires are mailed to different parts of the country. It is important that they not lose their return envelopes.

World War II veterans have until July 25, 1967 to file for their G. I. Home Loans. Veterans who are eligible should file before the month of July 1967 or they'll lose out.

This office helped many veterans, dependents, widows, and dependent parents in filing the following:

1. Request for Change of Address
2. Application for Compensation and Indemnity
3. Application for Dependency and Indemnity Compensation or Death Pension by Widow or Child
4. Dependency by Parent or Parents
5. Burial Allowance
6. Headstone or Marker
7. Request for Determination of Eligibility and Available Loan Guaranty Entitlements
8. Request for Approval of School Attendance
9. Claim for Life Insurance or Indemnity
10. Selection of Optional Settlement by the Beneficiary

These were just some of the forms which were mostly dealt with for adjudication from the V. A.

We helped many veterans who were eligible for their G. I. Insurance which the V. A. opened to veterans with 0% to 10% or more disability. This ended on May 2, 1966.

By filing for these grants from the V. A., and by having veterans admitted to the different V. A. Hospitals, a saving of thousands of dollars to the taxpayers of the Town of Natick was derived.

Helping those who are eligible for Medicare also is a big saving to the Town of Natick.

Selective Service

As registrar of Local Board #18, I would like to remind boys to register on their eighteenth birthday, or within five days thereafter, for their Selective Service Identification card.

Veterans' Services Agents Association

At our Summer Conference, I was nominated and elected to First Vice-President of the Massachusetts Veterans' Service Agents Association.

In our Middlesex County Veterans' Service Agents Association, I was nominated and re-elected President for the year 1966-1967.

For complete details, list of expenditures and receipts of the Dept. of Veterans' Services, I refer you to the report of the Town Comptroller.

MICHAEL TORTI, *Director, Department of Veterans' Services*

I hereby submit my report of the care of veterans' graves for the year 1966:

This past year, there have been twenty-six veterans buried in the Natick cemeteries:

- 1 Spanish-American War
- 11 World War I
- 9 World War II
- 4 Korean
- 1 Peacetime (Vietnam)
- 13 Natick Veterans buried out-of-town.

In examining every veteran's grave, I found many missing and corroded markers. I replaced these so that every veteran's grave in the Town of Natick would be properly marked.

The Town of Natick appropriates \$531.00 for the care of veterans' graves. Expenditures are as follows:

Caretaker of North Cemetery	\$200.00
Caretaker of Eliot Cemetery	\$ 76.00
Caretaker of Glenwood Cemetery	\$ 30.00

The balance is used for bronze markers and flags and maintenance of maps.

MICHAEL TORTI, *Veterans' Grave and Burial Officer*

Selectman William White, Representative Walter Burke, Judge Thomas Quinn, former Selectman William Wells and Veterans' Service Officer Michael Torti assist at the dedication of the Veterans Memorial at the new library

Town Counsel

I submit herewith the Annual Report of the Legal Department of the Town of Natick.

Following the sudden death of the former Town Counsel, Raymond J. Dowd, the undersigned was appointed on April 18, 1966 to fill the unexpired term.

As Town Counsel, attendance was made at the remaining session of the Annual Town Meeting, one Special Town Meeting, the Selectmen's weekly and special meetings and many other meetings of the Town Departments and Committees.

This office made one land taking by eminent domain on behalf of the Town, negotiated the acceptance of two gifts of land to the Town of Natick on behalf of the Conservation Commission, disposed of three cases without the necessity of legal action, and appeared at the Appellate Tax Board, the Civil Service Commission, the Alcoholic Beverage Control Commission, the State Labor Relations Commission, the Natick District Court and the Middlesex Superior Court on many varied cases. I also traveled to New York to attend the Department of Housing and Labor Development Meeting on Federal Sewer Grants.

With the aid of Labor Consultant Counsel Norman Zankel, considerable time was spent in resolving the legal problems arising from various departments of the Public Works employees voting to join the Public Employees Local No. 1116 Laborers International Union of North America, A.F.L.-C.I.O.

At the present time there is a considerable number of cases pending at the Appellate Tax Board and the Middlesex Superior Court, thirteen of these cases are being handled by your Town Counsel, the others having previously been assigned to the Special Town Counsel.

A permanent file has been established in which are recorded the records on the cases involving the Town as well as all legal opinions rendered by the Town Counsel. It is hoped that this procedure will establish a permanent guide to the office of Town Counsel.

JERRY J. DIGERONIMO, *Town Counsel*

Town Counsel Jerry DiGeronimo

Police Department

Preamble:

Serious crime in the United States increased 6% in 1965, as compared to 1964, and the figures for the period of January through September of 1966, the latest available, show a 10% increase over the same period in 1965. *TWO MILLION, SEVEN HUNDRED THOUSAND SERIOUS CRIMES WERE REPORTED IN 1965.*

These National Statistics, received and recorded by the Federal Bureau of Investigation, should be recognized in appraising the conditions of law and order in our Community, and the performance of the Natick Police Department in serving the people of our Town. They reflect the moral conditions of our time and the attitude of our citizens toward the laws which govern all men.

The following represents a statement of our personnel status and budget actions during the past three years:

<i>Year</i>	<i>Full Time Employees</i>	<i>Part Time Employees</i>	<i>Budget</i>	<i>Expended</i>
1964	43	23	\$367,962.00	\$355,938.63
1965	50	24	409,467.00	387,385.61
1966	54	27	465,462.00	455,166.13

There is also set forth a comparison of selected statistics of the Department for 1965 and 1966.

	<i>1965</i>	<i>1966</i>
Complaints requiring investigation	11,743	13,939
Arrests following investigations	1,253	1,240
Fines levied after investigation	\$26,743	\$26,736
Jail sentences	27 yrs. 2 mos.	13 yrs. 5 mos.
Value of goods recovered	\$21,817	\$39,080
Parking tags issued	3,167	3,594
Checks made on vacant homes, by request	7,475	7,506
Monies collected from parking meters	\$11,568.45	\$11,838.97
Miles police cruisers traveled	345,156	389,251
Persons fingerprinted (Aliens, Civil Service, etc.)	621	673
Fees received from insurance companies for copies of accident reports	\$681.00	\$831.00

The conclusion of this report will compile specific records reflecting the nature of our Police Activities this past year, and the type of investigative matters which have occupied our attention.

I should like to comment on various aspects of these records and other matters pertinent to this report.

I General Crime Conditions:

An analysis of the year 1966 in comparison with 1965 indicates:

Crimes against the person	Declined
Crimes against the property	Increased
Crimes against the public order	Declined

Arrests of Juveniles	Declined
Value of Goods Recovered	Increased

Our plans and programs which we have devised to provide Natick with effective Law Enforcement have been carried out by personnel with desire and a willingness to serve, coupled with the kind of training which has produced the maximum ability of each individual.

The organizational structure of our Department was changed, during the past year, with the appointment of three additional Sergeants. This increased the number of men holding this rank from four to seven, which has permitted more effective supervision and direction of our personnel, thus contributing greatly to the success of our Enforcement Programs.

However, I anticipate our general activities and, in particular, our patrol responsibilities will continue to grow with the increase in our various business areas, and our residential town growth.

II Motor Vehicles

The uniformity of our Police Procedure and Enforcement has been reflected in our first year under the so-called “No Fix” traffic law, which became effective in 1966. There were only 27 more violations this year than there were in 1965. In 1965 there were 1407 violations, while in 1966 there were 1434.

Safety on the highways must be the concern of everyone. Injury or death is a high price to pay for failure to observe the rules of the road. We will continue to provide strict enforcement of the highway laws, and invite the assistance and cooperation of all of our citizens.

There were four fatal accidents in 1966, in contrast to the two of 1965. These are tragic figures to report, and should be impressed on all who use our roads, in the hope that they will produce care and caution which are essential to abolish these tragedies.

III Administrative and Operational Matters

The following items of interest in our Management Procedures during 1966 are noted:

1. In order to insure and improve our necessary communications, our police radio has been removed from the Regional Network, and we now maintain our own Radio Band. Due to the growth of our Community, and the many activities in the outlying districts of our Town, the radio is a key factor in our patrol procedures. While we have established our own radio system, we still monitor the Regional Network, enabling us to communicate directly with the other departments in the area.
2. We have established an evidence procedure and evidence room to insure adequate protection and security for this vital aspect of our investigative functions.
3. Sergeant Robert Drew, of our Department, has been elected a member of the Board of Directors of the Massachusetts Safety Officers League. This results in close coordination and exchange of valuable information in the development and execution of our Safety Programs.

4. Our Auxiliary Police Organization and our Traffic Policewomen continue to provide effective service to our Town. They strengthen and supplement our regular organization and provide vital support in the discharge of our responsibilities.
5. As in previous years, we have continued to provide training for all new appointees, and firearms instruction for the regular members of the Department.

The recent creation of the Massachusetts Municipal Police Training Council will eventually provide facilities for this training, and in the future, completion of a prescribed course by this Council will be incidental to permanent appointment.

As present Director of the New England Association of Chiefs of Police, Inc., I have been actively engaged in the preparation and submission of two proposals under the National Law Enforcement Assistance Act, which is administered by the United States Department of Justice. These will provide for advanced training and research, and when approved will be of valuable service to our Town. The Command Training Institute will be held on the Campus of the Babson Institute of Business Administration at Wellesley, Massachusetts, and will provide outstanding education and training for all officers holding the rank of Sergeant, or higher. This Institute will be available to all Police Departments throughout the New England States.

IV General Comments

1. There were no major crimes in Natick during the year 1966.
2. We have noted an increase in investigative activity, especially in the area of bad checks, due in measure to the increased business activity we have experienced.
3. Our serious crime has shown a gratifying decline, at a time when major adjustments in our procedures were required due to the decisions of the United States Supreme Court in the matters of arrests, searches, interviews, arraignments, and the right to Counsel.
4. There has been a substantial increase in our patrol activities and responsibilities due to the continued growth, extension, and development of our large shopping areas. It should be noted that these responsibilities exist around the clock, whether these businesses are open or closed. We can expect this situation to expand and to make increased demands on our Department.

V Recommendation

Included in my responsibilities is the maintenance of the building which houses the Police Department and the District Court. Several years ago, it was necessary to repair some of the exterior portions of this building, particularly the areas around the windows and doors which consist of an "artificial stone" material. These areas had become deteriorated due to moisture getting behind this material. The approximate cost of repair at that time was \$4,000. This condition has again returned, and it appears that the work which will have to be done in these areas will be more extensive, at a greater cost to the Town.

I am requesting the appointment of a committee to determine the cause and extent of this damage, and to recommend action to be taken to preserve this building.

In conclusion, I should like to express my appreciation to the Town Officials and to the Townspeople for their interest and support of the Police Department. The successful discharge of our functions requires the assistance of all law abiding citizens.

We will always seek to discharge our duties in a manner to meet your confidence.

The entire number of arrests for 1628 offenses committed in Natick for the year 1966 was 1240. Of these 1124 were males and 116 were females. The number of residents was 245, while the number of non-residents was 995. There were 29 juveniles included in this overall total. In addition there were some 1975 Warrants and Summonses served for other jurisdictions. A total of 29 juveniles appeared before the Natick District Court, during the year 1966. Of the juveniles 15 were residents, and 14 were non-residents. 23 were males, and 6 were females.

Military Prisoners Apprehended	12
Missing Persons Apprehended	44
Insane Persons Committed	24
Stolen Cars Recovered	44
Sudden and Accidental Deaths	11
Suicides Investigated	2
Attempted Suicides Investigated	4
Stolen Bicycles Recovered	54
Thefts of Personal Property Investigated	224
Transportation of Persons to Hospital	143
Vacant House Checks	7,431
Dog Bites Reported	43
Excise Tax Plate Pickups	75

During the year 1966 there were 428 accidents investigated, which is an increase of 22 over last year. There were 244 Personal Injury Accidents, in which there were 356 persons injured. There were 45 fewer persons injured this year than there were in 1965. Included in this figure are 14 accidents in which pedestrians were involved, which represents a decrease of 8 pedestrians injured as compared with 1965.

There were four fatal accidents in Natick during the year 1966. On May 13, 1966, a 17 year old Wayland youth was fatally injured as a result of a motor cycle accident on North Main Street. On June 11, 1966 a four year old Natick girl was struck by a car on South Main Street, and succumbed to injuries. A twenty three year old Connecticut woman was fatally injured when her car was in collision with a trailer truck on Route 9, on October 15, 1966. An 18 year old Natick boy died as a result of a motor vehicle accident on Oak Street on September 4, 1966.

- 4 Deputy Chiefs
- 7 Captains
- 8 Lieutenants
- 65 Fire Fighters
- 1 Fire Fighter assigned as Mechanic
- 2 Civilians assigned to Fire Alarm Division
- 1 Civilian Clerk

Record of Fire Alarms

The total number of calls responded to by the Fire Department increased in 1966 by 302 over the previous year.

Department activities were as follows:

	<i>1964</i>	<i>1965</i>	<i>1966</i>
Total number of calls:	1286	1457	1759
Buildings	221	198	168
Vehicles			85
Forest & Grass	343	428	371
Rescue & Emergency	284	395	587
False Alarms			105
Accidental & Needless	164	167	80
Mutual Aid Rendered	18	24	18
Mutual Aid Received			5
All Others	256	245	340

The year 1966 brought about a sharp rise in apparatus response over the previous year. One of the most notable rises occurring in Emergency and Rescue category which shows an increase close to the 200 mark. Apparatus response in all other categories fluctuated at a normal rate.

<i>Year</i>	<i>Value of Property</i>	<i>Insurance Carried</i>	<i>Estimated Loss</i>	<i>Insurance Paid</i>
1964	\$1,132,605.00		\$ 57,743.13	
1965	\$1,879,071.00		\$198,425.18	
1966	\$8,186,495.00	\$7,738,890.00	\$271,311.11	\$269,706.86

COMMUNICATIONS DIVISION

Continuous observation, maintenance, and repair has assured proper functioning of the Fire Alarm System in 1966. Bi-monthly tests were performed on all alarm boxes, including auxiliary systems in all schools, rest

Natick firemen use new aerial ladder to make repairs on Police Department antenna

homes, nursing homes, churches, etc. Daily tests were made on all circuits and equipment. Fire Alarm Boxes have been relocated due to Edison Poles being replaced or relocated or to assure visibility and accessibility to the public.

New Fire Alarm Boxes and associate equipment have been installed at the following locations:

- Pine St. & Laurie Lane
- Mark St. & Liberty St.
- Liberty & Pine Sts.
- Hartford & Bishop Sts.
- West Central & Main Sts.
- Emerson & Appleton Rds.
- Cottage St. at 120
- Farewell St. & Pinewood Ave.
- Beverly & Harwood Rds.
- Oakridge Ave.
- East Central & Clarendon Sts.
- Sylvester Rd. & Moore St.
- Possom Hollow Lane & Ridge Ave.
- Pamela Rd.
- Rockland St. & Wayside Rd.

New Master Fire Alarm Boxes were installed at the following locations:

- Star Market
- St. Patrick's School
- Walnut Hill School (Westerly Bldg.)
- Fisk Memorial Methodist Church

The Library auxiliary system has been connected to the box on Washington St.

A total of nineteen Fire Alarm Boxes were added to the Fire Alarm System this past year, thus bringing the total boxes to 274.

The program of modernization and expansion will continue with the addition of ten (10) Street Boxes per year to the areas with little coverage and the completion of the Fire Alarm Operations Control Center.

POLICE ALARM AND TRAFFIC CONTROLS

The Police Alarm System is serviced and periodically tested throughout the year. Two new alarm boxes were added in the system in the Natick Mall area and included a recall feature which assures prompt communication between Police Headquarters and beat officers.

Studies were made at various locations relating to lighting and changes made to provide the best possible protection for officers performing traffic duty at hazardous locations.

RADIO SYSTEMS

The Fire, Police, Public Works, and Civil Defense Radio Systems were serviced and required tests performed throughout the year. Two new radio sets were installed for the Public Works Department. The Police radio frequency necessitated changing to assure prompt communication between Police Headquarters and patrol units due to increase of radio traffic of the immediate area.

Natick Fire Department and Natick Lodge of Elks cooperate in posting homes of
invalids in case of emergency

CIVIL DEFENSE SYSTEM

The strategically located audible electronic warning units located throughout the community are tested daily and serviced periodically.

Fire Prevention Division

Prior to "Fire Prevention Week", the Natick Fire Department lost the highly valued service of "Fire Inspector" John P. Armenio through an untimely death. John's knowledge and competency as a "Fire Inspector" for the Town of Natick were truly an asset. John, a young man of 48, will be greatly missed by the members of the Department and the people of the town of Natick whom he served so well.

During "Fire Prevention Week" the members of the Natick Fire Department conducted approximately 167 talks to the elementary grades of the Public and Private Schools of Natick. In addition approximately 20,000 pieces of literature pertaining to "Fire Prevention" were distributed to these students with the hope that parents of students might be advised of some of the more pertinent points of "Fire Prevention" pertaining to home safety from fire. In addition, at the invitation of the Stop and Shop, Inc. located in the Natick Shopping Center, Rts. 9 & 27, a display consisting of various safety devices, first aid fire fighting appliances, "Fire Prevention" literature, etc. was made available to the shopping public. An estimated 10,000 pieces of such literature was distributed upon request to interested persons. The Department also arranged for the showing of an animated Fire Prevention Film at the Drive-In-Theater during Fire Prevention Week.

TOTAL INSPECTIONS DURING 1966

Nursing and Rest Homes	85
Hospital and Medical Centers	42
Mercantile	3428
Schools — Public & Private	176
Churches and Synagogue	76
Clubs, Day Camps, Rooming Houses	27
Manufacturing	642

OIL BURNERS:

a — Application for installation permits	141
b — Inspections and permits issued	177
Liquefied Petroleum Gas Storage Permits Issued	40
Blasting Permits Issued	32
In-Service Inspections (members participation)	111

I wish to extend my thanks and appreciation to the members of the Department, and to all persons who in any way, have cooperated and assisted in our operations and development.

RICHARD D. FAHEY, *Chief of Department*

Public Works Department

This is the forty-sixth Annual Report of the Public Works Department. Mr. Daniel O'Leary was re-elected for a 3-year term to the Board in March.

Messrs. Arnold Baker, Joseph Geneseo, Alexander Lalonde and Joseph Saviano retired. We wish all of them health and happiness.

We regret to report the death of Mr. John Brown, Assistant Foreman in the Highway Department. Mr. Brown was employed by the Town for 32 years.

Highway Division:

New Equipment: 1 Medium Dump Truck
1 Sweeper

The design for the Railroad bridge on Mill Street was approved so the construction should begin in 1967.

The Chapter 90 — Maintenance funds were spent on North Main Street from the Railroad bridge to Washington Avenue.

The following streets were resurfaced under Chapter 822:

Bunker Lane — from Sylvester Road to end of street
Fern Street — from Fiske Street easterly 600 feet
Fiske Street — from Pond Street to Sylvester Road
Pine Street — from North Main Street to Liberty Street
Pond Street — from Speen Street to Dell Park Cemetery
Speen Street — from Pond Street to West Central Street
Sylvester Rd. — from Moore Street westerly to end of road

The following streets were treated with asphalt and oiled peastone; in whole or portions of:

Atherton Street	Longview Street
Bacon Street	Maple Street
Bennett Street	Maple Avenue
Blueberry Hill Road	Meadow Street
Cemetery Street	Nelson Street
Concord Street	Nolin Street
Cottage Street	Nobby Lane
Crescent Street	Oakland Street Ext.
Curve Street	Oakland Street
D Street	Oliver Street
Elm Street	Palmer Avenue
Fisher Street	Pitts Street
Floral Avenue	Reynolds Avenue
Forest Avenue	Quince Street
High Street	Roxbury Avenue
Howe Street	Second Street
LaGrange Street	Third Street
Lake Street	Tucker Street
Lakewood Road	Thompson Court

Loker Street

Waban Street

Winter Street

The following streets were sand and asphalt; in whole or portions of:

Alden Street

Lupine Road

Badger Avenue

Milford Avenue

Coleman Court

Morency Street

First Street

Parker Court

Frost Street

Rathbun Road

Hawthorne Street

Shady Oak Lane

Hovey Street

Spooner Avenue

Jackson Court

Sylvia Avenue

Lookout Avenue

Taylor Avenue

Recapping or replacing of damaged sidewalks in part or whole were done in the following locations:

Type I

None

Cement

East Central Street

Walnut Street

Following are lengths of streets, sidewalks and curbings constructed throughout the Town during 1966:

<i>Street Name</i>	<i>Street Length</i>	<i>Sidewalk Length</i>	<i>Curbing Length</i>
Pine Street		330'	300'
Circular Avenue			100'
Sylvester Road			1032'
Beacon Street		120'	100'
West Central Street			136'
		<hr/> 450'	<hr/> 1668'

Following are lengths and sizes of drains constructed in the Town during 1966:

<i>Street Names</i>	6"	12"	15"	18"	24"	30"	36"	C.B.	M.H.
Lantern Lane		440'		200'				5	3

		<hr/> 2280'	<hr/> 3190'	<hr/> 1030'				<hr/> 44	<hr/> 31

Water Division:

New Equipment: 1 Dump Truck
1 Emergency Generator for Springvale Pumping Station

1966 was below average in rainfall and the demand for water continued to rise. The new 5,000,000 gallon Reservoir at the Town Forest was completed and put in operation. The contract for constructing the new Reservoir on Broads hill was signed in December 1966. This will be started in early 1967 and should be completed in 1968. Construction of a new well was started at the Springvale water station.

Considerable testing for new water sources was done during 1966. The area on the peninsula extending into Lake Cochituate, west of Evergreen Road, on land belonging to the Commonwealth of Massachusetts, Department of Natural Resources yielded a substantial supply of excellent quality water. Negotiations are under way with the Department of Natural Resources for acquisition of this land by the Town for future water supply purposes.

131 new water services were installed and 51 services were relaid.

Following are lengths and sizes of water mains installed in 1966:

<i>Name of Streets</i>	<i>Size of Pipe</i>	<i>Length in Feet</i>	<i>Size of Gates</i>	<i>Number Install.</i>	<i>Hydrants</i>
Lantern Lane	8"	580'	6"	2	2
Indian Ridge Rd.	8"	1710'	8"-6"	7	3
Lincoln Circle	6"	260'	6"	2	1
Chrysler Road	10"	520'	6"	1	1
Huntington Street	8"	820'	8"	3	2
Emerson St. Ext.	8"	520'	8"	3	1

Board of Public Works

Public Works Commissioner Richard Robbins visits Mrs. Lyndon Johnson at the White House

Forestry Department

The Forestry Dept. reports for 1966 the removal and disposal of 25 confirmed Dutch Elm diseased trees on private property, made possible by the passage of article No. 43 at the annual town meeting of 1961. The department also reports the removal and disposal of over 100 confirmed Dutch Elm diseased trees on town property. The sanitation methods such as, proper trimming; pruning, spraying, removal and disposal of diseased trees, continues to be our best weapons in the fight to control this disease. Research groups have found no control methods than can be used directly against the fungus, but continued efforts are being made toward this goal. In late March and early April a dormant spray was applied to the elm trees in an effort to curtail the elm bark beetle, which is the carrier of Dutch Elm disease. A leaf spray was applied during May, June and July for elm leaf beetles. We continue to use only the insecticides approved and recommended by The Shade Tree Laboratory at Amherst and the Waltham Field Station. All personnel applying pesticides for the Forestry Dept. are licensed by The Commonwealth of Mass. Natick continues to remain above the average in the elm tree problem. Our birch leaf miner spray as in the past has proved to be successful. The oak leaf miner infestation of past years seems to have lost its severity when compared to 1959 and 1960. The department's tree planting program continues to progress. We report the planting of 150 trees of different varieties throughout the town.

The department's program of pruning and trimming of dead wood and low hanging limbs over streets and sidewalks for clearance was once again carried out. In cooperation with the Fire Chief and his department this department reports that an extensive program of trimming the Town Forest roads for clearance and easier access was carried out the past year as has been done in the past and will continue in the future. The Forestry Department worked in cooperation with the Fire Dept. in the installation of the Christmas lights and decorations in the downtown area the past year. Trees were removed and trimmed at the following schools in cooperation with the School Dept.: Coolidge Junior High; Eliot School, West and Cole Schools. Extensive pruning and trimming was done in various areas at the High School. In cooperation with the Dept. of Natural Resources, Bureau of Insect Pest Control we conducted a program of sampling all suspected diseased elm trees. A total of 80 stumps were removed below ground in various sections of the town during the past year.

The department reports the addition of a 1966 Dodge, Ton and 1/2 Rack Body Dump Truck. One of the major problems of the past few years was the drought. One season of drought conditions does little harm to trees, but with three seasons and two years of this lack of sufficient rainfall, some trees are becoming weaker. The possibility of failure to leaf out at all is possible on some of the weaker ones. The maples, hardiest of the New England shade trees, have been severely affected by this drought. However, this past year, being just under normal, we look forward with hope that better conditions are forthcoming.

WILLIAM F. YOUNG, *Tree Warden and Moth Superintendent*

School Committee

The School Committee devotes much of its attention to the curriculum. A constant updating of contents is accomplished through in-service work and in the summer months by means of workshops. New subjects are added as the need arises. This academic year the following subjects were added: German I, Asian Studies, Latin-American Studies, Basic Education and Physical Education for Special Classes. Additional staffing for the program for the mentally retarded has made for a more efficient program in a vital area. Policies such as a sabbatical leave for teachers have been adopted to implement the educational process.

A study committee, appointed to look into the possibility of establishing an Adult Education Program, recommended that such a program be initiated in September 1966. Approximately three hundred adults enrolled in the first semester. The reaction has been gratifying and it appears certain that this project will continue with more offerings and higher enrollments. The Summer School and Adult Education programs will be included in the regular school budget for the first time. Registration and fees will offset approximately eighty-five percent of the amount budgeted for these two worthwhile activities.

The Natick Public Schools has associated itself with a variety of projects on a cooperative basis with other systems to accomplish things that could not be done by itself. We are involved as members of the New England School Development Council in such things as "Project Write," a New England assessment, BRIDGE (Better Regional Initiation and Development of Good Education), NEEDS (New England Electronic Data System), and with eleven neighboring communities in The Education Co-operative so that innovative programs may be developed.

These innovations require the attendance of the School Committee at National, New England, Massachusetts and Area meetings. With the myriad of new and exciting changes, new laws and availability of funds, it becomes imperative that School Committee members and staff attend more meetings to keep informed and ready to move toward the most effective programs for the students of our system.

Once again the School Committee approved the Shakespearean performances of the Herald-Traveler Repertory Theatre. For five weeks some twenty-five thousand students in this area enjoyed the educational offering.

Construction of homes in certain areas of the Town may have an impact on the short- and long-range building plans of the School Department. The growth in the Northeast section of the Town may result in the use of the Winter Street site much sooner than anticipated for adequate facilities to relieve the Bennett-Hemenway and East Natick Schools. The need already exists in South Natick. The possibility of converting the Center School into Town offices will require the relocation of six hundred students and the administrative offices. These are continuing concerns of the Committee and a great portion of its time is devoted to studies for the best possible solution to these problems.

The School Committee and the community were saddened by the death on October 2, 1966, of Joseph T. Wignot, Jr. He had served the

School Committee and the Town with distinction and dedication. His loss was keenly felt by all.

On November 7, 1966, at a joint meeting of the Board of Selectmen and the School Committee, held in accordance with the provisions of Section 11, Chapter 41, of the Annotated Laws of the Commonwealth of Massachusetts, John R. Powers was appointed to serve until the next annual election.

Our sincere thanks are extended to the Town officials and boards, to the P.T.A.'s and to the citizens of Natick. The cooperation and assistance which the Committee has received has been gratifying and much appreciated.

Putting knowledge into practice

Superintendent of Schools

Change is in the air. Educators cannot avoid being caught up in the excitement of new ideas and new techniques. Whatever is done, however, must be in the context of advancing the cause of education. It is unwise to believe that change necessarily involves a complete modification of what has transpired in the past. Frequently, change is nothing more than the need for updated and modernizing techniques which have endured the trials of instructional experience. We must encourage a pioneer spirit to shed light on future horizons while also building on the past so that new ideas are rooted in successful practices. We must avoid change initiated without clear objectives, change for change's sake, one man projects, or setting over-ambitious and unrealistic goals for the staff. Educational change needs to be weighed and measured, its value judged, its possible results foreseen.

Many innovative and creative ideas have been delayed because funds are not available. In other words, the educational process has to be tailored to the ability and desire of a community to pay. State aid has been increased with the idea of providing equality of education to all. However, the distribution formula needs to be amended to reach the goals that have been established. Only recently have federal funds, through various acts of Congress, been made available but it must be noted that the federal government's participation is designed to supplement the local budget — not to supplant it.

Lest we become dependent upon other resources, we must continue to initiate local programs with local resources. In this connection, the Natick Public Schools continue to initiate programs utilizing the talents of an excellent staff of professional people. Frequently, consultants are called in to assist in reviewing and revising the curriculum offerings. Other reports contained herein give some of the specifics but the main point is that the School Department attempts at all times to keep abreast of new trends and techniques, to consider creative ideas adaptable to our needs and to encourage the staff to get involved in the process. This philosophy has paid dividends in the search for quality in the education of the young people in our charge. The learning process is not limited to the few hours the students spend in school. Many additional agencies contribute to a student's development — the family, the church, the news media, business, industry and government. Therefore, all of us must work cooperatively and share this vital responsibility. For example, a cooperative study with eleven neighboring communities has recently been approved by the United States Office of Education. This project is being financed with a federal planning grant of forty-one thousand dollars. The long-range implications should be most productive and a final project is being submitted in 1967 for a three-year operational grant to provide new programs for some seventy thousand students in the area.

It is difficult to single out one event or project to highlight in such a report since all are intermeshed toward providing quality education. Some of these educational changes are treated in detail in the following reports submitted by the Assistant Superintendents and staff and are indicative of some of the goals and accomplishments of our public schools.

Words in color: an experiment in reading

ELEMENTARY EDUCATION

We are living in a period of unprecedented change in the field of education. Schools are different than they were a quarter century ago. There is much more educational activity. Schools look different in appearance, in organization, and in how and what they teach.

Of all the recent changes, curriculum reform has been the most influential. Flexible grouping permits children to learn in an atmosphere of educational challenge which is in phase with their intellectual potential. In other words, the curriculum is adjusted so as to satisfy the individual needs of all the pupils.

The elementary school curriculum must do more than simply train children in the basic skill subjects. Pupils must also acquire a fundamental appreciation and understanding of key ideas from a broad realm of knowledge. Emphasis is placed on teaching the pupils the many natural and social sciences.

The knowledge explosion has created the need for developing the creative talents of our pupils. The effective use of teaching aids, library resources, and field trips are a few of the many techniques which make it possible for the pupils to answer their many questions and to acquire knowledge that will be beneficial to them in their future educational growth.

During the past year federal funds have made it possible for the elementary schools to expand their curriculum. For example over six thousand dollars in federal funds was received for the acquisition of additional edu-

cational materials in geography and science. This federal program will continue for the next four years. In addition, twenty-five thousand dollars in federal funds was expended for providing an expanded summer school project and Saturday instruction for certain pupils in need of remedial assistance.

The educational philosophy of teaching the total child took on added meaning during the past school year, with the introduction of a guidance program at the elementary school level. In order to teach a child properly it is necessary to understand his behavioral pattern. The clinically trained guidance supervisor helps the teacher achieve this goal.

We are justly proud of our special class program which provides for the education of the exceptional child. During the past year, we added several classes and a physical education teacher. This excellent program provides small class instruction for children who cannot effectively participate in our regular classrooms.

The speech and hearing program was expanded in 1966. In addition to a part-time speech pathologist and audiologist, the school department employs three full-time speech therapists. Our aim is to diagnose trouble as soon as possible, so that a corrective program may help a child overcome a speech or hearing handicap.

A psychological clinic is available to help identify children with emotional problems. A certified school psychologist advises the parents and

Students create their own models in history class

the school department with reference to proper therapy necessary for such children. It should be noted that a school adjustment counsellor is available for short-term counselling.

A curriculum coordinator helps in the correlation of instructional matters among the various elementary schools. He opens lines of communications so that all of the elementary schools are aware of new programs after they have been carefully evaluated.

The following excerpts from the reports of principals illustrate clearly some of the programs which have been adopted during the past year.

Due to the large number of classes and teachers in the Bennett-Hemenway School, a system of grade-level managers has been used very effectively. The grade-level manager is a veteran teacher selected by the principal. His main function is to coordinate the efforts and activities of the four teachers at his level. The grade-level manager at his own meetings is of great assistance to new staff members especially in guiding them in regard to the curriculum, marking, arranging parent conferences, and in providing general advice concerning the minor administrative matters of the school. The grade-level manager does not supervise teachers nor does this system eliminate the need for general meetings of close coordination between the principal's office and the new teachers.

The Cole School makes extensive use of instructional machines: Opaque, overhead, filmstrip, and movie projectors, transparencies, mock-ups and teacher-made aids. These audio-visual aids make the educational programs more interesting, and thus serve to increase the student's motivation to learn.

The pre-school program was noteworthy at the Johnson School. The staff conducted a meeting for new parents in April. At this meeting kindergarten teachers and principal spoke to the parents. In May, pre-schoolers were allowed to visit classes. The teachers believe these Spring meetings reduce the number of unhappy kindergarteners on opening day.

The second grades at the Lilja School are being taught through the use of "Words in Color" as an approach to reading, spelling and creative writing. The teachers have done extensive research on this approach and have participated in a number of workshops. The goals of this program will have implication for the entire school system, and the results are being carefully evaluated.

The West School Kindergarten has initiated a program with the older children attending the morning session with its longer time schedule and the younger children attending the shorter afternoon session. At the half-year the groups will change sessions. It is too early to form any definite conclusions as to the overall effectiveness of the program. However, at the end of the year an evaluation of the program will be made to determine if there has been any improvement in the child's readiness for the first grade.

SECONDARY EDUCATION

In general, you will observe that the past year has been spent by our administrative staffs and faculties performing their usual good job as educators of our Natick youth, in continuing their quest for better instructional methods and techniques, in devising more viable and more interesting classroom instructional aids, and in implementing a flexible, functional curriculum designed to satisfy the needs of all our students. The Town of Natick

looks to its school system as one, perhaps the most important, medium through which regard for the individual is engendered and democratic institutions and practices are made secure. Our schools, like all others in the nation, have become a symbol of the "American way of life." The ultimate objective of all our progress is, of course, to bring to our young people of Natick a knowledge of the democratic process and of the principles of truth and liberty and to help them guide themselves in seeking a niche in life for which they seem best fitted.

The media by which we as teachers strive to attain our ultimate objectives are our curriculums. A close examination of our excellent curriculum guides reveals that they have flexibility to provide for individual classroom adaptation and comprehensiveness to provide subject matter for the bright, the average, and the slow student. Although our curriculums have withstood the challenges of the 1960's, I am not sure that they will also meet the challenges of the 1970's. It is obvious the time has come to begin a revamping and a "retooling." Change appears to be the order of the day. Eight years ago when our present guides were first constructed curriculum revisions emanated from a recognition of our own local needs. Today, however, a great deal of the curriculum "push" is being made in Washington and in the offices of large foundations. Never before have the schools received so many proposals for curriculum changes from so many sources. Never before have our schools been subjected to so many external pressures and influences on behalf of curriculum change.

As we in Natick undertake the process of curriculum revision, I feel that we shall have to guard against potential shortcomings which of their very essence could arise from the nature of change. Among the elements we should keep in mind are the following:

1. Over-emphasis on specific subject fields tends to separate them from each other. A decade ago perhaps there had been too much of a trend toward the fusion of academic disciplines — the core curriculum — with the resultant weakness of individual disciplines. Now the danger lies in the opposite direction. It is my impression that some of our courses have become so finely developed with their sequence outlines and materials that they have a "package" image. As a result the subject area becomes a discrete discipline and its relation to the other academic disciplines becomes obscured. Our new curriculum guides should embrace the best of both concepts.
2. We shall have to be careful that we do not favor some subject areas which because of their very nature adapt themselves more easily to change — e.g., mathematics and the natural sciences — and because since the days of "Sputnik" more financial support was given to them. Neglected have been other extremely important areas like political science, anthropology, economics, the humanities, music, and the fine arts to mention only a few. As a result of such favoritism, I feel, a dangerous imbalance could threaten our over-all curriculum, especially at the secondary school level. More of our budget dollars should be channelled into the less favored disciplines in the near future.

Planetarium magic at Natick High School

3. Similarly, in connection with the thoughts expressed in the preceding paragraph, we must pay more attention to the development of programs on behalf of the "big middle group." We have special programs "all over the place" for the gifted, the retarded, the culturally deprived, and the dropout. We concentrate the best teachers on them, give them special facilities and small classes and

Planetarium dome and control panel

do everything we can to stimulate them. I agree that they merit extraordinary attention. It is about time, however, that we go all-out to make learning downright exciting for the solid middle group. They do not all go to college, and they may not have the intellectual

Part of new library at Natick High School

flair for what is called "excellence." They are not in need of a vocational education either. It is this group, after all, who will provide many of our successful businessmen, our public employees, our political leaders, and the corps of our Armed Forces. The time has come in our curriculum revisions process to accord them the higher regard they deserve and plan more creatively for them.

4. We shall have to make sure that our recognition of the ability of students to learn and deal with basic principles at an early age does not encourage our schools and our curriculum developers "to pile it on." In recent years subject matter of greater quantity and complexity has been pushed lower and lower in the grades. Could there be some correlation between this trend and the apparently corresponding rise in the number of mental health problems at younger ages?

If we observe the aforementioned considerations, our revised curriculum guides will emphasize an understanding of principles rather than the acquisition of information. We shall have recognized that what is fact today may not be fact tomorrow, and that to keep pace with the growth of knowledge the average high school student will have to be re-educated continually during his lifetime. We should seek more ways to help our students acquire the intellectual power to relate new information as it develops to the underlying principles they learned in the study of a specialized discipline. In brief, our curriculums should become a means of organizing information so that patterns can be discerned and discovery made. Thus, the product of our curriculum work — the Natick High School graduate — will have become truly educated rather than narrowly trained, and his education will have prepared him to go on learning.

The following study of the class of 1966 is of interest.

<i>School</i>	<i>Number</i>	<i>Percent</i>
Four-year degree granting colleges	183	38.1
Junior Colleges	31	6.5
Business Schools	27	5.6
Preparatory Schools	11	2.3
Schools of Nursing, non-degree	8	1.7
All others, technical, art, beauty culture, etc.	38	7.9
	<hr/>	<hr/>
Sub total	298	62.1
Employed	182	37.9
	<hr/>	<hr/>
	480	100.0

It has been a pleasure to work for a School Committee that has maintained a close observation of every phase of the school program in order that the department be one of the best in the Commonwealth. Whatever success our educational program has achieved is the direct result of the dedicated teachers, able administrators and cooperative members of the non-professional staff. The assistance of the school building committees, the various town departments and officers, and the P.T.A.s has been a source of gratification.

	<i>Employees</i>	<i>Budget</i>	<i>Expenditures</i>
1965.....	11	\$111,215.53	\$ 98,232.14
1966.....	12	134,898.00	111,744.78

The annual report of the Morse Institute for 1966 is hereby submitted.

The circulation of 272,473 books for 1966 shows an increase of 2,200 over that of the previous year. This is most gratifying, as many libraries are reporting a decrease in circulation for the year. 6,880 books, new books and replacements, were added to the collection in both the children's and adult departments, and 4,084 were discarded.

This year, two thirds of the books acquired were purchased to build up the collection in the children's library and next year, it is planned to do the same for the adult library.

The library again received \$7,207 from the State Grant for Free Public Libraries. This money was used for the purchase of books, records and microfilm.

There was a delay again in 1966 in the establishment of the Eastern Regional Library System. The final step was taken on October 26, when the officials of the Commonwealth, the City of Boston, the Boston Public Library and the Eastern Regional Public Library Advisory Council signed the contract, establishing the legal and operational base for a long planned Eastern Regional Public Library System. Natick is one of more than 200 public libraries included in this cooperative service. This large area is divided into 8 groups, with a library in each group designated as the sub-regional center. The Wellesley Free Library is the sub-regional center for the group which includes Natick. Interlibrary loan requests are now sent to the sub-regional center, which, in turn, sends them to the Boston Public Library if it cannot fill the request. Other services, such as telephone reference, the loaning of films and records will be gradually implemented. It is expected that by July 1967, the program will be in full operation.

The two Bookmobiles continued to provide good library service for the schools and those borrowers who live away from the center of town. The Adult Bookmobile schedule remained the same as the previous year. The School Bookmobile visited all the grades in six elementary schools each week during the school year. In July, it also visited the Bennett-Hemenway School twice a week while summer school was in session. This Bookmobile began operation in February 1951 and definitely needs to be replaced. An appropriation will be requested at the 1967 Annual Town Meeting.

The new Children's Library has now been in use for a year and a half and is a most attractive room for browsing and studying. The children's librarians were kept unusually busy with reference questions from children

working on school projects and assignments. Classes from the Center School made monthly visits and, for the first time, all the grades from St. Patrick's Parochial School came each month to take out books and for instruction in the use of the library.

With the cooperation of the Evening Division of the Woman's Club, a story hour for pre-school children was held once a month from January through May. This was well attended. The mothers and one of the librarians took turns telling the story. During July three High School girls, Lynn Herber, Alison Gilvarg and Susan Fahey conducted a popular story hour for children in the first three grades. Plans are being made to again start a story hour program in 1967.

The new charge desk area in the adult department has proved to be an efficient as well as pleasant place in which to work. The teen age section and the reference room are being well used by the students. The adults have found their browsing area a pleasant place to relax with a book or magazine. On Monday and Wednesday evenings it was found necessary to have a Police Officer on duty to patrol the stacks and reference room to prevent the young people from congregating in groups, inside and outside the library. This has been a great help in maintaining an atmosphere more conducive to studying.

1,945 recordings were circulated in 1966. Three albums may be borrowed at one time for a period of 7 days, with the exception of language records which may be borrowed for 4 weeks. The library now has a table equipped with two turntables, which may be used for listening to records in the library. Earphones for this are available at the desk. This has proved to be very popular as they are in use quite a bit of the time.

The renovating of the second floor, where the children's library was located formerly, was completed early in the year. A small room at the front was furnished and decorated by the Natick Rotary Club for a Historical Room in memory of J. Alden Wentworth. In this room is a display of books, pictures and papers dealing with early Natick history. The main part of the second floor has been attractively furnished for use as a small auditorium. This is available for meetings of civic, educational or cultural organizations in the town and has a seating capacity of 60. During the summer and fall it was used by several such groups.

An exhibit of marine landscapes in water color, by John E. Harris of Ellsworth, Maine, was held in the auditorium the week of September 5. Quite a bit of interest was shown in the exhibit, which also attracted art lovers from out of town. It is hoped that there will be other art exhibits in 1967.

There were several changes on the staff during the year. Mrs. Mary Craig, who had been an Assistant Librarian, was promoted to the position of Children's Librarian. A new position of Circulation Librarian was created by the Personnel Board at the request of the Trustees. Mrs. Eleanor Thomas, an Assistant Librarian was promoted to this position. In November, Mrs. Stella Shen, Graduate Librarian, resigned to accept a position at the Parlin Memorial Library in Everett. Mr. Thomas Roach, a part-time Custodian, was appointed a second full time Custodian.

The library is particularly grateful to those who so kindly loaned their collections for exhibits in the display cases in both the adult and children's

departments. Many of them were outstanding and were of great interest to both the children and the adults.

The Memorial Garden for World War II and Korean War Veterans was completed, with all the name plaques installed, in the late spring. This memorial was formally dedicated by the Veterans Organizations on Sunday, May 22.

On May 29, the Morse Institute held an Open House in order to give the townspeople an opportunity to inspect the new addition and the renovations. This was very well attended. During the year there were a number of visitors from other towns to see the new facilities. The library was host to two library organizations, the Pioneer Library Group and the Greater Boston Public Library Administrators.

The construction and renovations have now been completed. There remain now only a few items of equipment to be procured, such as a movie projector and screen. When these have been acquired, the library plans to have programs of interest to the general public.

Many gifts of books and magazines were very gratefully received by the library. Several of the books were memorial gifts. Many thanks go to the Natick Bulletin and the Suburban Press for the gift of their respective papers and for printing the library news; also to the Natick Federal Savings and Loan Association for the book marks and to the Natick Trust Company for the envelopes for the borrowers' cards.

The Librarian attended State and Regional meetings in Boston, Wellesley and the American Library Association Conference in New York City.

The Librarian would like to express her appreciation to the staff for their loyalty and devotion, for without their cooperation it would not be possible to give good library service. The Librarian is also grateful to the Trustees for all their understanding, support and devotion to the interests of the library.

ELIZABETH H. PARTRIDGE, *Librarian*

Trustees of Morse Institute

In 1966 the Trustees concluded a program of extensive modernization which was initiated three years ago. On May 29 we held Open House during which several hundred citizens of Natick observed the improvements which had been made. We feel that the present facility, with its inviting environment for reading and study, now truly reflects the cultural standards and tastes of the town which it serves.

At the time this report is submitted there remain a few items of equipment which are needed in order to complete the task and to make the library one of the foremost in Eastern Massachusetts. We expect to make these purchases within a few weeks and to render to the townspeople a complete accounting of the entire project sometime during the spring.

A test of a modern public library's usefulness, however, is not merely the number of volumes on its shelves, but rather the extent of the services which it is able to furnish. To this end, therefore, we have inserted an article in the warrant for the 1967 Annual Town Meeting requesting an appropriation for the replacement of one of the bookmobiles. This vehicle is now seventeen years old and has deteriorated in usefulness and efficiency. Its replacement is necessary if we are to continue to serve especially the senior citizens at Cedar Gardens and the outlying districts of the town where there is no public transportation.

The Trustees are very grateful for the continuing support provided by the residents of Natick. We are especially grateful to Miss Elizabeth Partridge, Librarian, and to each member of her staff for their cooperation and their loyalty. Without their competence and their dedication the services which the library is able to furnish to the community would indeed be limited.

HENRI PRUNARET, *President*

ANDREW B. GOODSPEED
EPHRON CATLIN, JR.

WILLIAM F. BIGELOW
WILLIAM M. CAREY

Water sports are enjoyed by citizens of all ages at Dug Pond

Recreation Superintendent

Recreation is what individuals desire it to be. What is work to some is play to others. There are, however, established principles and methods which are basic ingredients of sound Recreation for people individually and for the Community collectively. Recreation is based on needs of people individually and in groups. Man's quest for enrichment and growth in his leisure time is the fundamental need which Recreation attempts to satisfy. The methods are as complex as man himself, but are basic in the sense that they have common aims and objectives in the end result. The attempts to search out and meet the needs of man is what Recreation is all about. Whether this is done on the ballfield, at the gym, on the stage or in the dance hall is of little significance, as long as the final goal is attained.

1966 was an interesting year for the Natick Recreation Department. Many improvements were made and steps made forward in its attempts to meet the Recreational needs of Natick's 30,000 residents. The year was highlighted by the tremendous growth in participants in the Department's many programs, by the installation of a beautiful new pier at Memorial Beach and by the elementary development of the new Family Recreation and Picnic Area on Speen St.

Steve Blinn, the man who had helped make these accomplishments a reality and who had worked so diligently as the head of the department resigned the position in November of '66, but will be remembered in years to come for his many accomplishments while in Natick.

REPORT OF ACTIVITIES

Playgrounds:

In 1966 Natick's thirteen playgrounds and Natural History and Conservation Center enjoyed one of their most successful seasons. The season began with a 4 day training institute for our 29 leaders and specialists, where they were prepared for the busy 7 weeks ahead. The grounds opened July 5th with youngsters from all over town turning out in force. Daily program consisted of group games, individual games and stunts, dramatics, music, arts and crafts, sports, active games, quiet games, story-telling and individual playground special events scheduled by the leaders. "All playground" special events included Joseph Lee Day (the founder of playgrounds) Pet Care Day, Blue Hills Museum Trip, Carousel Trip, Fun Day Circus, sponsored by Neetega, All Town Tournament, Track and Field Day, a Basketball Jamboree and Family Nights.

Improvements included a broadening and strengthening of the Boys and Girls Sports Programs, a balanced and diversified exposure for each child to the wonderful world of Arts and Crafts, a concentrated and educational program of nature skill, taught in such areas as compass use, plant identification, animal life exploration, nature crafts and mineral life identification and classification and generally a more balanced program for all youngsters in Natick between the ages of 6 and 15.

There were 2,149 youngsters registered on the playgrounds in 1966

with a total participation of 41,032 for the year. This shows a slight decrease from 1965, but this is due to the exclusion of a Teen Sports Program, which we hope to reinstate in 1967.

The value of playgrounds can be best measured by the youngsters' development and growth during the season. In 1966 we evidenced children, who were the first day shy and timid, come around and by the end of the year be one of the real leaders on the playground. There was also a spirit of unity on individual playgrounds as well as among the playgrounds which is gratifying to see, and finally an endless excitement in the air generated by the youngsters themselves from the first day to the last day of the playground season, which is one of the best signs that youngsters are enjoying their play.

In 1967 we look to increasing areas of program and activities for all youngsters in Natick. The hoped for addition of a Boys Teenage Sports Specialist, who will visit all the playgrounds during the week and offer a specialized program to the many teenagers in Natick who are unable to secure employment and who otherwise will sit around looking for some kind of activity to take up their leisure hours, is one area of improvement.

We also have planned a program in camp crafts for Natick youth. This will further broaden the exposure of our young people to wholesome ways of expression of self.

Tennis:

Another year of growth took place in the tennis program in 1966. As the sport grows so do our attendance figures. Three hundred and thirty-one boys and girls received instruction in all phases of the game this past year with a total participation of 5,823 being evidenced. Wilson Junior High and the High School Courts were the areas used for instruction in '66, but we hope to add Kennedy Jr. High Courts in 1967, in order to serve our West Natick residents also.

This year's program was concluded with individual tournaments at the two areas and a cross town tournament on the final day of the season. There was also a tennis clinic held at the Kennedy Courts during the last week, which proved very beneficial to all who participated.

Memorial Beach:

Memorial Beach at Dug Pond continued to grow in 1966. An increase of 3,500 participants took place this year which showed the number of different individuals in both the swimming instruction program and general bathers increasing significantly.

The most outstanding feature of Memorial Beach this year was the installation of a new polyethylene flotation pier. This beautiful new structure made possible a more extensive instruction program, a greater area for general swimming, and added many safety features previously not possible.

The swimming instruction increased to 2,169 in '66. This was another year when new highs were reached in all areas of the instruction. Volunteers increased from 7 to 12 and greatly aided the 6 full time instructors employed by the Department.

The increasing attendance of the beach every year is a credit to the fine job being done by the Beach Personnel in handling these record crowds. There were a total of 38 accidents treated and rescues made by our lifeguards and Beach Manager in 1966. We're sure the residents appreciate their efforts and we will continue to provide the best possible service to you, the people.

Outdoor Basketball:

One hundred and nine boys took part in either the PAL or the Outdoor Basketball League this past season. There were 52 games played at the Whitney Courts during the summer in addition to an increased number of practice sessions in 1966.

This valuable program is made possible because of the generosity of sponsoring organizations here in Natick and a staff of volunteer coaches and leaders. Our thanks to the following sponsors — Elks — Fair and Yeager — Natick Federal Savings & Loan — Natick Five Cent Savings Bank — Natick Trust Company and the Natick Police Department.

Program for the Handicapped:

The indoor swimming sessions and Camp Arrowhead completed one of the finest years to date in '66. Due to the tireless efforts of over 90 volunteers and our regular paid staff, we were able to offer the most broad and inclusive program in the short history of the program.

Youngsters took part in active games, quiet games, table games, arts and crafts, storytelling, singing, dramatics and many special events. The instructional swimming phase of the program both at Camp Arrowhead and Babson Pool was extremely well accepted. These boys and girls progress so rapidly in the water, that it gives them a new spirit of living and a brightened outlook on their capabilities and potential for the future.

The Recreational Department is again indebted to the Amputee Veterans Association for their generous donation of the use of their property during the week for our Camp Arrowhead.

The Mentally Retarded Program was again provided at the Framingham Day Camp with our Department only transporting Natick Youngsters to Framingham. The Day Camp has grown so rapidly that there was some doubt whether Natick youngsters would be taken in 1966, and next year our chances will be much slimmer. It is for this reason that the Department has asked for funds to operate our own Mentally Retarded Day Camp. The entire program would be 50% supported by the State and the possibility of another 25% reimbursement coming from the Joseph P. Kennedy Foundation. This is a much needed program since there are over 50 youngsters in Natick who could take advantage of this program both during the summer at the camp and during the winter for the swimming instruction. We hope to expand in this area of operation in 1967.

Fall-Winter-Spring—Indoor/Outdoor Children's Programs:

The rapid growth of our indoor-outdoor program during this year, we think, demonstrates the efforts the department has made to provide

sound and capable leadership in all our programs, for it is leadership that makes youngsters come back and it is leadership which provides a sound core on which to build. Nearly every one of our 13 programs in this area has increased both in number of different participants and total participation. The biggest growth has taken place in the Elementary Basketball Program and the Girls Recreation Program, with nearly 300 attending each program weekly at the 9 and 8 areas respectively.

All these programs are conducted in order to give each youngster an opportunity to participate on an equal level with his peers. Most of the programs are held after school or on Saturday, and serve as the intramural program for school age children. Although skills and the competitive spirit are goals of the program, the main emphasis is put on the child's individual development socially during his participation in the program.

NEETEGA:

Natick's TEEN AGE CLUB — NEETEGA — supervised by the Department, continued to expand in 1966. The expansion came not only in club members (over 1300) but in Recreational activities sponsored by the club, service projects in the town carried on by the teenagers and the growth of their Recreation Community Center Building Fund.

Twenty-four dances for the 15-19 yr. old club members were held in '66. Two orientations for Executive Board and Council members during the year were also held. Other activities included: A Kiddie Day, Carlings Fair Booth and Entertainment Tent, Ski Trip, Car Wash and Fourth of July Float. Service projects included: Distribution of Town Surveys for the Jaycees, Visitation to Nursing Homes at Christmas, Sponsorship of a Babe Ruth League team, Donation to Leonard Morse Hospital Building Fund, Fund raising for the American Field Service, Sale of July 4th tickets, and sale of Benefit Concert tickets for the Hospital Building Fund.

These youngsters plan, organize and operate all of these programs on their own with only supervision coming from the Department and this is where we feel the value of the program really lies. Now with the membership comprising a majority of teenagers in Natick, much can be done and is planned in order to provide the best Recreational Activities for Natick's Teens.

Adult Programs:

Programs for adults have continued to involve many of Natick's older residents in valuable Recreational activity. Programs for Adults included: Men's and Women's Golf Instruction, Men's and Women's Badminton, Men's Volleyball, Slo Pitch Softball, Men's Hoop League, and our Adult Hobby Classes. Classes in 1966 included, Sewing, Advanced Dressmaking, Cake Decorating, Ceramics, Flower Arranging, Knitting, Oil Painting, Interior Decoration, Furniture Refinishing, Photography, Rug Braiding, Securities and Investments and Holiday Crafts.

Classes will be held in any suitable hobby if 10 people register and a qualified instructor can be employed and we certainly would appreciate any suggestions for new programs in 1967.

Neetega group leave for a ski trip

Special Events:

Departmental Special Events included a Table Tennis Tournament for children and adults, an Awards Dinner honoring volunteers from Camp Arrowhead, Memorial Beach and the Handicapped Swimming Program, a Gymnastics Exhibition by the Springfield College Gymnastics Team for the benefit of the South Middlesex Association for Retarded Children, the 2nd Annual Festival of Arts and the Globe Baseball Clinic for boys. These events involved over 2,500 people in pleasurable as well as beneficial use of their leisure time.

Areas and Facilities:

1966 brought some much needed improvements to the Department's

many areas and facilities. The installation of 2" water service will drastically improve the maintenance of Coolidge Field and we hope the possibility for better skating conditions at the Coolidge Rink and adjoining children's area.

The initial phases of the Speen St. Family Recreation Area were completed with the construction of the turf play area, installation of a chain link fence, separating the property from the adjacent National Guard Property and installation of preliminary water service being the major steps taken. Other phases completed included the clearing of small brush on the property by the Maintenance Crew and a group of Boy Scouts and Cub Scouts. The final phases of this wonderful Recreation area include the construction of 12 picnic areas, construction of a small concrete shelter, continuation of water service to the rear of the property, construction of a semi-improved roadway and parking area and construction of a buffer fence, as recommended at the 1965 A.T.M. by the site study committee. This work will be completed by May of '67, if approval of the Article submitted for the 1967 Town Meeting is given. The land must be in Recreational use by May or will revert to the Commonwealth.

The repair of the stonewall entrance to Shaw Park was also completed in '66. This made possible a marked improvement of the appearance of the park and will help avert further deterioration of the wall in this area.

As has been already mentioned, the installation of the new pier at Memorial Beach was a tremendous improvement as far as Swimming facilities are concerned at the beach. This pier is one of the finest in the area and one of which the town can be proud.

The Department also installed a new flood gate at the South Natick All Purpose Area, which has succeeded in keeping the water in the area so that ice skating is possible on the area. There has already been skating at the area in 1966.

There is much left to do in order to bring our facilities up to standards, but a plan of action for the years ahead has been drawn up and we hope to make great strides in 1967 toward improving. We have planned a Beautification Program for the Common, in conjunction with two Natick Garden Clubs, construction of a bandstand on the Common, thanks to the donation by the Evening Division of the Women's Club for the construction of such a facility, beginning of a turf maintenance program for the fields, painting of the Bathhouse at Memorial Beach, and numerous smaller projects in nature, but not in importance.

1966 has been a good year for the Recreation Department as can be readily seen by the tremendous growth in programs, as well as facilities. We must, however, make even greater strides in '67, if we are to provide for the Recreational needs of all our residents. The challenge is great but the desire to meet the challenge head on is evident among all Departmental staff and the Commissioners. We hope that 1967 will bring many suggestions from you, the residents, and that Recreation in Natick will grow even greater.

The Department has been fortunate to have had the tremendous cooperation of Town Officials, Town Boards, Committees, Commissioners and town Departments and most of all you the people during this year.

It was also fortunate to have had a Commission with foresight and energy to set the policies of the Department, a devoted full- and part-time

staff, and countless volunteers who so generously gave of themselves for the sake of others. The department's program involved 19,943 different participants with 238,384 participating during the year.

Health Officer Edward Taddeo watches as a young lady gets her measles shot

Board of Health

Contagious diseases reported in 1966 as follows:

Bacillary Dysentery	6
Chicken Pox	325
German Measles	30
Infectious Hepatitis	0
Measles	5
Meningitis	0
Mumps	105
Salmonella	7
Scarlet Fever	31
Tuberculosis	7
Whooping Cough	7
No cases of Anthrax or Tetanus were reported for 1966	

Home visits made and releases given to 617 students. For the past 9 years Chicken Pox has been more prevalent than any other contagious disease. Measles took a marked drop this year because of an overall program conducted by the Health Department for children of all ages who had not received the Measles Vaccine. The number of out-patients brought to the Middlesex County Sanatorium for x-rays and other diagnostic services totaled 103. The number of active cases of Tuberculosis reported for 1966 was 8: eight of which were pulmonary.

A total of 2671 students were Tine tested this year. This included all new kindergarten children and new students. Also, 54 school personnel were Tine tested. Positive Tine reactors were followed through.

Twenty Well Baby Clinics were held in 1966. A total of 342 babies participated and 125 new registrations were entered. Diphtheria, Whooping Cough and Tetanus were given to 91 babies. Polio Vaccine (Salk & Sabin) were given to 142. Measles Vaccine were given to 59 babies and Small Pox Vaccinations were given to 44. Four PKU tests were given to babies requiring this test.

There were 44 premature births reported to the Department for 1966. Seventy premature visits were made. Three families applied for aid and aid was granted to two.

The Natick Health Department participated in a Glaucoma Detection Clinic held for the residents of Natick with the Natick Lions Club. A total of 85 residents attended. There were six referrals and no positive cases were found.

In September, a Flu Clinic was held for all Town Employees. A total of 175 shots were given to employees attending this clinic.

The Evening Division of the Natick Woman's Club under the supervision of the Health Department conducted Amblyopia Screening Programs for all pre-school children. A total of 64 children were screened. Nine referrals were made for further tests to Ophthalmologists.

In May of this year the Natick Health Department participated in supplying a Mobile X-Ray Unit at the Rotary Home Show at the Natick Armory. Four hundred and ten residents were x-rayed and all x-rays proved negative for tuberculosis.

The Double Antigen Program held in April of this year included children from Kindergarten through grades six. A total of 1386 children were immunized.

The following permits and licenses were issued in 1966:

General License (Rubbish, keeping animals, Bakeries)	24
Day Nurseries (Temporary)	7
Removal or Transport Garbage or Offal	10
Septic Tanks	39
Burial Permits	236
Methyl Licenses	2
Milk Licenses (Store)	71
Milk Licenses (Vehicles)	18
Oleomargarine	21
Camps, Cabins, Trailer Coach Park and Motels	7
Massage	12
Beverages	1
Mfg. Ice Cream Frozen Desserts	5
Funeral Directors	6
Swimming Pools	27
Rubbish (Residents)	3,084
Rubbish (Trucks)	372
International Certificates of Vaccination	28

Fees collected and returned to the Town Treasurer for rubbish stickers amounted to \$7,339.00.

Our Veterinarian has inspected all barns and livestock therein in compliance with the Rules and Regulations as outlined by the Division of Livestock Disease Control.

A total of sixty-two dog bites through the office of the Natick Board of Health. Twenty-one dog bite reports involving dogs licensed in Natick came from Boards of Health of surrounding towns. The total of eighty-three dogs were examined, found to show absolutely no evidence of the contagious disease of Rabies, and were released from quarantine after the prescribed ten day confinement. Seven cat bites, two hamster bites and one squirrel bite were also reported.

In June, the annual Rabies Clinics were held under the direction of the Natick Board of Health. A total number of 1247 animals were vaccinated. The fees received was a total of \$623.75 which was returned to the Town Treasurer.

The head specimens of two squirrels, one rat, three skunks, one cat and ten dogs were sent to the State Laboratory at Jamaica Plain for analysis of Rabies. These reports were returned as negative.

All school children from grades one through six are examined by the Department's Dental Clinic located at the Center School. The Clinic is staffed by two part time Dentists and a Dental Assistant. Children requiring work may utilize the services of this clinic or go to their family Dentist.

Work at the Dental Clinic includes charting, fillings, x-rays, cleanings and the extraction of deciduous teeth when necessary.

The following is a breakdown of work done by the Dental Clinic for the year:

Operations	1900
Patients	843
Sessions	275

Fees collected and returned to the Town Treasurer totaled \$1,807.00.

The Health Department Laboratory under the supervision of our Director of Public Health was again approved and certified by the State Department of Public Health for the year 1966. Approval is determined by qualified personnel and up-to-date equipment plus yearly qualitative and quantitative examination of samples submitted by the State.

Dug Pond, Lake Cochituate and Non-Such Pond tested within Public Health Standards for water to be used for swimming purposes. The Charles River was again disapproved this year because of its high bacterial and color content.

The following is a summary of the activities, excluding administrative duties, for the Director for 1966:

Complaints (all types)	90
Consultations (drainage, disposal units, etc.)	125
Dairy Inspections	8
Final Inspections (disposal units)	43
Inspections (eating establishments, canteens markets, etc.)	150
Inspections (day camps, nursing homes, etc.)	32
Lot Surveys	68
Milk Samples	90
Percolation Tests	2
Progress Inspections (complaints, disposal units, etc.)	175
Swab Tests	60
Water Samples (beaches and drinking)	90

Twelve subdivisions were submitted to the Health Department for recommendations and approval. Each subdivision has to be surveyed by the Director and followed through with a write-up listing recommendations required by the Health Department. This write-up in turn is forwarded to all parties and Town Departments involved before approval is given to the subdivider.

The Mosquito Control Program is in operation throughout the year with weather permitting. The cleaning of brooks, culverts, bog holes and swamps is a continual program throughout the year. Proper cleaning of the above prevents mosquito breeding and stagnation which, during the summer months is the cause of odors. The Town was sprayed a total of five times by the Department's mist blower with a refined grade of Malathione. In various sections of Town, catch basins were also treated with this organic compound to eliminate mosquito breeding. All low swampy, stagnant water areas and the Town Dump were sprayed with oil. The portable fog gun is used in areas too treacherous to be done by foot and in areas not accessible by foot. Helicopter services were hired for the spraying and dusting of six large swamps in the confines of the Town of Natick. These swamps received one dusting and three sprayings by

helicopter. Aerial dusting is usually done before or shortly after the thaw to prevent spring hatching. Swampy frozen areas are usually dusted during the winter months by the Department's Mosquito Control Foreman. He also performs a continual rodent program at the Town Dump.

REPORT OF THE TRUSTEES OF THE LEONARD MORSE HOSPITAL

The Trustees are grateful to all those who have contributed so generously to the success of the Building Fund Drive this past year.

The main accomplishments this year have been the opening of the Intensive Care Unit, week-night coverage of the Emergency Room, acceptance of a cardiac monitor-defibrillator machine from the proceeds of the Carnation Ball sponsored by the Leonard Morse Hospital Aid Association, home-care physical therapy program, and the establishment of the Annual Service Pin Award Dinner for Hospital employees.

Throughout the year, the Trustees have worked diligently with the Town Meeting-appointed Building Committee, Hospital Departments, the Medical Staff, the Hospital Aid Association, the local Press, and all interested citizens of Natick in preparation for the Special Town Meeting. It is hoped that favorable action will provide new hospital facilities so that the Leonard Morse Hospital may continue to give excellent health care to the Townspeople of Natick.

As always, Town Departments, the Leonard Morse Hospital Aid Association and Volunteers have helped in innumerable ways to aid the Hospital and its patients.

The reports of the Administrator and the Treasurer follow and are to be considered a part of this report.

MARY R. LEAVITT, *Secretary*

As the Leonard Morse Hospital fund drive goes into the home stretch, Hospital Administrator Thomas Hennessey, Fund Chairman Francis Coan and Hospital Trustee George Hodgson pose on the steps of the present building

REPORT OF THE ADMINISTRATOR

For the Hospital Fiscal Year October 1, 1965, through September 30, 1966

Many hands and many skills are needed for today's hospital care. This annual report is intended to review a year of people who helped people; for a hospital's story is poorly told if it depicts figures, statistics, and graphs rather than sick people, newborn infants, and patients returned to normal activity.

During 1966 the Leonard Morse Hospital opened an outstanding new Intensive Care Unit by renovating an unused eight bed wing of Maternity to provide a six bed intensive nursing care area. Months of planning, special training for professional nurses and policy decisions by a physician committee resulted in one of the finest intensive nursing care departments in the State. The physicians, nurses, and technicians working in this new unit have literally saved a number of lives over the past four months. Although housed in a wood frame building, the equipment, appointments, and professional staff are second to none. The critically ill who come to Natick's hospital now have a better chance to regain their health than ever before in the hospital's sixty-seven year history.

"Code Blue" began simultaneously with the Intensive Care Unit. Should imminent death of a patient occur anywhere in the hospital, a physician-nurse team with mobile emergency drugs and equipment answers the "Code Blue" page over our public address system. Another chance for survival has been offered to every patient through this new program.

The comparative statistics show the hospital still at a saturation point in care of hospitalized patients. The medical and surgical beds were again utilized in percent of occupancy by an average of almost 89% throughout the year. Many days witnessed patients in corridors and daily occupancy in excess of 100%. Only Maternity showed a continuing decrease as part of the nation's dramatic decline in its birth rate. The various outpatient services, especially Laboratory, X-ray, and Physical Therapy registered new, higher records for the year. I sincerely wonder how our doctors, nurses, and technicians gave this volume of service with the space limitations pressed upon them.

We acquired additional modern equipment last year. Obsolete buildings do not mean that a hospital can sit still in the realm of providing the best equipment modern medical science can offer. At our Leonard Morse Hospital, for example, we purchased a new Flame-photometer for the Laboratory (to measure sodium and potassium levels in the body); a Rapid Cassette Changer in X-ray (to introduce advanced techniques in studies of the vascular system); an electronic Defibrillator for Surgery to shock a bad heart rhythm into normal pulsations, and numerous other dramatic items of equipment. Scarcely glamorous, but unfortunately necessary, was replacement of a 10,000 gallon heavy fuel tank next to our 1907 vintage boiler plant.

Again last year we had wonderful, dedicated personnel caring for the sick. Our housekeeping maids took personal interest in maintaining patient rooms. Our dietitians visited patients with understanding and sympathy for the food problems caused by special diets. Our nurses shared the joys and sorrows of patients who were human and reacted humanly to

their health problem. Our admitting personnel said welcome and began to help in any way possible as the patient entered the main lobby. Our thoroughly trained on-duty physicians now live-in at the hospital every week-day night as well as during the entire weekend. They responded to the emergency call several thousand times last year. The community was fortunate to have this kind of service around the clock every day.

Medicare is beginning to fill the few beds which have been available in past years. The impact will be severe — make no mistake. Our neighboring hospitals presently have frequent corridor beds in use. At the Leonard Morse Hospital the percent of patients over age 65 has risen 4.5% since July 1, 1966. Beds for the young are expected to reduce in availability as our older citizens use the wonderful benefit provided by the Federal Government.

With this change, a temporary financial problem has also developed. Cash flow at the hospital slowed markedly in the Fall of 1966. On July 31, 1966, \$2,740.00 of our Accounts Receivable (money owed to the hospital for services rendered) was from Medicare billing. On November 30, 1966, \$110,347.00 of our Accounts Receivable was from Medicare billing.

Last year the hospital ended the year with a net loss of \$63,218.94. Salaries and supply costs rose more rapidly than our increase in charges to patients could cope with. Our new annual budget has had to consider more realistically that sharp increases in wages and supply costs are ahead, and patient charges must be quickly geared to new cost inflation if we are to avoid such a deficit next year.

When we talk about hospital costs, we must understand that:

1. The hospital is the place where most of the advances of modern medicine are put to work saving and prolonging life.
2. To provide the amount and type of care the community wants and expects requires more and better prepared personnel as well as modern equipment.
3. The charges for hospital care are based on costs. No one receives any profits or dividends.

A Disaster Test in 1966 found the hospital's emergency receiving facilities unable to smoothly handle the fifteen to twenty simulated disaster victims. It is no comfort to realize that a one-room emergency receiving area was outmoded for Natick by 1939 but is still in use for this town of over 30,000 people. We have assembled under one roof a vast array of specialists in every medical field, skilled and experienced generalists, and a full staff of hospital personnel from registered pharmacists to inhalation therapists. However, the roof "leaks" and the walls are "cracking."

This annual report is made to the Trustees of the Leonard Morse Hospital who serve the community without pay and are elected by the people of Natick to direct the peoples hospital. To each Trustee I wish to say thank you for your encouragement, innumerable hours of committee work and compassionate consideration of the patients' needs.

Dedicated doctors organized under the Leonard Morse Hospital Medical Staff again accomplished the seldom recognized task of working through a necessary but complex Staff committee structure. They assure us of the highest possible quality of patient care.

The volunteers of our staunch Leonard Morse Hospital Aid Association

accomplished more for the sick than in any previous year of their fine history. Male volunteers also contributed several hundred hours of assistance. The Leonard Morse Hospital could not have accomplished this job of providing patient care without the valued assistance of the Natick Police Department, Fire Department, and Public Works Department. In fact, in some measure, every Town department gave service to our patients and helped us to do a better job.

In July of 1966 the Joint Commission on Accreditation of Hospitals told us, in writing, that we had excellent patient care standards and a well qualified medical staff, *but* we must in one year show evidence of a construction program designed to replace the obsolete physical plant they have warned about on previous surveys. There cannot be two kinds of hospital plants, excellent and mediocre. There can only be excellence. If I am sick I want the best. How about you?

THOMAS F. HENNESSEY, *Administrator*

Civil Defense

The Civil Defense program has been administered and directed throughout the past year on a day to day basis by the Personnel of the Fire Department. The Town of Natick's Civil Defense operations and equipment are rated with the best in the state. Natick's C. D. Headquarters are frequently visited by other communities seeking information for guidance in establishing similar systems.

C. D. radios and warning systems are maintained and tested each day to assure prompt notification of the public in case of any type of emergency.

Representatives of the Federal Government frequently visit and inspect Natick's facilities which have always met their requirements.

The success of the Town of Natick's Civil Defense Program is due largely to the combined efforts of the various Town Departments which respond unhesitatingly when emergency situations arise.

As Director, I would like to thank the various Town Departments that contributed their time and energy throughout the past year thus assuring that our C. D. Program is second to none.

JEREMIAH J. HEALY, JR., *Director*

Convoy of various Town Department vehicles returning from Boston with emergency Civil Defense supplies

Natick Industrial Council

The Natick Industrial Council reports that during the past year it has carried out, on a continuing basis, a positive and aggressive program in fulfilling the town meeting mandate — “to make available information concerning areas in Natick zoned for Industrial, Commercial and Business use and to meet with persons and concerns for the purpose of promoting the development of such locations.”

The active participation by the chairmen of town boards and commissions was a major factor in contributing to the vitality and unity of purpose in promoting thru open deliberation the endorsement and support of those proposals of industrial development interests that can best serve the Town of Natick.

During the past year ten regular business meetings and one special meeting were convened. Major consideration was given to four proposals concerning land use. Three of which received the endorsement of the Council and one resulted in the consideration of acquisition by the State of residential property in lieu of industrial zoned land.

The endorsement of the Poli-New England Theatres proposal has resulted in that firm's stated intention to build twin theatres in Natick some-

Natick Industrial Council: seated, James Carlin, Marvin Gould and Roland Genest; standing, Carleton Leavitt, Richard Robbins, Henri Prunaret, Donald Sims, Louis Nickinello, Francis Garbarino, Alfred Connell and James Luttrell

time during 1967. The Special Meeting has brought to the attention of the Massachusetts Board of Regional Community Colleges the qualification and advantages of locating a Community College within the Town of Natick. This is presently under consideration by the State site selection committee.

The Industrial Council considered several promotional and publicity projects. It was decided after considerable debate that the Council would sponsor with the assistance of a selected number of Natick participants a full page of Natick Industrial advantages in the *New York Times* Annual Industrial issue, thereby obtaining national publicity with maximum economy.

The Council shall continue its efforts to keep Natick the desirable locale for Industrial, Commercial and Educational development for the coming year.

Natick Housing Authority

Pursuant to Section 26U of the General Laws, the Natick Housing Authority, Town of Natick, Commonwealth of Massachusetts, submits herewith its Annual Report for the calendar year 1966.

For the past 16 years the fifty-two units of the Veterans' Housing Project have been operating successfully inasmuch as they have provided modern low-cost housing for Natick veterans who would find comparable commercial rentals difficult or impossible.

The monthly rent is based on a percentage of the tenants' monthly income as follows: families with less than three minor dependents, 18% of their income; families with three or more minor dependents, 14% of their income.

The wear and tear of time have had their natural effect on the Project, but all efforts are being made to retain it in as livable a condition as possible. For example, all twenty-six buildings will be exteriorly painted this coming spring.

Housing for the Elderly — (Cedar Gardens)

There are at present 92 units of Housing for the Elderly, located at Cedar Ave., in the High School area. These apartments are modern in every respect and provide for our senior citizens of limited income comfortable, low-cost living. This facility imposes no financial burden on the Town, since it is subsidized by the Commonwealth.

The Housing Authority is conscious of the needs and desires of the elderly folk and makes every effort to provide means of satisfying them; the Morse Institute bookmobile visits Cedar Gardens weekly, the Visiting Nurses Association has a representative available bi-weekly for dietary and general advice, a shuffleboard court has been installed in the spacious Community Hall, daily and evening card games are a common-place, etc.

The Authority wishes to express its appreciation to all Town departments and the veterans and fraternal organizations for their invaluable co-operation and assistance; a special expression of thanks to the Women's Clubs and Organization Auxiliaries who have, on so many occasions, entertained the elderly at Fleming Hall in the Community Building.

A substantial backlog of applications for admission to Cedar Gardens has spurred the Authority to act with unselfish dispatch in disposing of necessary preliminaries for the construction of new units. As a result of their interest and labors, 72 new apartments will be under construction in the immediate future.

At the Annual Meeting held in April of 1966, election of officers was duly held with the following unanimous choices:

Chairman	Edward J. Odell
Vice-Chairman	Robert J. Ryan
Treasurer	Dr. Vasil W. Petro
Asst. Treasurer	John A. Grady
Member	William J. McDermott

On January 6, 1967, Governor Volpe appointed Thomas L. Huddy as State Member of the Natick Housing Authority for a term to expire October 20, 1971. "Tom" replaces Edward J. Odell. To "Tom" a sincere welcome and to "Ed" a grateful thank-you.

During 1966, the Natick Housing Authority paid to the Town of Natick \$1,872.00 in lieu of taxes.

EDWARD J. ODELL, *Chairman*

DR. VASIL W. PETRO

WILLIAM J. McDERMOTT

JOHN A. GRADY

ROBERT J. RYAN

DAVID I. KENIRY, *Executive Director*

Dog Officer

As Dog Officer, I respectfully submit my annual report for the period ending December 31, 1966.

Investigation complaints	149
Lost dogs returned to owners	60
Stray dogs captured and disposed of after the time limit by Law	102

As Burial Officer during the year ending December 31, 1966, I was called upon to dispose of the following number of bodies which were killed by motor vehicles or died of disease or natural causes:

Cats	90
Dogs	78
Skunks	81
Squirrels	47
Muskrats	10
Birds	86
Raccoons	38

POMPILO ZULLO, *Dog Officer*

Planning Board

The work load of the Planning Board increased tremendously during the past year, resulting in the scheduling of 13 special meetings in addition to the 23 regular meetings.

Five public hearings were held and several sessions were held with other town officials and boards, including the Finance Committee; Board of Appeals, Board of Health, Recreation Commission, and the Town Counsel.

The Board attended meetings of the Massachusetts Federation of Planning Boards and met several Saturday mornings to inspect lots and subdivision areas in the town.

Normal business included the examination and final signature on forty-four plans deemed not to require subdivision-control approval. Also, the Board was required to take action on seven previously approved subdivisions, with hundreds of lots, which are still in various stages of construction and require bond estimates, reductions, releases, and release of lots from restrictions imposed by the Planning Board.

The Board gave final approval for 174 lots in four subdivisions during 1966. In addition there are more than 100 lots in seven subdivisions still in various stages of consideration from the preliminary plan submission to final approval.

Your Planning Board; seated, Elizabeth Bransfield, Carleton Leavitt, George Hazen, Jr.; standing, Charles Harden and Marshall Lebowitz

All meetings of the Planning Board are open to the public, and all members offer the fullest cooperation with other town boards and authorities in order to work for the best interests of the Town of Natick. The first meeting of each month at 7:30 p.m. has been set aside for the Building Inspector to consult with the Board on any questions or problems which might arise in the Building Department. Revised copies of the Building Code-Zoning By-Laws have been given to the Building Inspector for printing by the Building Department.

Six of the Planning Board-sponsored articles in the 1966 Annual Town Meeting, on which action was deferred, are being resubmitted, some with a change or two, in the 1967 warrant.

The Planning Board, after several conferences with representatives of planning-consultant firms, voted to retain the firm of Metcalf and Eddy as planning consultant for the purpose of preparing an application on the "701 Urban Planning Assistance Program"; such application to be subject to approval by appropriate State and Federal officials. This program is to include an updating of Phases I, II and III of the Master Plan of Natick and is to place emphasis on a Soil Survey. The application and proposal for Natick has been approved by the Massachusetts Department of Commerce, but submission for Federal approval is being held up because of a moratorium on such programs declared by the Housing and Urban Development Agency. This moratorium is expected to be lifted when additional Federal funds are made available, but a delay of approximately six months is anticipated.

The Planning Board wishes to express its thanks to all town officials for the cooperation and assistance extended during the past year.

CARLETON R. LEAVITT, *Chairman*

ELIZABETH A. BRANSFIELD
CHARLES M. HARDEN

GEORGE T. HAZEN
MARSHALL LEBOWITZ

Building Department

<i>Year</i>	<i>Employees</i>
1966	2 Regulars
	2 Part Time Inspectors and Deputies

The Building Department issued a total of 2,150 permits and received in fees the sum of \$13,975.11, which amount has been turned over to the Town Treasurer. These permits are broken down as follows:

New Building	103
Alterations	449
Electrical	621
Gas	473
Plumbing	364
Occupancy	140

Inspection of all elevators in the town are now being made by the State Inspector.

Although the number of building permits issued statewide in 1966 showed a marked decrease because of the so-called “tight money”, the Town of Natick showed an increase in 1966 over the number of building permits issued in 1965. However, due to the fact that very few permits were issued for commercial buildings the total amount of money received for New Building permits was less than that received in 1965. There was a marked increase in the number of other permits issued by the Building Department.

The Star Market, Natick Mall and Hoover building were completed this year, as well as the new Elks’ Home. It is expected that additional Housing for the Elderly will be started in 1967.

CHESTER E. JOHNSON, *Town Collector*

Committee Reports

HIGH SCHOOL ADDITION BUILDING COMMITTEE

In October the committee lost an esteemed friend and colleague in the untimely death of Joseph T. Wignot. Mr. Wignot's dedication to this project and his highly respected ideas contributed immeasurably to the task of the committee. We regret that he did not live to see the fulfillment of an enterprise in which he took so much active interest.

At the time this report is submitted the addition and renovations to the high school are approximately 98% complete. The new classroom wing, the new library, the expanded cafeteria, and some sections of the physical education area were occupied as they were completed during the year. The new science laboratories are expected to be ready in the early weeks of 1967. The use of the new planetarium has been delayed because the required "lean-back" type of chairs had to be specially fabricated. When the project is totally completed, a date will be set for our fellow townspeople to visit the addition and see these excellent facilities.

There remain some corrections which still need to be accomplished to the complete satisfaction of the committee. Too, not all the items of equipment and furnishings which are on order have been delivered. For these reasons, therefore, the committee respectfully requests that it be continued into 1967.

JOHN T. SCHOMER, *Chairman*
IDA C. EVANS

MILDRED G. PRUNARET
ROBERT C. YARDLEY

KENNEDY JUNIOR HIGH BUILDING COMMITTEE

A court litigation, of which the Town of Natick is not a party but is indirectly involved, has delayed the committee from concluding this project and making its final report. At the present time there is a court order restraining the building committee from paying to anyone a sum of \$4000. The Town Counsel is in the process of removing this court order as expeditiously as possible in order to free the funds and permit us to return the unencumbered balance of the appropriation to the general treasury of the town. We are hopeful that this can be accomplished prior to the Annual Town Meeting.

Until this matter is finally resolved, the committee requests that this report be considered as a report of progress and asks to be continued.

MYRON J. DOUGLAS, *Chairman*
PAUL S. AMBLER

MARGARET D. HORTON
MINOT B. MACDONALD

TOWN MEETING MAP COMMITTEE

This committee was appointed under Article 20 of the Annual Town Meeting of 1958 and met several times during 1966 for the purpose of preparing a three-colored map for the Annual Town Meeting.

The committee believes that this map and map service are helpful to all town meeting members as well as to the various town boards.

The committee also wishes to thank the Engineering Division of the Public Works Department for their assistance in the preparation of this map and respectfully request that the committee be continued and the sum of \$200.00 be appropriated for its use.

GEORGE T. HAZEN

DANIEL J. O'LEARY

COMMITTEE TO STUDY WAR MEMORIALS

The Honor Roll has been completed with over 2,700 names. This committee has been on the job for over 21 years.

Now that the work has been completed, this committee should be discharged.

BACON FREE LIBRARY MAINTENANCE COMMITTEE

The Committee appointed under Article 12 of the third session of the annual town meeting, March 27, 1956, for the maintenance of the Bacon Free Library is pleased to report that the flashing on the roof of the southerly wing has been repaired and a screen has been put over the down spout to keep pigeons from nesting. The Library was closed for one week in July for the painting of the interior walls, ceilings and shutters, also the heating boiler was chemically cleaned and flushed.

The Committee requests the acceptance of this report of progress and asks to be continued.

ARNOLD W. HUNNEWELL, *Chairman*

CHARLES H. PFEIFFER
MARION C. PFEIFFER, *Secretary*

ROBERT M. WHITE
ROBERT W. EISENMENGER

WILSON JUNIOR HIGH BUILDING COMMITTEE

The legal difficulties regarding the Wilson Junior High School have been settled by Atty. Francis Sullivan.

The School was finally accepted by the School Committee in September 1966. All reports and files are in the office of the Superintendent of Schools and final reports to the School Building Assistance Committee have been submitted by Mr. William Carey.

The committee therefore wishes to be discharged.

ALVIN W. CRAIN, *Chairman*

EDITH M. TRIPP

SIDEWALK STUDY COMMITTEE

The Sidewalk Study Committee was established under Article 35, Section g of the Annual Town Meeting, 1962, and continued at all subsequent Annual Town Meetings for the purpose of studying the necessity of sidewalks on main roads and in the vicinity of schools. As the population and

the traffic of the Town increase, there is a continuing need to review streets to assure minimal safety for school children and other pedestrians.

The 1966 Annual Town Meeting passed our recommendations for sidewalks on the corner of Pine and North Main Streets, on Speen Street from Hartford to Crescent Streets, on Mill Street from West School to West Central Street, and on West Central Street from Mill Street, west to the next intersection. Our sidewalk recommendations for all of these streets have been endorsed by the Police Department and the School Committee.

The Pine and North Main Street corner and the Speen Street sidewalks are constructed or under construction. Engineering difficulties have delayed the Mill and West Central Street sidewalks.

The Committee is conducting special studies regarding sidewalks on Grove Road and on Speen Street between West Central and Pond Streets.

There is a continuing need for rapid clearance of snow from sidewalks to curtail use of roadways by school children, and the Committee endorses any request by the Board of Public Works for acquisition of sidewalk clearance equipment.

The Committee respectfully requests that this report be accepted and, in order to continue its studies and assist in implementing its recommendations, asks that it be continued.

JAMES P. POWERS, *Chairman*

HELEN B. GALVANI

THOMAS L. HUDDY

VIRGINIA TARTAKOFF

CHRISTMAS DECORATING COMMITTEE

The Christmas Lighting Committee continued with the third phase of the three year plan approved in 1964. In addition to the post fixtures on light poles from Moran Square to southwest corner of the Common on Main Street, Washington Street, East Central Street, North Avenue, fixtures have been placed this year on South Avenue, South Main Street, West Central Street, and additional fixtures were placed on East Central Street.

Christmas trees in various locations throughout the downtown area were lighted. The Committee spent many hours planning to obtain the proper Christmas lighting effect. This year's Committee worked closely with the Natick Garden Club and used the permanent evergreen planting in Moran Square. The addition of trees decorated in solid blue lights in the Common received widespread favorable comments.

The Municipal offices, Churches, banks, stores and business offices again cooperated with the window candle lighting. The trees at the Police Station were lighted again this year and additional candles were placed at the Library. In addition to the \$2,000 allocated this year, three banks have donated funds to provide a Santa and candy for children during the Holiday Season.

DANA B. HASTINGS

ROBERT H. O'BRIEN
RICHARD H. KNIGHT

LONG RANGE SEWERAGE PLANNING COMMITTEE

The primary functions of the Sewerage Planning Committee are: 1) to review sewerage construction priority scheduling and financing, 2) to review application of the unit method of sewerage cost apportionment and 3) to take other actions as necessary in further meeting the sewerage needs of Natick.

The Committee's work this year has involved review of the priority schedule, the Farwell Street Project, functioning of the unit method, use of Federal funds, easement problems, and extension of trunk mains.

1. SCHEDULING AND FINANCING

If Town sewerage extensions proceed at the same rate as they have over the last ten years, it will take an additional forty years to sewer the Town. The Committee's recommended priority schedule is based on the premise that the entire Town should be sewered by 1980. This will require an expenditure of approximately \$550,000 per year at 1966 prices. The Town's share under the betterment legislation (25 percent or \$137,500 per annum) would have been approximately 80 cents on the 1966 tax rate.

The East Natick project, scheduled for this year, was not initiated since the Federal funds applied for were not received. Since the Farwell Street area petitioned for sewerage and the Board of Health found a health problem existed in the area, the Committee recommended this project, which was fourth in the priority schedule, to facilitate completion of the sewerage system by 1980. The following revised schedule is proposed for the next six years:

SCHEDULE OF SEWERAGE PROJECTS BY YEAR
(Costs in 000's — 1966 dollars)

<i>Project and map reference</i>	1967	1968	1969	1970	1971	1972
1. East Natick (21-24, 37)	\$2,050	—				
2. South Natick (18-north of River)		\$45*	\$550			
3. Union Street (29) Lake Cochituate north (3, 36)		11*		\$100 377		
4. Lake Cochituate south (7, 8, 31)				33*	\$384	
5. West Natick (10, 32-34)					44*	\$546
*Engineering fee						

The large East Natick project, originally scheduled over a three year period, is now scheduled as a two year project with bonding to maintain the 1980 completion date for sewerage the Town.

2. APPLICATION OF UNIT METHOD

In reviewing the unit method as it has been applied, it is functioning with fewer problems than anticipated for a new approach in cost apportionment. The past inequities of wide fluctuations in cost between individual properties in a given area have been eliminated and developable lands are now apportioned the costs for those facilities — pumping stations, force mains, etc., which will serve them in the future. The work load on the D.P.W. engineering staff has also been reduced.

Two sources of complaints have arisen. One is the apportionment of general benefit costs to lands which the owners do not feel can be developed (ledge conditions etc.). This situation also existed under the previous front-foot method of apportionment. Procedures exist under Chapter 83 of the General Laws which extend the time of payment for lands not built upon. Interest has to be paid in such situations however. Under the betterment legislation (Chapter 80 of the General Laws) under which the unit method operates, abatements may be granted. Appeal procedure is also available through the Superior Court.

The other complaint arose in regard to the difference in unit costs between pumping districts. This was especially noticeable in the Farwell Street area with abundant ledge where the unit costs were in the \$1300 range compared to the \$600 range in the Natick Farms area. The same situation would have existed under the previous front-foot method except there would have been extreme fluctuations between properties. If the Farwell Street area had been combined with another district however as proposed in the priority schedule, the costs would have been more equalized.

A suggestion has been made that a flat fee be used for each unit throughout the entire Town so that cost would not vary between pumping districts. The Committee does not recommend the flat fee due to the de-

tailed and expensive engineering analysis would have to be undertaken each year to maintain realistic costs. If the Town were willing to accept an arbitrary flat fee based on past experience with the unit method, this method could be used, but the Town should be prepared to assume the difference in costs for those pumping districts exceeding the average flat fee. The Committee favors following the priority schedule which combines pumping districts, thus equalizing the costs between districts.

3. OTHER ACTIONS

One of the previous considerations of the Committee was the extension of trunk mains into unsewered areas in order that on-site sewer systems would not be necessary at the time of the original construction of a development. It was decided that funds could be better utilized by extending sewerage by pumping districts, serving those most in need first and gradually working into the less developed areas.

The Committee thanks its previous secretary, Mrs. Eileen Cornell for her untiring efforts in various phases of the Committee studies. It is requested that this report be accepted and the Committee continued.

LEONARD MORSE HOSPITAL BUILDING COMMITTEE

Over the past year the Building Committee has met many times as a group and has also held meetings with members of the Medical Staff, Heads of Departments of the hospital and the Administrator. Professional estimates were received late in August; plans and specifications were completed in early December and are out for bid at the time of this writing.

We are anticipating an early Town Meeting in 1967 before which more information will be made available.

THE TOWN BY-LAWS COMMITTEE

At the Annual Town Meeting of 1958, under Section G of Article 20, there was created the following committee:

A Committee of five consisting of the Town Counsel and four other members authorized to study and revise and recommend a rewriting and recodification of the Town By-Laws.

In the Town Report of 1958 the originally appointed committee stated that when the tasks described above "are completed and acted upon by the Town, a complete republication will be indicated."

This first committee consisted entirely of lawyers who began the arduous task of reviewing the patchwork of Natick's By-Laws. There was no report in 1959, but in 1960 the committee reported the resignation of one of its members and the slowdown resulting from this. During the next two years there were some changes in membership. Work continued, and the 1962 report (printed early in 1963) anticipated submission of the proposed revision to the 1964 Annual Town Meeting. Of particular interest was the committee's statement that it would confer with the various Town Officials and Departments involved, obtaining departmental recommendations and critiques, before submitting an Article.

In 1963, the Board of Selectmen ruled that the By-Laws Committee members were to be classified as Regular Municipal Employees under the "conflict-of-interest" law. This resulted in the resignation of most of the then members. The time required for replacements to be appointed, for the new members to review the work which had been done and to carry the task to conclusion delayed the hoped-for presentation to the Town Meeting by almost two years.

The Committee's report for 1964 (printed early in 1965) indicated its expectation that the proposed revision would be ready within a year, and by the fall of 1965 the work was completed. This would not have been possible without the conscientious effort of Mrs. Eileen M. Cornell, who acted as Chairman and Secretary, spending uncounted hours with Town Officers, Departments, and Committees; corresponding and meeting with officials in other towns; and steering the By-Laws Committee through the complex schedules of its individual members. The Annual Town Report of 1965 explains briefly the procedure followed, and various of the By-Law changes proposed.

The revised By-Laws were referred to the By-Laws Committee at the Annual Town Meeting of 1966, in the expectation that the subject would be taken up at a Special Town Meeting to be held a month or two later. This was not done and the Committee is therefore submitting a somewhat modified Article to the 1967 Town Meeting. It is now nine years since the Town Meeting asked for this report and the Committee hopes that the total effort given to the proposed By-Laws will be accorded serious consideration.

TOWN MEETING SITE STUDY COMMITTEE

On Sunday, March 13, 1966, sixty-eight Town Meeting Members availed themselves of the tour by bus to the twenty-eight sites under consideration at the Town Meeting. Two buses were utilized and applicable details of the individual sites were described by members of the Town Boards sponsoring or ruling on the various related articles. The tour was arranged by the Committee over several meetings, utilizing town maps and street directories.

Each Town Meeting Member in attendance received a personal copy of the tour itinerary, consisting of the list of sites in the order of scheduled

stops, the number of the related Article, a short description of the subject matter, and the name of the sponsoring agency.

JOHN H. CARR, *Chairman*

OSCAR A. ZULLO

GORDON W. MCKINNEY

TOWN FOREST COMMITTEE

The Town Forest Committee reaffirms its "Statement of Policy," that the prime purpose of the Town Forests areas be directed to the culture and care of a natural area, and that these areas be available for recreational uses to the degree that such purposes do not encroach upon their natural conditions.

The water storage facility in the Hunnewell Memorial Town Forest voted by the 1965 Annual Town Meeting has been completed. The Committee has made efforts to see that reforestation has been done, roads re-opened and the sun dial replaced as part of the Science Park established many years ago. Our thanks to the Department of Public Works, Haley and Ward, Engineers and Natco Co., Contractors, for their successful work in restoring this section of the Forest to its former appearance.

A meeting was held with the Conservation Commission to discuss the immediate and long-range plans of the Town Forest Committee which are of mutual concern to both committees.

Many groups have made use of the Town Forest for educational and recreational enjoyment, such as the Wellesley Conservation Council who recently made a tour through the area.

The Town Forest Committee has submitted an article for the March 1967 Annual Town Meeting in an effort to acquaint the people of Natick with the Town Forest lands and to help preserve and maintain the safety and natural beauty of the area. The Committee proposes to erect signs marking the three main entrances to the Town Forest, erect signs prohibiting dumping and unauthorized campfires within the Forest and the filling and grading of roadways in specific areas where it is needed.

We appreciate the cooperation we have received from the Recreation Commission, the Forestry Department and private groups and citizens.

It is hoped that greater community interest in the Forest lands will aid in gaining support for gradual development and improvements in the areas.

GEORGE H. WALLACE, *Chairman*

MARY E. GETCHELL, *Secretary*

RICHARD A. ROBBINS

NATICK VOTING MACHINE STUDY COMMITTEE

The Committee

The Committee was originally established under Article 35 of the 1962 Annual Town Meeting, and last continued under Article 62 B of the 1966 Annual Town Meeting for the purpose of continuing the study that it started in 1965, as well as to assist in implementing its recommendation for the one year lease of Voting Machines, voted under Article 59 of the 1966 Annual Town Meeting.

Harry G. Feldman was appointed to the Committee to replace Joel S. Poley, resigned. The other four original members continued for a second year.

Equipment Delivered

The one year contract for leasing 40 Voting Machines, which provided for the free loan of 17 additional units, was approved by the Voting Machine Study Committee June 8, 1966, and signed for the Town, July 12, 1966. The equipment was delivered in mid-August.

Instruction Provided

Machines were set up in a number of locations throughout the town in order that Natick voters could familiarize themselves with their operation. This instruction prior to the Primary and State Elections was made possible through the cooperation of several local Banks and the Town Clerk's office. Citizen participation in this program was disappointing.

Voter Acceptance

Preliminary tests taken at the time of the Voting Machine demonstration at the Special Town Meeting on November 10, 1965 seem to indicate that Voting Machines would be accepted by the younger and middle age groups, but there appeared to be a certain amount of opposition by older people. However, in actual practice, based on interviews with a sampling of Senior Citizens, we found that, on the whole, they were more enthusiastic than the younger people. This latter group seemed to accept the change to automation as a sign of natural progress. There were complaints about the operation of the equipment, but in each known instance the Committee answered the complaints in person and in the press. Therefore, it can be said that there was high voter acceptance of Voting Machines at the Primary Election, September 13, 1966, and at the State Election, November 8, 1966.

Technical Performance

Other than the usual problems which result in the starting of any new and completely different system with the personnel accustomed to a previous operation, the equipment was very satisfactory in its operation. Final returns were made many hours before they have been in comparable elections in the past. A power failure occurred at one of the Precincts in the State Election which delayed final processing, however, this was no fault of the Voting Machines.

Continuing Study

The Natick Voting Machine Study Committee made an in depth study of the operation of the polls at the State Primary Election and State Election at the eight Polling Places in Natick. Particular attention was paid to seven factors, which included Voter Instruction, Poll Worker Knowledge, Number of Poll Personnel, Police Protection, Voting Place Lay-out, Voter Waiting, and Warden Efficiency.

After the Primary Election the Committee made several suggestions in the areas of Voter Education, elimination of check-out, and utilization of an in-line lay-out where possible. These suggestions were accepted by the Town Clerk's Office and implemented at the State Election. The Survey conducted at the State Election prompted further suggestions as follows: (1) remedial action in regard to a proper voting location for Precinct 8, (2) make study to see if facilities at ALL PRECINCTS are adequate for Voting Machines (storage of voting machines seems to be a problem at several precincts), (3) investigate to see if facilities adequate in case of voting delays, (4) arrangements for a continuing study of the functioning of future Elections.

Save for the voting delays that were experienced quite generally and the unfortunate combination of circumstances that developed at Precinct 8 at the State Election, it was felt that the 1966 Primary and State Elections operated satisfactorily in Natick, which is a tribute to the Town Clerk's Office and the representatives of the Automatic Voting Machine Corporation.

Drawbacks

The primary drawbacks to the equipment appear to be storage and moving of the equipment prior to and after Elections, and Voter Waiting.

The Committee anticipated some rush hour back-up and delay at the Polling Places. However, they did not foresee a problem of the proportions that developed at the State Election.

Three factors, they feel, contributed to the problem: the newness of the equipment, the complexity of the referendum questions, and the 82% voter turnout. However, reports of peak hour delay were received from many areas where paper ballots were used including Dedham, Framingham and Wellesley. So, the problem was not typical of machine towns.

In future elections, it is anticipated that through experience and education by the Press there will be a greater awareness of peak voting hours and persons who are able will vote at non-peak hours.

Savings

The Committee feels that any effort to assess any actual or potential savings to the town as a result of the conversion to Voting Machines would be unrealistic at this time due to the fact that we have only the experience of two elections to go on. However, it is interesting to note that the State Election employed only 76 workers, which is 44 fewer than the number used in the comparable election two years previous. Since it must be realized that it takes time after any system change before potential savings show up, it is felt that more time is needed before any determination of actual savings can be made.

Recommendation

A majority of the Committee feels, based on Voter Acceptance, that Voting Machines are here to stay. They are proud that Natick has been an area leader in the field of automatic vote tabulation. The Voting Machine

Study Committee feels confident that they will be able to negotiate the same type of favorable agreement that they negotiated for 1966.

Conclusion

In fulfilling its assigned responsibilities, the Committee has submitted an Article for the Warrant for the 1967 Annual Town Meeting with respect to Voting Machines.

The Committee respectfully requests that this report be accepted, asks to be dismissed, and suggests that a new committee be appointed by the Moderator.

Minority Report of Voting Machine Study Committee

I hope that this report meets with the approval of the majority of town meeting members. I feel that, based on the following reasons, the town will stand to save thousands of dollars for expensive machinery which will be replaced by much less expensive equipment in the near future.

1. The cost of the A.V.M., for cash, is approximately \$2,000 per machine. The total number of machines as allocated by the Voting Machine Study Committee is completely inadequate to meet the needs of the town in a state or federal election. At peak voting hours, there can be an anticipated wait of a minimum of 30 minutes to an hour and a half, as shown in the state election of 1966. The normal voting habits of people cannot be changed regardless of any future educational program in that vein. If enough machines were added to give a relatively short waiting time, we would have to have at least triple the amount of machines needed at each precinct. Let me point out at this time that there were 2 machines more at each precinct than the committee authorized, these extra machines being donated by the A.V.M. Company. Think of the added problems the lack of these extra machines would have caused.
2. These machines do not take into account the physical problems of certain people. The very short voter cannot reach the top line, much less read it; the almost blind, who can see a paper ballot by holding it close to their eyes, are only two of the problems. Consider also the people who will be disfranchised who must get a baby sitter or, even worse, take the little ones with them and stand in line and wait, or the elderly people who cannot stand for any extended length of time.
3. The accuracy of the machines cannot be disputed. However, in relation to costs, the accuracy, as shown by 3 recounts one year ago of paper ballots, is not far from that of the machines.
4. The electronic machine test in the town of Braintree in March, 1966, was to all intents and purposes, quite successful. It did, of

course, have its electronic difficulties, but it did not cause any voter resentment by means of long lines and long waits. At this time (December, 1966), the resulting enabling legislation is in a state of limbo, inasmuch as the Senate ways and means committee has killed this permissive legislation for 1966. I feel that this bill will be passed in the very near future. These electronic devices, that is the actual voting part of it, should cost about \$200.00 per machine.

5. The proposed savings to the town in actual dollars is almost a myth. The town clerk has informed us that there were 44 counters and other personnel saved during the state election, 1966. The total number of dollars saved by the town was about \$725.00. This figure was reached by multiplying the number of people (44) by 10 hours (a very liberal figure) by \$1.65 (hourly wage). In the 1962 state election, there were 203 workers. In the 1964 state election, there were 193 workers. Using 200 as an arbitrary figure for a state or federal election, and using a saving of possibly 50 people, again arbitrary, we might save up to \$1,000.00 per state or federal election. Using figures supplied to us by the town comptroller, I point out to you that, using a 25% reduction of precinct workers, the town would have saved:—

<i>Tn. Prelim.</i>	<i>Tn. Elec.</i>	<i>St. Pri.</i>	<i>St. Elec.</i>	
\$250	\$800	\$300	\$1,000	1962
\$250	\$650			1963
\$250	\$750	\$400	\$200	1964
\$250	\$650			1965

Using 4 years as an average cycle, we find that each year we have saved an average of \$1,700.00 per year for all elections. At this rate, the A.V.M. will pay for themselves in about 50 years, assuming that we buy only the legal minimum of one machine per 400 voters. Any machines over the minimum will add about one year per machine.

6. Costs that we have not gone into at all in this discussion:
 - a) Moving machines from storage to precincts and return.
 - b) Insurance on the machines.
 - c) Parts for repair and maintenance.
 - d) Availability of parts and manpower during election.
 - e) Costs of financing the machines.

In summary, I would hope that: because of the very high cost of the machines; the inadequate number of machines; the human element; the possible enactment of legislation allowing other types of voting devices, and the number of dollars that we would not be saving, the town meeting vote indefinite postponement on the article dealing with the purchase of the Automatic Voting Machines.

TOWN OFFICE BUILDING STUDY COMMITTEE

Your committee met several times this year in an effort to evaluate costs per square foot, type of construction plus sites to be utilized.

At one meeting, we were fortunate in having the services of a consultant. However, further involvement with professional advisors will require payment for services. To obtain these services, we are requesting a small amount of money at Town Meeting to continue work in the expectation we can bring a definite proposal to the 1968 Town Meeting.

Late in the year, we became aware of a second committee, Appointed by the Selectmen, to investigate the possibility of converting the Center School into a Town Hall. We hope to work out a basis for cooperation with this committee in the future.

TOWN GOVERNMENT STUDY COMMITTEE

Under Article 67 and 68 of the annual Town Meeting of 1965, a new Town Government Study Committee was appointed in January, 1966. This committee met a few times in February and considered methods of studying town government. Then due to resignations, the committee was inactive until September, when it met and was reorganized and new appointments were made. Since then, the committee has considered all the previous reports of the Town Government Study Committees and their own studies and submits the following report:

The goal of our committee could be called the 3 C's: cooperation, coordination, and consolidation, along with a 4th C, centralization, as the ultimate goal, both in authority and physical aspects to help the other three C's function as efficiently as possible. Our findings that merely to increase the Board of Selectmen to five members, or to create an Executive Secretary without a resulting consolidation of authority, is to play a game of numbers which would not benefit the town or improve the efficiency of the government in its daily activities. Historically over the years in almost all towns as they grew, the powers that once were invested in the Board of Selectmen have been put into other boards. This is true in Natick where we have 16 separate and independent units of government rather than having a government of one coordinated unit. Cooperation between various boards is not required, but thankfully is often realized. However without consolidating some of the authority into one board to insure guidelines and follow through for cooperation and coordination, greater efficiency cannot be achieved. Therefore it is logical to enlarge the authority of the Selectmen. The question then is how or what to consolidate into the Board of Selectmen. This would be our primary purpose of seeking a professional survey of the policy making boards of the town. With a study showing the actual administrative set-up of the town along with different ways of organizing the functions, we would be better able to choose one which would suit Natick best. Whatever the recommendations may be, they could be incorporated to allow an orderly transition. Because of the effects of the Home Rule amendment passed this year, there could be more

flexibility in any plan. This administrative study could be thought of as a long range plan to find the most efficient and economical structure of government for Natick.

We agree, that before we submit an article for this survey, there is a need for public education and discussion on the problems and necessity for any change in the structure of town government. For this reason, we ask that this report be accepted and the committee continued.

Annual Town Warrant

WARRANT FOR NON-PARTISAN PRELIMINARY ELECTION — 1966 THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet:

The Voters of Precinct No. 1 in Center School Auditorium.
The Voters of Precinct No. 2 in School House Hall, South Natick.
The Voters of Precinct No. 3 in Brown School, West Natick.
The Voters of Precinct No. 4 in Congregational Church.
The Voters of Precinct No. 5 in Lilja School (Oak Street), East Natick.
The Voters of Precinct No. 6 in Bennett-Hemenway School, North Natick.
The Voters of Precinct No. 7 in Harold H. Johnson School.
The Voters of Precinct No. 8 in West Natick School.

MONDAY, FEBRUARY 7, 1966

at 12 o'clock noon, at which time in all Precincts of said Town of Natick, the polls will be opened and will remain open continuously until 8:00 p.m. of said day, when they will be closed, during which time the aforesaid qualified inhabitants of said Town may bring in their votes to the Election Officers, duly appointed and sworn for said Precincts for said Town of Natick in said meeting so assembled for:

One Moderator, one Town Treasurer, all for one year; Also one Selectman, one Assessor of Taxes, one member of the Board of Public Welfare, two members of the School Committee, one member of the Board of Health, one Commissioner of Public Works, one Town Collector, one Recreation Commissioner, all for three years; also one member of the Planning Board, one member of the Housing Authority, all for five years; also one Trustee of the Leonard Morse Hospital for seven years; also one member of the School Committee for two years, to fill the unexpired term of Roger D. Williams, resigned; one Trustee Morse Hospital for one year, to fill the unexpired term of Lorraine D. Nelson, resigned.

All ballots to be furnished by the Town and the election will be conducted according to the Australian system, as enacted in Massachusetts, and in conformity with the election laws of said Commonwealth.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole No. 144 on No. Main Street, opposite Pine Street, North Natick; on No. 15 at intersection of Everett and Cottage Streets, Little South; Drug Store at south east corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said February 7, 1966; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald" and "The Natick Bulletin" said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 17th day of January A.D. 1966.

Adjourned.

A Record of the Proceedings, Election Day.

ALFRED L. CONNELL

Town Clerk of Natick

A true copy.

Attest:

ALFRED L. CONNELL

Town Clerk of Natick

ANNUAL TOWN MEETING, 1966

SECOND SESSION, MARCH 15, 1966

Meeting called to order by the Moderator at 7:35 P.M. and stated that there was a Quorum present.

Invocation delivered by Father Shea.

Remarks by Mr. McGee

“James H. Fleming”

Our late Town Clerk, the beloved James H. Fleming, will long be remembered by all of us for many things — too numerous perhaps for me to enumerate in these few moments, but I think it is indeed fitting and proper for us, assembled here this evening to begin our deliberations of the annual warrant for the calendar year 1966 to pause and pay tribute to this man — a tribute so richly deserving, yet never sought by him while living and working in our midst.

It is fitting too, I believe, as we pause and reflect on his deeds, that we resolve to dedicate this particular Town Meeting to his memory.

Jim Fleming, was born in Ireland but came to this country as a youngster, settled in Natick and attended schools here and after furthering his education at a Boston business school, he worked for many years in the grocery store of Patrick Doherty.

In 1918, Jim was elected Town Clerk and served continuously thereafter until his death on March 2, of this year, just two weeks ago. One does not fully comprehend such a span of time until he relates it to other events. I relate it to my own life, and then I realize that I have never, prior to his death, known another Town Clerk of Natick, for he was first elected a few months before my own birth, and perhaps this is the reason for my wonderment of, and respect for such a long record of devotion to duty and achievement of purpose.

Throughout, I've referred to our late Town Clerk as "Jim" for that is the way he would want it. Many of you have undoubtedly had similar experiences as mine. Being in his office when someone would come in and say "Hello, Mr. Fleming," right away his hand would be raised, and he would say "Wait a minute, wait a minute! Mr. Fleming is not here today" and then with a smile, "but Jim is — now what can I do for you?" How better can I tell you of his kindness, friendliness and helpfulness than those words impart.

Though serious and dedicated in all his endeavors he had the presence of mind always to make one feel welcome in his office. For instance, a youngster coming in for a dog license would be greeted with: "Well Sonny, you're just in time, we have only one left today and I've saved it for you — you can have it if you hurry — just go into the next room and the lady in there will get it for you. . . ."

Jim was a good and kindly man, a religious man, a wonderfully devoted and conscientious public servant, who was loved by all who knew him. I'm sure that all of us and those who will follow us, can, in some way, benefit by the lesson of his life.

And now, as a token of the respect and affection in which the memory of our late Town Clerk is held among us, let us stand and in silent meditation, typify what mere words cannot express.

RESOLUTION

WHEREAS, Edwin O. Swenson has provided faithful, outstanding, and immeasurable service to the citizens of Natick for eighteen consecutive years during which time he has served as a Town Meeting member, on the Board of Registrars, as a member and former chairman of the Board of Selectmen, and as a member and former chairman of the Finance Committee, and

WHEREAS he has also been an effective participant in many other community activities,

NOW, THEREFORE, BE IT RESOLVED: That the citizens of Natick, by their representatives in Town Meeting assembled, express deep appreciation to Edwin O. Swenson for his generous and exceptional services to the Town of Natick, and that the Town Clerk embody our action in the records of this meeting and convey this Resolution and action to Edwin O. Swenson. This Resolution was unanimously adopted.

Voted, to waive the reading of the Warrant Articles.

The Finance Committee reported through its Secretary, Mr. Joseph J. Donovan.

ARTICLE 1 (Personnel Board)

To see if the Town, pursuant to the authority contained in Section 108A of Chapter 41 of the General Laws, will vote to amend the By-Laws by adding to Article VIA, Section XIV, a new paragraph deleting certain position titles, adding new position titles and effecting certain changes in the salary ranges as presently established and will provide the money necessary therefor.

The Personnel Board recommends that pursuant to the authority contained in Section 108-A of Chapter 41 of the General Laws, vote to amend its By-Laws in Section XIV of Article VI-A Employees Classification and Pay Plan, by substituting for the present Official Pay Plan, a new Official Pay Plan as follows:

ARTICLE 17 — TABLED
(Town Comptroller)

ARTICLE 18
(Town Comptroller)

To see if the Town will vote to raise and appropriate, or otherwise provide, such sums of money as may be required for the payment of Unpaid Bills of previous years incurred by the several departments, Boards, and officers of the Town.

Voted, unanimously, that the Town vote to appropriate the sum of \$381.20 from the Current Tax Levy as follows:

\$ 25.00 for the purpose of paying an unpaid bill for the year 1965 for postage stamps purchased by the Council for the Aging, and

- 10.00 for the purpose of paying an unpaid bill for the year 1965 for repairing a light in the Town Clerk's Office, and
346.20 for the purpose of paying an unpaid bill for the years 1964 and 1965 for vacation not taken; two weeks (\$230.80) in 1964 and one week (\$115.40) in 1965 for the former Building Inspector.

ARTICLE 19
(Board of Selectmen)

To see what sum of money, if any, the Town will vote to appropriate to settle claims for damage pending against the Town in which the claimants are willing to accept the sums recommended by the Selectmen, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$500.00 from the Current Tax Levy for the purpose of settling two claims for damage pending against the Town.

ARTICLE 20
(Town Treasurer)

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or otherwise act thereon.

Voted, unanimously, that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967 and to issue a note or notes therefor, payable within one year and renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 21
(Town Comptroller)

To see if the Town will vote to appropriate a sum of money from available funds for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961, as authorized by Chapter 40, Section 5B of the General Laws, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$100,000.00 from the Current Tax Levy for the purpose of supplementing the Stabilization Fund, created under Article 22 of the Warrant for the Annual Town Meeting of 1961, as authorized by Chapter 40, Section 5B of the General Laws.

ARTICLE 22
(William C. Wright, Jr.)

To see if the Town will vote to form a committee of seven citizens of the Town, none of whom shall hold an appointive or elective office, position, or employment in the Town of Natick to evaluate the organization, administration and operating procedures of each and every department of the Town of Natick. Said Committee shall submit annually until completed, a written report of their findings with recommendations to the Board of Selectmen, prior to the deadline for insertion in the Annual Report of the Town of Natick (1966), or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 23
(William C. Wright, Jr.)

To see if the Town of Natick will vote to raise, appropriate, or otherwise provide a sum of money for the Board of Selectmen to engage impartial professional

municipal consultants to assist them in conducting an investigation into the organization, administration and operating procedures and equipment needs of the Natick Police Department, said consultants to submit a written report to the Selectmen to be presented by the Selectmen in its entirety to all Town Meeting members on or before the next annual Town Meeting pursuant to the authority granted the Board of Selectmen under Chapter 41, Section 23B, of the General Laws of the Commonwealth of Massachusetts or act on anything relating thereto.

Voted, Indefinite Postponement.

ARTICLE 24
(Sidewalk Committee)

To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, one half of the sum of money required to provide for the construction of sidewalks at the locations listed below. Not less than 50% of the total betterments are to be charged to abutters in accordance with town by-laws.

The west side of Mill Street from the entrance to the West School to West Central Street	\$ 1,000.00
The south side of West Central Street from Mill Street west to Wellesley Avenue	3,000.00
The east side of Speen Street, from Route 9 south to the Boston & Albany Railroad Bridge	12,000.00
The Corner at Pine and North Main Street from the Dairy Queen property around to the sidewalk on the south side of Pine Street.	400.00
Total	<hr/> \$16,400.00

Voted, Indefinite Postponement.

ARTICLE 25
(Department of Public Works)

To see what sum of money the Town will appropriate by borrowing or otherwise, to widen, resurface, reconstruct or drain Mill Street from Beaver Dam Road to West Central Street and Speen Street from West Central Street to the Sherborn Town Line; such sum or part thereof to be used in conjunction with money contributed by the State or County, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$13,700.00 and to authorize the Board of Public Works to widen, resurface, reconstruct or drain Mill Street from Beaver Dam Road to West Central Street from the 1964 construction; work to be done under Chapter 90; said money to be used in conjunction with money contributed by the State and County; and that said sum of \$13,700.00 be appropriated as follows: \$750.00 to be transferred from the unencumbered appropriation balance of Dewey Street Drainage, Article 24, Annual Town Meeting 1962; \$1,685.00 to be transferred from the unencumbered balance of Pond Street Drainage, Article 24, Annual Town Meeting 1962; \$240.04 to be transferred from the unencumbered balance of Woodland Street Drainage, Article 29, Annual Town Meeting 1963 and \$11,024.96 from the Current Tax Levy.

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 11:10 P.M.

ANNUAL TOWN MEETING, 1966
FOURTH SESSION, MARCH 22, 1966

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

Voted, to take Article 17 from the table.

ARTICLE 17
(Town Comptroller)

To see if the Town will vote to raise and appropriate, or otherwise provide, a sum or sums of money for the purchase of new equipment for various departments.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$90,171.00 to purchase new equipment for the following departments:

Finance Committee	\$ 125.00
Town Comptroller	177.00
Town Treasurer	36.00
Board of Assessors	3,473.00
Election and Registration	35.00
Planning Board	150.00
Board of Appeals	150.00
Police Department	10,250.00
Fire Department	29,000.00
Forestry Department	4,000.00
Civil Defense	2,500.00
Morse Institute Library	300.00
Recreation Commission	485.00
PWD Administration	400.00
PWD Engineering	2,700.00
PWD Sewer	2,500.00
PWD Water	23,000.00
PWD Highway	10,890.00

and that said sum of \$90,171.00 be appropriated as follows: \$23,000.00 be taken from the earnings of the Water Division; \$10,890.00 from the Road Machinery Fund; \$2,500.00 to be taken from the earnings of the Sewer Division and \$53,781.00 from the Current Tax Levy and that the above sums of money be expended by the Central Purchasing Equipment Committee established under Article 18 of the Warrant for the Annual Town Meeting of 1955, and that said Committee be authorized to trade in all equipment being replaced by these purchases.

Motion by Marvin Gould, to amend Article 17 as follows:

4 each Letter size files	\$ 376.00
1 each Legal size file	106.40
1 each Card Cabinet	167.00
2 each Secretarial chairs	80.00
1 each Typing stand	34.50
1 each Bulletin Board	21.50
1 each Electric Typewriter	350.00
2 Air Conditioners	550.00
Duplicator	300.00
	<hr/>
Sub Total	\$1,985.40
	<hr/>
New Total	\$92,156.00

said sum of \$92,156.40 be appropriated as follows: \$23,000.00 from earnings of Water Division; \$10,890.00 from Road Machinery Fund; \$2,500.00 from earnings of Sewer Division; \$55,766.40 from the Current Tax Levy.

Motion carried.

Motion of Finance Committee, as amended, was now put and carried.

ARTICLE 26
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to reconstruct a retaining wall on the north side of Pond Street from Cemetery Street easterly about one hundred forty (140) feet; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$7,500.00 from the Current Tax Levy and to authorize the Board of Public Works to reconstruct a retaining wall on the north side of Pond Street from Cemetery Street easterly about one hundred forty (140) feet.

ARTICLE 27
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct a water storage facility on land owned by the Town of Natick off Union Street, appropriate by borrowing or otherwise, money therefor, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to construct a water storage facility on land owned by the Town of Natick off Union Street; and that the sum of \$25,000.00 be appropriated from Water Surplus Revenue and that the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow outside the Debt Limit the sum of \$435,000.00 and to issue bonds and notes of the Town, therefor, under the authority of and in accordance with Chapter 44, Section 8 of the General Laws, said Bonds and Notes and Interest thereon to be payable in not more than fifteen (15) years; hand vote, with tellers; yeas, 157; nays, 2; motion carried.

ARTICLE 28
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct a new well, pumping station, install pumping equipment and accessories, and construct connecting mains on land owned by the Town of Natick; appropriate by borrowing or otherwise, money therefor, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to construct a new well, pumping station, install pumping equipment and accessories and construct connecting mains on land owned by the Town of Natick; and that the sum of \$40,000.00 be appropriated as follows: \$8,891.50 to be transferred from the unencumbered appropriation balance of Replace Water Mains — Speen Street, Article 33, Annual Town Meeting 1963; \$31,065.76 to be taken from the earnings of the Water Division and \$42.74 from the Current Tax Levy for said purpose.

ARTICLE 29
(Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to extend the culvert carrying Beaver Dam Brook under Boden Lane; transfer, appropriate, or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to extend the culvert carrying Beaver Dam Brook under Boden Lane; and that the sum of \$20,000.00 be appropriated from the Current Tax Levy for said purpose.

ARTICLE 30
(Department of Public Works)

To see if the Town will vote to abandon and release a portion of a sewer

easement granted to the Town of Natick by deed of John J. Walker, dated December 15, 1894, recorded with Middlesex South District Deeds Book 2329 Page 528, and shown in Plan Book 160 Plan 38, said portion to be abandoned and released being that portion which lies west of the present location of Speen Street, or otherwise act thereon.

Voted, that the Town vote to abandon and release a portion of a sewer easement granted to the Town of Natick by deed of John J. Walker, dated December 15, 1894, recorded with Middlesex South District Deeds Book 2329, Page 528 and shown in Plan Book 160, Plan 38; said portion to be abandoned and released being that portion which lies west of the present location of Speen Street.

ARTICLE 31 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains and appurtenances in the Felch Road, Waring Road area; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to construct sewer mains and appurtenances in the Felch Road, Waring Road Area and that the sum of \$12,400.00 be appropriated from Sewer Surplus Revenue that assessments be made upon the abutters as authorized by any general or special law; said betterments to be borne not less than seventy five (75) percent by the abutters and the remainder by the Town.

ARTICLE 32 (Department of Public Works)

To see if the Town will vote to authorize the Selectmen to acquire by gift, purchase, or to take by eminent domain land necessary for the widening and relocation of Speen Street from West Central Street to the Sherborn Town Line, and to appropriate a sum of money therefor from Current Tax Levy, by transfer, or by borrowing or otherwise act thereon.

Voted, Indefinite postponement.

ARTICLE 33 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to build a new attendants' dwelling at the Springvale Water Station on Worcester Street; transfer, appropriate, or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$17,780.00 as follows: \$4,945.85 to be transferred from the unencumbered appropriation balance of Replace Water Mains — Speen Street, Article 25, Annual Town Meeting 1962; \$1,010.98 to be transferred from the unencumbered appropriation balance of Replace Water Mains — Whittier Road, Article 25, Annual Town Meeting 1962; \$183.98 to be transferred from the unencumbered appropriation balance of Replace Water Mains — Walnut Ave., Article 33, Annual Town Meeting 1963; \$602.52 to be transferred from the unencumbered appropriation balance of Construct Water Mains — Mill Street, Article 33, Annual Town Meeting 1963 and \$11,036.67 from the Current Tax Levy, and to authorize the Board of Public Works to build a new attendants' dwelling at the Springvale Water Station on Worcester Street.

Article 34. **Voted**, to table this Article.

ARTICLE 35 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to con-

struct a sewer main in Bennett Street, east of High Street; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to construct a sewer main in Bennett Street, east of High Street and that the sum of \$800.00 be appropriated as follows: \$421.26 to be transferred from the unencumbered appropriation balance of Construct Sewer Mains, Lodge Road, Article 43, Annual Town Meeting 1964; \$300.69 to be taken from the earnings of the Sewer Division and \$78.05 from the Current Tax Levy; said betterments to be borne not less than seventy five (75) percent by the abutters and the remainder by the Town.

ARTICLE 36 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct a sewer main, a pumping station and a force main in Bellevue Road; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, on substitute motion, by Mr. Alfred N. Saviano, that the Town vote to authorize the Board of Public Works to construct a sewer main, a pumping station and a force main in Bellevue Road; and appropriate \$20,500.00 from the General Tax Levy and that assessments be made upon the abutters as authorized by any general or special law; said betterments to be borne not less than seventy-five (75) percent by the abutters and the remainder by the Town.

ARTICLE 37 (Department of Public Works)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains and appurtenances in the Purington Avenue, Possum Hollow Lane, Ridge Avenue, Lodge Lane area; transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Public Works to construct sewer mains and appurtenances in the Purington Ave., Possum Hollow Lane, Ridge Ave., Lodge Lane Area and that the sum of \$55,400.00 be appropriated as follows: \$12,994.51 to be transferred from the unencumbered appropriation balance of Construct Sewer Mains, Article 30, Annual Town Meeting 1961; \$2,309.68 to be transferred from the unencumbered appropriation balance of Construct Sewer Mains, Article 26, Annual Town Meeting 1962; \$3,024.46 to be transferred from the unencumbered appropriation balance of Construct Sewer Mains, Article 32, Annual Town Meeting 1963; \$3,273.91 to be transferred from the unencumbered appropriation balance of Construct Sewer Mains, Article 31, Annual Town Meeting 1963 and \$33,797.44 from the Current Tax Levy; said betterments to be borne not less than seventy-five (75) percent by the abutters and the remainder by the Town.

ARTICLE 38 (Department of Public Works)

To see if the Town will vote to appropriate a sum of money from Current Tax Levy, transfer from any available funds or by borrowing to acquire, purchase or take by eminent domain easements in lands hereinafter described, for the purposes of constructing, completing, using and maintaining sewer lines approved under Article 37 of this warrant, as follows:

- A. Fred W. & Goldie R. Keith — Sewer easement 15' in width along the northerly sideline of Lot 2A (Assessors Map No. 25) from Ridge Avenue to land of Commonwealth of Mass. (120 ft. more or less)
- B. Commonwealth of Mass. — Sewer easement 15' in width along the westerly boundary of land bordering Lake Cochituate from the northerly line of

Lot 2A (Map No. 25) to an easement along the northerly line of Lot 22B of Assessors Map No. 33 (850 ft. more or less)

- C. Lakewood Inc. — Sewer easement 15' in width along the northerly line of Lot 22B, from Commonwealth of Mass. land to Lot 22A of Assessor Map No. 33 (145 ft. more or less)
- D. Lakewood Inc. — Sewer easement 15' in width along the easterly and southerly side lines of Lot 22B from a right of way to Lodge Lane (Assessor's Map No. 33) (145 ft. more or less) or otherwise act thereon.

Voted, unanimously, that the Town vote to authorize the Board of Selectmen to take by eminent domain an easement in land hereinafter described for the purposes of constructing, completing, using and maintaining sewer mains, lines and appurtenances in the Purington Avenue, Possum Hollow Lane, Ridge Avenue, Lodge Lane area, which project was approved under Article 37 of the Annual Town Meeting of 1966, and to take all trees and structures on said land that are deemed necessary by the Department of Public Works, their servants, agents and employees for the construction, completion, use and maintenance of said sewer mains, lines and appurtenances and that the sum of five hundred and twenty (\$520.00) dollars be appropriated, said sum to be taken from the Current Tax Levy and that of the five hundred and twenty (\$520.00) dollars, one hundred and eighty (\$180.00) dollars be awarded to Falmouth Heights Motel, Inc. owner of a certain parcel of land hereinafter described and three hundred and forty (\$340.00) dollars be awarded to Lakewood, Inc. owner of a certain parcel of land hereinafter described.

The aforesaid easements to be taken are described as follows:

- A. Falmouth Heights Motel Inc. — Sewer easement 15' in width along the northerly sideline of Lot 2A (Assessors Map No. 25) from Ridge Avenue to land of Commonwealth of Mass. (120 ft. more or less)
- B. Commonwealth of Mass. — Sewer easement 15' in width along the westerly boundary of land bordering Lake Cochituate from the northerly line of Lot 2A (Map No. 25) to an easement along the northerly line of Lot 22B of Assessors Map No. 33 (850 ft. more or less)
- C. Lakewood Inc. — Sewer easement 15' in width along the northerly line of Lot 22B, from Commonwealth of Mass. land to Lot 22A of Assessor Map No. 33 (145 ft. more or less)
- D. Lakewood Inc. — Sewer easement 15' in width along the easterly and southerly side lines of Lot No. 22B from a right of way to Lodge Lane (Assessor's Map No. 33) (145 ft. more or less).

ARTICLE 39

(School Committee)

To see if the Town will appropriate a sum of money from current tax levy, transfer from available funds, or by borrowing, to obtain final working drawings, specifications and bids for the construction of a field house at Memorial Field or otherwise act thereon.

Voted, on motion of Mr. Peterson, Indefinite Postponement; hand vote with tellers; yeas, 78; nays, 53; motion carried.

Voted, to adjourn to next Tuesday evening 7:30 in this hall.

Adjourned 10:55 P.M.

A Record of the Proceeding of the Fourth Session.

ANNUAL TOWN MEETING, 1966
FIFTH SESSION, MARCH 24, 1966

Meeting called to order by the Moderator at 7:35 P.M. and stated that there was a Quorum present.

ARTICLE 40
(School Committee)

To see if the Town will appropriate a sum of money from current tax levy, transfer from available funds, or by borrowing, to purchase or take by eminent domain for school lot purposes, all or any part of a certain parcel of land in Natick, described as follows:

Lot 2

Land Court No. 21,205

Beginning at a point on the northerly side line of Eliot Street at land now or formerly of Jane B. Patten:

Thence running N16-45-30W 384.44 feet to a point;

Thence running N17-12-10W 200.02 feet to a point;

Thence running N18-04-20W 247.23 feet to a point;

Thence running S69-46-20W 249.31 feet to a point;

Thence running S68-35-00W 37.88 feet to a point;

Thence running N34-55-50W 184.50 feet to a point;

Thence running N34-17-40W 288.94 feet to a point; at land of the Commonwealth of Massachusetts Sudbury Aqueduct;

Said last seven courses being land of Jane B. Patten;

Thence running N80-32-30E 163.14 feet to a point of curve;

Thence running northeasterly on a curve to the left, having a radius of 1016.45 feet, a length of 283.93 feet to a point;

Thence running S17-14-00E 49.42 feet to a point;

Thence running N56-56-50E 245.00 feet to a point;

Thence running N46-50-10E 241.00 feet to a point;

Said last five courses being by land of the Commonwealth of Massachusetts Sudbury Aqueduct;

Thence running S22-51-49E 1173.63 feet by other land of Hunnewell to a point at land of John W. and Doris K. Gilday;

Thence running S85-10-30W 176.68 feet to a point;

Thence running S06-27-00E 92.89 feet to a point;

Thence running S72-33-30W 53.79 feet to a point;

Thence running S04-35-20E 158.54 feet to a point on the northerly side line of Eliot Street;

Said last four courses being by land of John W. and Doris K. Gilday;

Thence running S77-47-57W 188.85 feet along the northerly side line of Eliot Street to a point;

Thence running southwesterly along a curve to the left having a radius of 343.11 feet, a length of 118.80 feet along the northerly side line of Eliot Street to the point of beginning.

This parcel is subject to an M. D. C. sewer easement.

Said parcel contains 17,956 acres, or otherwise act thereon.

Voted, that the Town vote to authorize the Board of Selectmen to take a Fee Simple by Eminent Domain in land hereinafter described for school lot purposes, and to take all trees and structures on said land and that the sum of thirty eight thousand, eight hundred (\$38,800.00) dollars be awarded to the Trustees of the Hunnewell Estate, the owner of said land.

The land to be taken is described as follows:

Lot 2

Land Court No. 21,205

Beginning at a point on the northerly side line of Eliot Street at land now or formerly of Jane B. Patten:

Thence running N16-45-30W 384.44 feet to a point;

Thence running N17-12-10W 200.02 feet to a point;

Thence running N18-04-20W 247.23 feet to a point;

Thence running S69-46-20W 249.31 feet to a point;

Thence running S68-35-00W 37.88 feet to a point;

Thence running N34-55-50W 184.50 feet to a point;

Thence running N34-17-40W 288.94 feet to a point; at land of the Commonwealth of Massachusetts Sudbury Aqueduct;

Said last seven courses being by land of Jane B. Patten:

Thence running N80-32-30E 163.14 feet to a point of curve;

Thence running northeasterly on a curve to the left, having a radius of 1016.45 feet, a length of 283.93 feet to a point;

Thence running S17-14-00E 49.42 feet to a point;

Thence running N56-56-50E 245.00 feet to a point;

Thence running N46-50-10E 241.00 feet to a point;

Said last five courses being by land of the Commonwealth of Massachusetts Sudbury Aqueduct;

Thence running S22-51-49E 1173.63 feet by other land of Hunnewell to a point at land of John W. and Doris K. Gilday;

Thence running S85-10-30W 176.68 feet to a point;

Thence running S06-27-00E 92.89 feet to a point;

Thence running S72-33-30W 53.79 feet to a point;

Thence running S04-35-20E 158.54 feet to a point on the northerly side line of Eliot Street;

Said last four courses being by land of John W. and Doris K. Gilday;

Thence running S77-47-57W 188.85 feet along the northerly side line of Eliot Street to a point;

Thence running southwesterly along a curve to the left having a radius of 343.11 feet, a length of 118.80 feet along the northerly side line of Eliot Street to the point of beginning.

This parcel is subject to an M.D.C. sewer easement.

Said parcel contains 17,956 acres; hand vote, with tellers; yeas, 153; nays, 7.

ARTICLE 41 (Board of Selectmen)

To see if the Town will vote to appropriate a sum of money to pay the medical expenses of Police Officer Francis Keane for injuries incurred during the performance of duty on Route 9 on or about October 1963.

Voted, that the Town vote to appropriate the sum of \$2,269.00 from the Current Tax Levy to indemnify Police Officer, Francis Keane, for medical expenses sustained by him for injuries incurred by him during the performance of duty and to request its representative to the General Court to seek legislation ratifying this action.

Motion for Reconsideration of Article 41 was lost.

ARTICLE 42 (Conservation Committee)

To see what sum of money the Town will appropriate for a detailed interpretative soils report of the Town of Natick prepared by the United States Department of Agriculture, Soil Conservation Service, or other act thereon.

Voted, to table this Article.

ARTICLE 43 (Conservation Committee)

To see if the Town will vote to raise and appropriate or otherwise provide a

sum not to exceed \$5,000.00 to the Conservation Fund created by authority of the vote under Article 38 of the Annual Town Meeting of 1963, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$5,000.00 from the Current Tax Levy to the Conservation Fund for future land acquisition, administrative costs or other similar approved expenditures of a Conservation Commission; any unexpended balances of said Conservation Fund to be allowed to accumulate from year to year, in accordance with the provisions of Chapter 40, Section 5, Clause 51 of the General Laws, as amended.

ARTICLE 44 (Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the development of a picnic and general family recreation area on town owned land (Speen Street).

Said development to comply with the requirements of Chapter 461 of the Acts of 1962.

Voted, that the Town vote to appropriate the sum of \$9,060.00 from the Current Tax Levy, said sum to be expended under the direction of the Recreation Commission for the development of a picnic and general family recreation area on Town owned land on Speen Street; said development to comply with the requirements of Chapter 461 of the Acts of 1962.

ARTICLE 45 (Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the installation of two inch water service for Coolidge Field.

Voted, that the Town vote to appropriate the sum of \$1,800.00 from the Current Tax Levy, said sum to be expended under the direction of the Recreation Commission for the installation of a two-inch water service for Coolidge Field.

ARTICLE 46 (Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for repairs to the stone walls at Shaw Park.

Voted, that the Town vote to appropriate the sum of \$400.00 from the Current Tax Levy for repairs to the stone walls at Shaw Park.

ARTICLE 47 (Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the installation of a pier system at Memorial Beach.

Voted, that the Town vote to appropriate the sum of \$22,380.00 from the Current Tax Levy, said sum to be expended under the direction of the Recreation Commission for the installation of a pier system at Memorial Beach.

ARTICLE 48 (Finance Committee)

To see if the Town will vote to amend its by-laws by adding thereto in Article III(a) the following:

All Town Officers shall pay into the Town Treasury all fees received by them by virtue of their office, except the Town Clerk, James H. Fleming, and the Constables, and said by-law to become effective as of July 1, 1966, or otherwise act thereon.

Motion of the Finance Committee that the Town vote to amend its By-Laws by adding thereto in Article III(a) the following:

All Town officers except the Constables shall pay into the Town Treasury all fees received by them by virtue of their office.

Voted, motion of the Finance Committee.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to by-laws is hereby approved.

ARTICLE 49 (Personnel Board)

To see if the Town will vote to amend its By-Laws by adding in Article VI-A a new section, substantially as follows:

Employee Description

- (a) A regular full time employee is one who is scheduled for not less than eight hours per diem (seven and one half hours per diem for Junior and Senior Clerks) for fifty-two weeks per annum minus Holidays and authorized leave.
- (b) A part time employee is one who is employed for less than a full time employee as defined above, except that a regular part time employee shall be defined as one who works for a period of at least 30 weeks (eight hours per diem; seven and one half hours per diem for Junior and Senior Clerks) in the aggregate during the twelve months preceding the first day of June of each year.
- (c) A temporary or seasonal employee is one who is employed for a period less than defined in paragraph (a) and (b) preceding.

Voted, that the Town vote to amend its By-Laws by adding in Article VI-A a new section, to read as follows:

- (a) A regular full time employee is one who is scheduled for not less than eight hours per diem (seven and one-half hours per diem for Junior and Senior Clerks) for fifty-two weeks per annum minus Holidays and authorized leave.
- (b) A part time employee is one who is employed for less than a full time employee as defined above, except that a regular part time employee shall be defined as one who works for a period of at least 30 weeks (eight hours per diem; seven and one-half hours per diem for Junior and Senior Clerks) in the aggregate during the twelve months preceding the first day of June of each year.
- (c) A temporary or seasonal employee is one who is employed for a period less than defined in paragraphs (a) and (b) preceding.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to by-laws is hereby approved.

ARTICLE 50
(Personnel Board)

To see if the Town will vote to amend its By-laws by deleting Section 4 D5 of Article III-A in its entirety and substitute therefor a new Section to read as follows:

Section 4 D5: Any regular full time employee or regular part time employee shall be allowed time off without loss of pay for all scheduled work days falling within the three-day period next following the date of a death in the immediate family. The immediate family shall include parents, spouse, parents of spouse, children, brother or sister.

Voted, that the Town vote to amend its By-Laws by deleting Section 4 D5 of Article III-A in its entirety, by adding thereto a new section to read as follows:

"Section 4 D5: Any regular full time employee or regular part time employee shall be allowed time off without loss of pay for all scheduled work days falling within the three-day period next following the date of a death in the immediate family. The immediate family shall include parents, spouse, parents of spouse, children, brother or sister."

ARTICLE 51
(Personnel Board)

To see if the Town will vote to amend Article III-A, Section 3 of its By-Laws by deleting the third paragraph and adding two new paragraphs so as to read substantially as follows:

Any regular part time employee (except librarians and assistant librarians as hereinbefore provided for and except school teachers) shall be granted a vacation of not less than and no more than two weeks without loss of pay in each calendar year if he has actually worked for the Town for thirty weeks in the aggregate during the twelve months preceding the first day of June in such year. Such vacation shall be granted by the head of the respective department of the Town at such time as in his opinion will cause the least interference with the performance of the regular work of the Town. Any question of interpretation concerning vacation rights is to be referred to the Personnel Board, established under Section 1 of Article VI-A of the By-laws for decision.

Voted, that the Town vote to amend Article III-A, Section 3 of its By-Laws by deleting the third paragraph and adding thereto two new paragraphs to read as follows:

"Any regular part time employee (except librarians and assistant librarians as hereinbefore provided for and except school teachers) shall be granted a vacation of not less than and no more than two weeks without loss of pay in each calendar year if he has actually worked for the Town for thirty weeks in the aggregate during the twelve months preceding the first day of June in such year. Such vacation shall be granted by the head of the respective department of the Town at such time as in his opinion will cause the least interference with the performance of the regular work of the Town. ARTICLE 52
(Personnel Board)

To see if the Town will vote to amend its By-Laws by adding to Article VI-A a new section, to read as follows:

Section XXVII — After five years of continuous employment by the Town, a regular full time employee under the Pay Plan shall receive Fifty Dollars additional annual compensation and for each additional five years an additional Fifty Dollars, to a maximum of Two Hundred Dollars.

Voted, to refer the subject matter of this Article to the Personnel Board

ARTICLE 53
(Personnel Board)

To see if the Town will vote to amend its By-Laws by adding to Article VI-A a new section, to read as follows:

Section XXVIII — Court Attendance — Police Officers. Any police officer on duty at night, or on vacation, furlough, or on a day off, who attends as a witness for the Commonwealth in a criminal case pending in District Court or the Superior Court, shall be paid at this regular hourly rate after the first hour during which he was in attendance at such Court.

Voted, that the Town vote to amend its By-Laws by adding to Article VI-A a new section, to read as follows:

“Section XXVIII — Court Attendance — Police Officers. Any police officer on duty at night, or on vacation, furlough, or on a day off, who attends as a witness for the Commonwealth in a criminal case pending in District Court or the Superior Court, shall be paid at this regular hourly rate after the first hour during which he was in attendance at such Court.”

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to by-laws is hereby approved.

EDWARD W. BROOKE

Attorney General

A true copy.

Attest:

ALFRED L. CONNELL

Town Clerk of Natick

(Published according to law)

Article 54. **Voted**, to table this Article.

ARTICLE 55
(Board of Assessors)

To see if the Town will vote to authorize the Board of Assessors, effective January 1, 1967, to contract for professional appraisal of all new taxable real estate; to raise and appropriate a sum of money, transfer from available funds, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$4,500.00 and to authorize the Board of Assessors, effective January 1, 1967 to contract for professional appraisal of all new taxable real estate using the full and fair market value or the replacement cost method of appraisal.

ARTICLE 56
(Board of Assessors)

To see if the Town will vote to add a new amendment to the By-Laws of Natick.

That once a year all tax title land should be listed and offered for public auction.

Voted, to table this Article.

Article 57. **Voted**, to table this Article.

Article 58. **Voted**, to table this Article.

ARTICLE 59
(Natick Voting Machine Study Committee)

To see if the Town will vote to appropriate or otherwise provide a sum of money to be expended under the direction of the Voting Machine Study Committee appointed by the Moderator and continued under Article 82d of the warrant for the 1965 Annual Town Meeting for the purposes of renting, leasing or otherwise acquiring a number of mechanical voting machines, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$8,000.00 from the Current Tax Levy; said sum to be expended under the direction of the Voting Machine Study Committee for the purposes of renting or leasing mechanical or other voting machines.

ARTICLE 60
(Louis R. Nickinello)

To see if the Town will vote to appropriate or otherwise provide the sum of Nine Thousand (\$9,000.00) Dollars for personal services of the Building Inspector, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 61
(Bacon Free Library Maintenance Committee)

To see what sum of money the Town will vote to raise or borrow or transfer and appropriate for the maintenance of the Bacon Free Library, or otherwise act thereon.

Voted, that the Town vote to appropriate the sum of \$5,847.00 from the Current Tax Levy for the maintenance of the Bacon Free Library; said sum of money to be expended by the Bacon Free Library Maintenance Committee; appointed under Article 12 of the Warrant for the Annual Town Meeting of 1965.

ARTICLE 62

To hear and act upon the reports of the several Town Officers and reports of Committees authorized by vote of any former Town Meeting, and to authorize the appointment of any Committee the Town may think necessary and to appropriate sums of money for the purpose thereof or to take any action relative thereto.

Section A — Tabled

Section B — The Finance Committee moves that the reports of the following

Committees as printed in the Town Report of 1965 be acknowledged, the committees be continued and that appropriations be made as follows from the Current Tax Levy:

Bacon Free Library Maintenance Committee
Central Purchasing Equipment Committee
Christmas Season Lighting Committee
High School Addition Building Committee
Kennedy Junior High School Building Committee
Leonard Morse Hospital Building Committee
Long Range Town-Wide Sewerage Study Planning Committee
Natick Conservation Commission
Pre-Town Meeting Tour of Sites
Recreation Center Study Committee
Sidewalk Study Committee
Town By-Laws Study and Revision Committee
Town Forest Committee
Town Garage Study Committee
Town Meeting Map Committee — \$200
Voting Machines Study Committee
War Memorial Study Committee
Wilson Junior High School Building Committee

Motion made by Mr. Brown to delete Town Garage Study Committee and add same to section D, Article 62. Motion seconded.

Mr. Jackson Harris asked to have Town Office Building Study Committee report made part of the official record. Chair accepted and heard their report.

"Your Town Office Building Study Committee appointed under Town Meeting of 1965 is moving forward with an aim to justify the need for a town office building. The committee has had several worthwhile discussions. It is the purpose of this committee to evaluate several locations, keeping in mind not only a central site, but the impact on the tax picture and availability of space needed for future expansion.

"We hope to have further information relating to our progress at Town Meeting. The effect on the tax rate and your support will determine how fast this project will be realized."

Respectfully submitted,
JACKSON I. HARRIS, (*Temp. Chairman*)
JOSEPH G. CABO
WINNIFRED GRAY
JAMES L. GLEASON
EDWARD F. PERY

Voted, Section B, Article 62 as amended by Mr. Brown.

ANNUAL TOWN MEETING, 1966 SIXTH SESSION, MARCH 29, 1966

Meeting called to order by the Moderator at 7:40 P.M. and stated that there was a quorum present.

Voted, to take Article 54 from table.

ARTICLE 54 (Natick Housing Authority)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick as voted by the Annual Town Meeting of 1960, as amended, in zoning District RM to increase the size of RM to include adjacent land now zoned as RSA. The additional adjacent RM to read as follows:

Beginning at a point at the southeasterly corner of the premises to be conveyed and at other land of Toofik Homsy; thence S39° 05' 24"W by land of said Homsy 66.00 feet to a point at land of Ethel and Alleck Kaplan; thence S43° 46' 30"W by land of said Kaplan 213.00 feet to a point at land of Bruno T. and Dorothy E. Tassinari; thence N55° 13' 02"W by land of said Tassinari 7.00 feet to a point; thence S44° 03' 04"W by land of said Tassinari 132.00 feet to land of Cecil B. and Hazel J. Graham; thence N55° 13' 02"W by land of said Graham 9.58 feet to a point; thence S44° 31' 30"W by land of said Graham and by land of Peter F. and Margaret K. O'Brien 190.00 feet to a point at land of John K. and Mary G. Carr; thence N56° 10' 06"W by land of said Carr 295.82 feet to a point; thence S74° 26' 59"W still by land of said Carr 101.42 feet to a point at land of Francis J. and Alice L. Stiftel; thence N80° 37' 30"W by land of Stiftel 209.56 feet to a drill hole in the wall at land of the Town of Natick; thence N04° 12' 21"E by said wall and by said land of the Town of Natick 198.80 feet to a drill hole in ledge; thence N05° 47' 09"E by a wall and by land of the Town of Natick 196.41 feet to a drill hole in the corner of walls at land of Orazio P. and Elizabeth A. Lentini; thence N78° 33' 49"E by land of said Lentini to a drill hole in the wall at land of Anna M. Jones and other land of the Town of Natick, being the Natick Housing Authority; thence N75° 46' 44"E by the wall and by said land of the Town of Natick 319.76 feet to a pin in a concrete bound; thence N76° 17' 32"E by the wall and by said land of the the Town of Natick 150.48 feet to a drill hole in the wall; thence N76° 45' 06"E by the wall and by said land of the Town of Natick 81.87 feet to a pin in a concrete bound at land of Joseph A. and Marion M. Crowley; thence S16° 28' 15"E by said Crowley land and by the remains of a wall 25.86 feet to a drill hole in a boulder; thence N77° 02' 07"E by said Crowley land and by the remains of a wall 109.32 feet to a drill hole set in the wall; thence N70° 28' 20"E by said Crowley land and by the remains of a wall 43.08 feet to a point at other land of Toofik Homsy; thence S07° 25' 53"E by said Homsy land 269.45 feet to a point; thence N67° 40' 09"E by other land of said Homsy 165.50 feet to a point; thence S22° 19' 51"E by other land of said Homsy 95.22 feet to the point of beginning.

The above described parcel contains 435,600 square feet or 10.00 acres.

There is also to be conveyed a parcel of land on the easterly side of the above described property to be used as an access road, bounded and described as follows:

Beginning at a point on the westerly side of Forest Avenue Extension, said point being S07° 25' 53"E and 110.00 feet distant from a stone wall, being the property line between Joseph A. and Marion M. Crowley and said Toofik Homsy; thence S07° 25' 53"E by said Forest Avenue Extension 51.14 feet to a point at other land of Toofik Homsy; thence S70° 28' 20"W by said Homsy land 139.46 feet to a point; thence N07° 25' 53"W by said parcel described above 51.14 feet to other land of Toofik Homsy; thence N70° 28' 20"E by other land of said Homsy 139.46 feet to the point of beginning.

Said parcel contains an area of 6974 square feet.

Mr. Joseph Donovan, secretary of the Finance Committee, so moves.

Motion by Mr. McDermott, that the Town vote to amend the Zoning By-Laws of the Town of Natick as voted by the Annual Town Meeting of 1960, as amended, in zoning District RM to increase the size of RM to include adjacent land now zoned as RSA, said rezoning to be effective only for use of the Natick Housing Authority in constructing Housing for the Elderly and further, effective only when full and clear title passes to the Natick Housing Authority. The additional adjacent RM to read as follows:

(Refer to above)

Voted, as amended.

ARTICLE 62C

Motion to remove Article 62C from the table, **voted**.

That the following Committees be continued:

Committee to Study Town Government
Natick Industrial Council
Rules Committee
Town Office Building Study Committee

Moderator accepted the preliminary report of the Town Government Study Committee and asked to be part of the record.

Your Town Government Study Committee authorized as stated above was appointed by your Moderator, effective January 21, 1966, and submits this report of its activities to date.

Two meetings of your Committee were held in February, 1966 with all members being present. The first meeting saw the organization of said committee with temporary chairman, Richard S. Sanderson, being elected permanent chairman and Eileen M. Cornell being elected secretary, Joseph W. Brown, Lois M. Masterson and Irene Ginsburg completed the membership. A thorough review of the history of Town Government Study Committees authorized by town meetings over the past ten years was made at this first meeting. Also, an examination of the findings and results of similar committees in other towns of the Commonwealth which were available at this time was made.

The second meeting of your Committee was concerned with the determination of the scope of your Committee and it was decided that the intent of the town meeting was to authorize the study of all forms of town government plus the numerical make-up of any of our existing boards. This having been decided, your committee undertook the task of outlining its goals and establishing rules of procedure for its operation.

The matter of expense funds was discussed also at the second meeting and your Committee delegated its chairman to confer with the town accountant and the town counsel concerning the availability of funds appropriated to the use of the Town Government Study Committee under Article 67 of the ATM of 1965.

Your Committee requests that it be continued.

Respectfully submitted,

Richard S. Sanderson, Chairman, 5 Wheeler Lane
Eileen Cornell, Secretary, 31 Barnesdale Road
Lois Masterson, 31 Stratford Road
Irene Ginsburg, 3 Fern Street
Joseph W. Brown, 33 Ridge Avenue

Resolution made by Mrs. Irene Golan and was unanimously adopted:

"Be it hereby resolved that all new committees voted at Town Meeting be appointed within sixty (60) days, whenever possible, after the dissolution of of Town Meeting."

Amendment to delete from Section C, and add to Section D, Committee to Investigate a Site and Building for the Recreation, Forestry and Health Departments.

Amendment to add Site Study Committee for Commonwealth Depot Property to Section D.

Motion of the Finance Committee was now put and carried, as amended.

ARTICLE 62D

Voted, that the following Committees be discharged with a vote of thanks.

Appraiser Study Committee
Town Garage Study Committee (as voted in Section 62B)
Committee to Investigate a Site and Building for the Recreation, Forestry and Health Departments (as voted in Section 62C).

ARTICLE 62E

Voted, motion to table to after Article 70.

Voted, to remove Article 62A from table. Hand vote, with tellers: yeas, 105; nays, 73.

Voted, that the reports of the various Town Officers as printed in the Town Report of 1965 be acknowledged.

ARTICLE 54

Voted, reconsideration of Article 54.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 54 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

The submission of this article was in accordance with the recommendation of the Planning Board that land use should be the province of the Town Meeting.

A variance has been granted for multiple residence use, and passage of this article will accomplish the same thing by Town Meeting vote.

The Planning Board recommends favorable action.

Natick Planning Board

Elizabeth A. Bransfield, Secretary

Voted, to table Article 54, motion was made by Mr. Prunaret.

ARTICLE 63

(William C. Wright, Jr.)

To see if the Town of Natick will vote to increase the number of members of the Board of Selectmen from three to five members, such increase to be effected in the following manner: Two members of the Board of Selectmen whose terms have not then expired shall continue as such members until the expiration of the term for which they were elected, at such annual election there shall be elected one Selectman for one year, one for two years, and one for three years and at each annual election thereafter the Town shall elect successors of the members whose terms have expired for the terms of three years, or otherwise act thereon.

Voted, by motion of Finance Committee, that the Town vote to refer the subject matter of this Article to the Town Government Study Committee.

Article 64. **Voted**, to table this Article.

ARTICLE 65

(Jackson I. Harris et als)

To see if the Town of Natick will vote to increase the number of members of the Board of Selectmen from three to five members, such increase to be effected in the following manner: the two members of the Board of Selectmen whose terms have not then expired shall continue as such members until the expiration of the term for which they were elected, at such annual election there shall be elected one Selectman for one year, one for two years, and one for three years and at each annual election thereafter the Town shall elect successors of the members whose terms have expired for the terms of three years, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 66

(Marie A. Barnicle)

To see if the Town will vote to amend Section 8 of Article III A, of its By-Laws by adding thereto, the following:

"Any person violating the provisions of this section shall be punished by a

fine of not more than \$20 for each offense. Each member of any Board or Committee shall be held individually liable for the full penalty unless he shall have recorded in the official minutes of such meeting his objection to the acts constituting such a violation. The calling of any Executive session except in accordance with the provisions of Chapter 39, Section 23, of the General Laws (Ter. Ed. as amended) shall constitute a violation of this section."

Voted, Indefinite Postponement.

ARTICLE 67
(Walter L. Burke)

To see if the Town will vote to amend Article V1 A, section 1 of its By-Laws by striking out the first sentence and substituting the following to read substantially as follows:

There shall be an unpaid Personnel Board consisting of five (5) persons none of whom shall hold an appointive or elective office, position or employment in the Town of Natick with the exception of any eligible Town Meeting Member, which shall be responsible for the administration and maintenance of this classification and pay plan, or otherwise act thereon.

Voted, that the Town vote to refer the subject matter of this Article to a Study Committee of five to be appointed by the Moderator for a report to the next Town Meeting.

ARTICLE 68
(Charles H. Morris)

To see if the Town will vote to amend Article II, Section 4 of its By-Laws by inserting after the word "Meeting" the following:

"within 60 days of dissolution of the Town Meeting at which authorized", or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 69
(George F. Roberts)

To see if the Town will vote to raise, appropriate or otherwise provide a sum of money to indemnify George F. Roberts, et al, for the expenses incurred in securing a pre-emptory Writ of Mandamus commanding the Selectmen to include Article 85 of the Annual Town Meeting of 1965, after said Board of Selectment had unlawfully refused to include same, or otherwise act thereon.

Voted, that the Town vote to instruct its Representative to the General Court to file the necessary legislation to authorize the Town of Natick to reimburse George Roberts et al in the sum of \$772.00 to pay legal fees incurred by them in securing a pre-emptory Writ of Mandamus commanding the Selectmen to include Article 85 of the Annual Town Meeting of 1965.

ARTICLE 70
(John C. Shaw)

To see if the Town will vote under the provisions of Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26QQ as amended to establish a redevelopment authority and in that connection to make any and all determinations and declarations deemed necessary or desirable and to take any action in relation thereto.

Motion made by Mr. Sade for Indefinite Postponement, was now put and carried.

Voted, to remove Article 62E from table.

Voted, that the Urban Renewal Study Committee be continued.

The following Resolution was presented at this time by Marvin R. Gould and was unanimously adopted:

Be it resolved that the Urban Renewal Committee be thanked for all of their past work.

Be it resolved that the Voting Machine Study Committee be authorized to study all voting costs in the town.

A Record of the Sixth Session of the Warrant for the Annual Town Meeting for 1966.

Voted, to adjourn to next Thursday evening 7:30 in this hall.

Adjourned 10:55 P.M.

ALFRED L. CONNELL
Town Clerk of Natick

Attest:

ALFRED L. CONNELL
Town Clerk of Natick

ANNUAL TOWN MEETING, 1966
SEVENTH SESSION, MARCH 31, 1966

Meeting was called to order by the Moderator at 7:40 P.M. and stated that there was a Quorum present.

ARTICLE 71
(Jerry V. Cardellicchio)

To see if the Town will vote to authorize the Commissioner of Public Works and/or the Board of Selectmen to sell a parcel of land in accordance with the terms set forth hereafter. Said parcel of land is described as follows:

Beginning at a stone bound on the northerly side of West Central Street at land now or formerly Boston Water Works, thence N01° - 33' - 40"W a distance of 117.72 feet to Land of the Boston & Albany Railroad, thence bearing N81° - 59' - 40"W a distance of 156.17 feet to land of the Town of Natick, thence bearing S01° - 33' - 40"E a distance of 143.67 feet to a point of West Central Street, thence bearing N88° - 26' - 20"E by the northerly line of West Central Street, a distance of 154.00 feet to a stone bound and the point of beginning. Said parcel containing 20,127 square feet.

Said land to be sold to the Veterans of Foreign Wars, Natick Post No. 1274, a non-profit corporation situated in Natick, for the price of one dollar (\$1.00). And the deed to said Veterans of Foreign Wars Post No. 1274 shall contain a restrictive covenant providing that if the grantee shall at any time abandon, relinquish, sell, convey, or lose the right or ability to use this land as described above, that said land shall then revert back to the Town of Natick, Department of Public Works.

Motion by Mr. Cardellicchio that the Town will vote to authorize the Commissioner of Public Works and/or the Board of Selectmen to sell a parcel of land in accordance with the terms set forth hereafter. Said parcel of land is described. (Same as above.)

Finance Committee recommendation for Indefinite Postponement, lost.

Voted, on Mr. Cardellicchio's motion; hand vote, with tellers; yeas, 110; nays, 27.

The following Resolution was presented at this time by Joseph W. Brown and was unanimously adopted:

Be it resolved, since the Natick Town Meeting is a properly constituted governmental Body, conducting business in conformance with the laws of the Commonwealth of Massachusetts and of the federal government, that it be

considered both appropriate and desirable that the flag of the United States of America be properly displayed in the hall while the Town Meeting is in session.

ARTICLE 72 (By-Law Study Committee)

To see if the Town will vote to appropriate a sum of money to pay for the cost of printing the Revised By-Laws of 1965.

Voted, Indefinite Postponement.

ARTICLE 73 (By-Laws Study Committee)

To see if the Town will vote to amend and revise the Town By-Laws to be substantially as follows:

TOWN OF NATICK BY-LAWS

ARTICLE I

Town Meetings

Section 1. The Annual Town Meeting shall be held on the first Monday of March of each year for the election of Town Officers and for such matters as are by law to be determined by ballot. All other matters to be considered by the Annual Town Meeting shall be brought before the Town at a meeting of the Town Meeting Members at 7:30 p.m. on the second Tuesday thereafter.

Section 2. Special Town Meetings shall be held on a Tuesday at 7:30 p.m.

Section 3. Adjourned sessions of every Town Meeting, when required, shall be held on the following Thursday at 7:30 p.m. and on consecutive Tuesdays and Thursdays thereafter at 7:30 p.m. until final adjournment.

Section 4. Service of the warrant for every Town Meeting, unless a different time or method is prescribed by law, shall be made by posting an attested copy thereof in each of the Post Offices and in not less than one public place in each precinct in said Town, and by publishing a like attested copy in at least one newspaper published and circulated in said Town. The Selectmen and the Town Clerk shall cause the Warrant for the Annual Town Meeting to be published no later than the second Thursday following the first Monday of January and to be posted within two weeks following said date.

Section 5. All articles for the Annual Town Meeting shall be submitted to the Selectmen no later than the third Monday of December of the year preceding the Annual Town Meeting in which action thereon is to be taken. Any article for acceptance of a street by the Town shall be inserted by the Department of Public Works in the warrant for the Annual Town Meeting provided that a petition for the acceptance thereof shall have been filed with the Town Board of Public Works not later than the first day of October of the year preceding the Annual Town Meeting in which action thereon is to be taken.

Section 6. The incumbents of the following Town Offices shall serve as Town Meeting Members at Large: Moderator, Town Clerk, Chairman and Secretary of the Finance Committee.

ARTICLE II

Procedure at Town Meetings

Section 1. The proceedings of Town Meetings shall be governed by such rules of practice as are clearly set out in the book "Town Meeting Time" by Johnson, Trustman, and Wadsworth, except as modified by law or by the following sections. In the event that "Town Meeting Time" does not clearly indicate a single course of action, the ruling of the Moderator shall prevail.

Section 2. All motions offered for the consideration of the Town Meeting shall be in writing if required by the Moderator; and all motions involving the expenditure of money shall be in writing when required by any Town Meeting Member.

Section 3. No person shall speak upon a question more than once when any other person desires to be heard, nor more than twice on the same question without permission of the Town Meeting; and no person shall speak more than ten minutes at one time without permission of the Town Meeting.

Section 4. Voting by Town Meeting Members and Town Meeting Members at Large shall be by a show of hands unless otherwise voted as hereinafter provided. If the result is in doubt, or if the result is questioned by seven Town Meeting Members, the Moderator shall appoint tellers who shall count the vote. Upon motion affirmatively voted by two-thirds of the Town Meeting Members, a vote shall be taken by secret ballot.

Section 5. The subject matter of any article once voted upon in any manner may be reconsidered only once but at any time during the same Town Meeting.

Section 6. When a question is before the Town Meeting, motions shall be received and have precedence as printed in the table below.

<i>Motion</i>	<i>Second</i>	<i>Debate</i>	<i>Amend</i>	<i>Vote Req.</i>
To adjourn or dissolve	Yes	No	No	Majority
Adjourn to fixed time or recess	Yes	Yes	Yes	Majority
Lay on the table	Yes	No	No	Majority
For the previous question	Yes	No	No	2/3 Majority
For secret ballot	Yes	No	No	2/3 Majority
To commit, recommit or refer	Yes	Yes	Yes	Majority
To amend	Yes	Yes	Yes	Majority
To postpone indefinitely	Yes	Yes	No	Majority
Main Motion	Yes	Yes	Yes	Majority**
Reconsideration	Yes	Yes	No	2/3 Majority
Take from the table	Yes	No	No	Majority
Take up an article out of order	Yes	Yes	Yes	2/3 Majority

(**Some main motions are required by Massachusetts law to be passed by a 2/3 vote, such as bond issues, zoning changes, the taking of land, etc. Unpaid bills of previous years require a 4/5 vote if they are in excess of the appropriations for the year.)

Section 7. All votes shall be by a majority except where otherwise provided in these by-laws or where otherwise required by law; and all references to the size of the vote required shall mean of those present and voting.

Section 8. Any person having a pecuniary interest in any matter under discussion at a Town Meeting, and any person employed by another having such an interest, shall disclose the fact of his interest or employment before speaking thereon.

Section 9. Any vote of the Town Meeting appropriating money for the construction, reconstruction, installation or improvement of a public way, or of a sewerage or water facility, shall specify where the work is to be done.

Section 10. All committees shall be appointed by the Moderator of the meeting, unless otherwise ordered by a vote of two-thirds of the voters present and voting.

Section 11. It shall be the duty of every Town Officer, Board, or Committee, whether elected or appointed, to be in attendance or (in the case of a Board or Committee) represented by a member thereof at all Town Meetings to provide information while any subject matter is under consideration concerning such Officer, Board, or Committee.

Section 12. A majority of the total number of Town Meeting Members and Town Meeting Members at Large shall constitute a quorum except at a meeting called exclusively for the election of Town officers.

ARTICLE III

The Finance Committee

Section 1. There shall be a Finance Committee consisting of fifteen citizens of the Town, other than Town officers, appointed or elected. The Moderator shall

appoint five members each year for a term of three years, the terms of said members to expire on the first day of May. No committee member shall serve for more than three (3) terms. Any member of said Committee who shall be appointed or elected to the Town Office shall forthwith upon his qualification in such office, and any member who shall remove from the Town shall upon such removal, cease to be a member of said Committee. Said Committee shall choose its own officers. The members of said Committee shall serve without salary.

Section 2. The Finance Committee may employ, subject to an appropriation therefor, an Executive Secretary.

Section 3. In the event of any vacancy in its membership, the Finance Committee shall notify the Moderator in writing, and the Moderator shall thereupon fill such vacancy.

Section 4. The Finance Committee shall consider all matters of business included within the articles of any Warrant for a Town Meeting, and shall, after due consideration report thereon in print its recommendation as to each article. The Finance Committee shall distribute its said report to each of the Town Meeting members at least seven days in advance of a Town Meeting. The said recommendations shall be those of a majority of the entire committee, but this shall not be construed to prevent recommendations by a minority as such. The Committee Report shall also state the total amount of the appropriations recommended by them on the entire warrant and the approximate tax rate based on such recommendations. Said report for the Annual Town Meeting shall also contain a statement of the doings of the Committee during the year, with such recommendations or suggestions as it may deem advisable on any matters pertaining to the welfare of the Town.

Section 5. The Finance Committee shall have authority at any time to investigate the books, accounts and management of any department of the Town, and to employ such expert and other assistance as it may deem advisable for that purpose, and the books and accounts of all departments and Officers of the Town shall be open to the inspection of the Committee and any person employed by it for that purpose. The Committee may appoint sub-committees and delegate to them such of its power as it deems expedient.

Section 6. The various Town Boards, Officers and Committees, charged with the expenditure of Town money shall, not later than the fifteenth of November of each year, prepare detailed estimates of the amounts deemed by them necessary for the administration of their respective offices or departments for the ensuing fiscal year, with explanatory statements of the reasons for any changes from the amounts appropriated for the same purpose in the preceding year. They shall also prepare estimates of all probable items of income which may be received by them during the ensuing year in connection with the administration of their departments or offices, and a statement of the amount of appropriation requested by them for the ensuing fiscal year. Such estimates and statements shall be filed with the Town Comptroller or Town Accountant who shall at once transmit same to the Finance Committee.

Section 7. The Finance Committee shall duly consider the estimates and statements filed by the Town Boards, Officers, and Committees, and may confer with said Boards, Officers and Committees and hold hearings, if they deem it advisable. The Finance Committee shall thereupon recommend approval or disapproval of the amount, in whole or in part, of the appropriation so requested.

ARTICLE IV

Town Reports and Records

Section 1. All Town Officers, Boards, and Committees shall file an annual report of their doings with the Board of Selectmen on or before January 15th of each year, and the Board of Selectmen shall cause such reports to be included in the Annual Town Report. Any Committee failing to report as required to the Town Meeting shall be discharged unless the Town Meeting shall vote to continue the committee notwithstanding.

Section 2. The Selectmen shall have the printed Annual Town Report ready for distribution not later than February twenty-fifth of each year.

Section 3. Each Town Board and Committee shall cause records of its proceedings to be kept, and such records, excepting as otherwise provided by law, shall be public records.

Section 4. The Assessors shall publish for general circulation their valuation lists for real estate for the year 1966 and every third year thereafter. In every year in which said valuation lists are not published, the Assessors shall publish the changes since the last published valuation list. These annual changes shall be printed in the same size and form and in not less than the same quantity as the number sold of the preceding published valuation list.

Section 5. The Assessors shall cause to be published their records of abatements on real estate taxes, other than statutory exemptions as defined by General Laws, Chapter 59, Section 5, to include the name and address of the taxpayer, the location of the property, and the total sum of money abated; such records of abatements shall be included as an integral part of the Annual Town Report every year.

ARTICLE V

Contracts, Town Property, and Regulations of Town Boards and Officials

Section 1. No contract shall be awarded for any work or service to be performed for the town, other than professional service or service performed by a person regularly employed by the town as part of the duties of such employment, and no purchase of materials, supplies or equipment shall be made, the estimated costs, of which in either case is three hundred dollars (\$300) or more, unless competitive bids have been obtained therefor, with the exception of single contracts for rentals of heavy equipment, rentals of snow removal equipment, rock and ledge removal estimated to cost no more than one thousand dollars (\$1000) when, in the opinion of the Department Head, there is a situation of special emergency involving the health or safety of the townspeople or their property.

Such bids shall be invited by the sending of letters of invitation to a sufficient number of vendors, contractors or other qualified persons to insure fair competition, and where the estimated cost is one thousand dollars (\$1000) or more, by public advertisement by at least one insertion in a newspaper circulated in Natick. Such invitations shall state where plans and specifications for proposed work or purchases may be obtained, and the time and place at which bids will be opened, and shall reserve to the town the right to reject any or all bids. All bids shall be opened in public. No purchase, and no service or work for which a contract is proposed, shall be split or divided for the purpose of evading this section.

Section 2. The Selectmen may exempt a purchase or contract from any or all of the provisions of the preceding section when, in their opinion, an emergency exists requiring immediate action on such purchase or contract to protect the health and safety of persons or property, or when no reasonably suitable substitute can be obtained for the article or service to be purchased or contracted for. Evidence indicating that such an emergency exists, or that no reasonable substitute for a purchase or service can be obtained shall be furnished to the Selectmen in writing by the officer, board or committee making such purchase or contract, and shall be kept on file with other records of such transactions.

Section 3. Every Town board, official, employee or committee making or executing a contract on behalf of the Town shall furnish said contract or a copy thereof to the Town Comptroller within ten days after its execution; and the Town Comptroller shall keep such contract or copy on file, open to public inspection during business hours. Such contracts or copies shall be kept in a book by themselves or in several books, arranged according to the subject of the contract, or in other convenient form, and an index to the subject matters of the contracts and to the names of the contractors shall be made semi-annually, and shall be open to public inspection in some convenient form. All allowances under and additions to such contracts, or copies thereof, shall be filed with the Town Accountant, together with a sworn statement of the person or persons authorizing such allowances or additions that the same are correct and in accordance with the contract.

Section 4. No town officer and no salaried employee of the town shall receive any compensation or commission for work done by him for the town, except his official salary and fees allowed by law, without permission of the Selectmen expressed in a vote which shall appear on their records with the reasons therefor.

Section 5. Whenever any property of the Town, other than real estate, the

replacement value of which exceeds \$50, shall have become obsolete, disused, worn out or necessary to replace, the Town official or officials having jurisdiction thereof shall so certify in writing to the Board of Selectmen who may reserve action relative to its disposal for consideration of a Town Meeting or may by vote authorize the official or officials to abandon, to trade, or to sell such property at private or public sale.

Section 6. The Selectmen may sell at public auction and in such manner, upon such terms and for such consideration as in their judgment is for the best interest of the Town, lands held from time to time by the Town under tax titles the right of redemption from which has been foreclosed. Notice of such sales shall be advertised at least once in a newspaper circulated in the Town not less than ten days nor more than thirty days prior to the date of the sale, and such notice shall include the location of such lands by street address or comparable description. The Conservation Commission of the Town shall be notified of such sale at the time that the advertisement is prepared.

Section 7. All automobiles and other vehicles owned by the Town shall be so designated by a circular label not less than six inches in diameter bearing the words "Town of Natick" and the name of the Department, with the exception of those vehicles exempted from this by-law by the Board of Selectmen.

Section 8. There shall be an annual audit of the accounts of the Town under the direction of the Director of the Bureau of Accounts of the Commonwealth of Massachusetts.

Section 9. The Town Comptroller shall not approve for payment any warrant for the expenditure of public funds unless there shall appear thereon the signatures of at least a majority of the Town board, commission or committee authorized to make expenditures.

Section 10. All Town officers except constables shall pay into the Town Treasury all fees received by them by virtue of their office except in the case of the Town Clerk where this shall become effective at the expiration of the term of the present incumbent.

Section 11. Except as otherwise provided by law, all meetings of all elected or appointed Town boards, commissions, and standing committees shall be open to the public, except that by a vote of at least a majority of the entire membership of a board, commission or standing committee any particular meeting can be closed to the public, provided, that the motion to close such meeting shall state the reason for excluding the public, and provided further, that no action taken by any such board, commission or committee shall be effective unless the motion and vote therefor shall be made and taken in public session.

All elected boards and committees shall notify the Town Clerk of their organization, rules and regulations, and shall file with him a yearly schedule of regular meetings. The Town Clerk shall be notified of changes in or additions to the meeting schedule not less than twenty-four hours before the meeting concerned.

Appointed standing committees shall meet as required by their duties and shall notify the Town Clerk not less than twenty-four hours before any meeting.

ARTICLE VI

Board of Selectmen

Section 1. The Selectmen shall have the general direction and management of the property and affairs of the Town in all matters not otherwise provided for by law or by these by-laws.

Section 2. The Selectmen shall have the authority to prosecute, defend and compromise subject to the provisions of these by-laws, through the Town Counsel, all litigations to which the Town is a party, and to employ special counsel, whenever in their judgment the necessity for said special counsel arises. Said special counsel need not be a resident of the Town. The Selectmen, by unanimous vote, may compromise any claim against the Town whenever they have so recommended in writing and the Finance Committee authorizes a transfer therefor from its reserve fund.

Section 3. The Board of Selectmen is empowered to cause parking meters to be placed on any public way of the Town, at such places, other than residential districts, and in such manner and at such rates as it may determine.

The revenue collected from parking meters shall be turned over to the Town Treasurer. The Board of Selectmen is empowered to use said revenue for the installation, replacement, or maintenance of said parking meters when necessary or for the acquisition, maintenance and improvement of off-street parking areas and facilities.

ARTICLE VII

Town Clerk

Section 1. The Town Clerk shall keep a true copy, in books to be kept for such purposes alone, of all deeds, permits, licenses, and grants issued and executed by the Selectmen and of such other instruments executed by the Selectmen in accordance with the provisions of these by-laws. He shall not allow original papers or documents of the Town to be taken from his office, except as they remain in his custody, or by authority of law.

Section 2. The Town Clerk shall cause every conveyance to the Town of any interest in land to be properly recorded in the appropriate Registry of Deeds or Land Registration Office. After recording, the deeds shall be delivered to the Town Treasurer in whose custody they shall remain.

Section 3. The Town Clerk shall keep and cause to be permanently bound one or more files of the Town Reports. He shall publish in the annual printed report of the Town a copy of his record of all Town Meetings that have been held during the preceding year. The record of the Town Meeting proceedings and the Attorney General's approval, if any, for each Warrant Article shall be set forth immediately following the article itself.

Section 4. The Town Clerk shall notify, or cause to be notified, all persons chosen or elected by the town or appointed on committees, of their election, choice or appointment. He shall furnish all boards and committees with a copy of all votes affecting them.

Section 5. The Town Clerk shall furnish blanks, with appropriate headings, upon which petitions, reports and other papers in the ordinary course of town proceedings, may be prepared.

Section 6. The Town Clerk shall furnish the various town officers and committees a copy of such action of the town as affects them respectively immediately after the Town Meeting; and he shall forward to the Attorney General's office immediately after dissolution of the Town Meeting copies of new by-laws and zoning regulations.

Section 7. A record available for public inspection shall be kept by the Town Clerk of the attendance of Town Meeting Members at each Town Meeting or adjourned Town Meeting thereafter and a composite attendance record of all town meeting members shall be presented promptly after the dissolution of the warrant by the Town Clerk to at least one newspaper of general circulation in the town so that such an attendance record may be published in its news columns.

Section 8. Upon receipt of notice in writing from any voter of the Town to the effect that a Town Meeting member has removed his residence from the Town, the Town Clerk shall immediately verify such information, and upon such verification, shall cause the vacancy to be filled in a manner provided for by law.

Section 9. The Town Clerk, upon notification by petition of no fewer than three registered voters of the Town, indicating that a vacancy exists in Town Meeting Membership and explaining in what manner the vacancy exists, shall make public announcement through the news media within one month of the petition date, that there is or is not a vacancy, and shall, at the same time, announce the new appointment to fill this vacancy if it exists.

ARTICLE VIII

Town Counsel

Section 1. The Selectmen shall hereafter annually on or before the first day of April, and whenever a vacancy shall exist, choose some competent lawyer, residing in the Town, who shall be a member in good standing of the Massachusetts Bar, to act as Town Counsel. He shall receive such salary or compensation as they

may determine, not to exceed in the aggregate the amount annually appropriated therefor.

Section 2. The term of office of said Counsel shall begin from the time of his acceptance of appointment and shall continue until the appointment and acceptance of his successor.

Section 3. The Town Counsel shall draft all bonds, leases, obligations, conveyances, contracts, and other legal instruments, and do every professional act which may be required of him by vote of the Town, and shall furnish a written opinion on any legal question that may be submitted to him by any Town Board or Committee on a matter concerning such Board or Committee and shall at all times furnish legal advice to any officers of the Town upon any subject concerning the duties incumbent upon such officer by virtue of his office, upon request of such officer submitted through the Board of Selectmen.

Section 4. He shall prosecute all suits ordered to be brought by the Town, and shall appear before any Court in defense of all actions or suits brought against the Town or its officers in their official capacity; shall try any and all cases in which the Town shall be a party, before any tribunal or before any board of referees, commissioners, state departments and legislative committees.

Section 5. The Town Counsel shall not make final settlement of any litigation to which the Town is a party, unless he has been duly authorized by the unanimous vote of the Selectmen, or by vote of the Town Meeting.

Section 6. Every officer in charge of a department shall immediately make a report in writing to the Town Counsel whenever any transaction, act, omission to act, or negligence affecting his department occurs which results in or may occasion any injury to any person or property; and any police officer having knowledge of any such transaction, act, omission to act, or negligence shall make a similar report, whereupon the Town Counsel shall make a careful and complete investigation of all the facts relative thereto, and report to the Selectmen.

Section 7. The Town Counsel shall, if requested by the Selectmen, prosecute in the local district court any case of violation of the Statutes of the Commonwealth or By-Laws of the Town.

Section 8. The Town Counsel shall annually make a written report to the Selectmen to be printed in the annual town report, concerning the professional services rendered by him during the preceding year. Said report shall contain a statement of each case which has been settled, tried, or otherwise disposed of by him during the year; and also a statement of each case which is still pending, and the status of same, together with such other information and recommendations as he may deem advisable.

Section 9. No town officer or board shall, unless authorized by the Board of Selectmen, employ, advise with or consult any attorney or counselor-at-law other than the Town Counsel, with regard to any town business, or the business of any of the departments, or the duties of any such officers or boards, whenever any charge therefor is to be made to the town, or is to be paid out of the funds of the Town, or out of any department thereof.

Section 10. The Town Counsel shall notify in writing all officers or Boards of the Town of any changes in the laws of the Commonwealth affecting such officers or boards.

ARTICLE IX

Board of Public Works

Section 1. The Board of Public Works shall have the general direction and management of the affairs of the Town concerning public water supply, sewerage, highways, sidewalks, shade trees, signposts, garbage and refuse collections, and shall have supervision of the Town Gravel Pit and the Town Dump.

Section 2. The Board of Public Works may make a charge for use or rental of road machinery used on construction work authorized by town meeting vote.

Section 3. All receipts from charges for use or rental of road machinery shall be paid over to the Town Treasurer and credited to an account entitled Road Machinery Account, the proceeds to be thereafter appropriated as voted by the Town for road machinery purposes.

Section 4. Road machinery and equipment owned by the Town shall not be used for purposes other than Town or civic projects.

Section 5. The Director of Public Works or other officer having charge of ways, for the purpose of removing or ploughing snow, or removing ice, from any way may remove or cause to be removed to some convenient place, including a public garage, any vehicle interfering with such work. He shall keep or cause to be kept, records of the registration number of each vehicle so removed and the place to which it is removed and shall within twelve hours report said information to the Police Department of Natick who shall notify the owner or his agent.

Before the owner or his agent shall be permitted to remove a vehicle which has been removed as aforesaid to a public garage or other convenient place, he shall:

A. Furnish satisfactory evidence to the owner or person in charge of said public garage or to the Chief of Police of his identity and ownership or right to the possession of said vehicle,

B. Pay the reasonable cost, not exceeding ten dollars, of removing said vehicle to the place of storage and all storage charges, if any, not exceeding fifty cents per day, together with the cost of publishing or sending any notices required hereunder.

Section 6. Whenever betterments are assessed in connection with a public way, the entire cost of the construction of streets on said ways shall be assessed to the abutters and one-half of the costs of construction of sidewalks shall be assessed to the abutters, provided however, that this section shall not apply to a subdivision of land under Section 81 of Chapter 41 of the General Laws as Amended.

Section 7. Sewer Assessment

A. Purpose and Authorization

To assess all properties receiving benefit or advantage from public sewerage construction within a limited and determinable area in accordance with the formal vote or order of the Commissioners of Public Works of the Town of Natick in accordance with Chapter 80, Section 1 of the General Laws and any other applicable statute, general or special.

B. Basic Requirements

The Commissioners of Public Works of the Town of Natick shall assess sewerage construction costs to all properties receiving benefit or advantage on the basis of the unit method as hereinafter defined. Said Commissioners shall separate the costs of the general benefit facilities, such as pumping stations, trunk, and force mains, from that of the special benefit facilities, such as the sewer mains serving adjacent properties. The proportional cost of the special and general benefit facilities shall be assessed against all properties abutting a sewered street upon such sewer becoming operational. The cost of the general benefit facilities, attributable to lands not abutting a sewered street, shall not be assessed until the properties are serviced by public sewerage. The Town will temporarily pay this delayed cost of the general benefit facilities until such lands are serviced by public sewerage.

C. Definitions. For the purpose of this By-Law the following words shall be considered to have the following meanings:

1. Unit Method: a means by which sewerage construction costs shall be equally divided between the total number of existing and potential sewer units to be served after having proportioned the costs resulting from special and general benefit facilities.
2. Sewer Unit: assessment equivalent correspondent to a single family residential lot as permitted under the zoning by-laws of the Town of Natick.
3. Dwelling Unit: one or more rooms providing complete living facilities for one family, including equipment for cooking, or provisions for the same, and including room or rooms for living, sleeping and eating.
4. Multifamily Use: occupancy of premises with two or more dwelling units.
5. Commercial Use: occupancy of premises for financial gain including profit such as business and industrial uses.
6. Semi-public Uses: occupancy of premises by private non-profit organizations such as schools, hospitals, and religious institutions.
7. Lateral Line: sewer conduit from a house to a street.
8. Sewer Main: the line serving as a conduit for sanitary sewerage from the lateral lines from each individual property.
9. Trunk Main: the line serving as a conduit for sanitary sewerage from a number of sewer mains and lateral lines. Trunk mains shall be considered as those lines ten (10) inches and over in diameter.
10. Force Main: a line without access from individual properties providing access from pumping station to pumping station or to trunk and sewer main.

11. Zoning By-Law: the Zoning By-Law in effect in the Town of Natick at the time the sewerage betterment assessment is levied.
12. Special Benefit Facilities: the sewer main to which a lateral line from an individual abutting property can be connected.
13. General Benefit Facilities: improvements such as pumping stations, trunk and force mains which will provide benefit or advantage to an area exceeding that served by the special benefit facilities. Ordinarily general benefit facilities will serve a major part of a pumping district.
14. Commissioners of Public Works: The Commissioners of the Natick Board of Public Works.

D. Sewerage Cost Apportionment

All properties to receive benefit or advantage from public sewer construction after the adoption of this By-Law shall be subject to the unit method of sewerage betterment cost apportionment. Betterments shall be assessed for 75 per cent of the cost to be paid by the Town.

Each parcel of land in a pumping district shall be converted into permanent sewer units for the purpose of proportionally dividing the construction costs. For assessment purposes a sewer unit shall be equivalent to a single family residential lot of the minimum frontage and depth requirements specified in the Zoning By-Law for the district in which the property is located.

If a lot containing a dwelling unit or structure used for commercial or semi-public purposes is smaller than that required by the Zoning By-Law for residential purposes, it shall be assessed one unit. If a dwelling unit is so situated on two or more adjacent residential lots so that only one residence is allowable, or if an owner with two or more such adjacent lots is using one lot for his house and the remainder is vacant, he will be assessed one sewer unit until such land is further developed. At the time of development proportional assessment will be made based on previously established permanent sewer units. Multifamily residences shall be assessed one sewer unit for each dwelling unit.

Commercial and industrial and semi-public uses shall be converted into sewer units on the basis of the minimum frontage and depth requirements of the nearest single family residential district with the largest common frontage.

If any parcels of land are ever converted to a more intensive use by new construction, zoning changes, or variance of the Zoning By-Laws, resulting in an increment in sewerage benefit to the parcel greater than that established at the time of the original assessment, the Commissioners of Public Works shall proportionally assess the more intensive use.

The following methodology is presented as a guide for apportioning the cost of sewerage construction using the unit method:

1. The cost of the general benefit facilities and the special benefit facilities shall be separated from each other. The cost of the general benefit facilities shall be divided into two parts:
 - a. The cost apportioned to the lands abutting existing streets which will receive direct benefit and advantage upon connection to the sewerage system and
 - b. the cost apportioned to the lands not abutting the existing streets to be sewer, which cost will accrue at a later date.
2. The proportion of a property abutting a street to be sewer that will benefit from the improvement shall be converted into sewer units as follows:
 - a. Existing residential uses including multi-family uses shall be converted into sewer units on the basis of the number of dwelling units in the structure.
 - b. Existing commercial and semi-public uses shall be converted into sewer units. The street frontage of the property including all which is actually developed for use at the present time shall be divided into sewer units on the basis of the frontage and depth requirements specified for the single family zoning district in closest proximity to it. These parcels shall be assessed for both special and general benefit costs. The remainder of the property shall be divided into residential units as above after having made allocation for potential roadways and lands not useable. These latter parcels shall be assessed only for the general benefit facilities.
 - c. Potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Law for the district in which such lands are located.

- d. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage.
3. Properties not immediately benefiting from sewer improvements in the determinable area but which will benefit at a later date shall be converted into sewer units.
 - a. Existing and potential residential lands shall be converted into sewer units on the basis of the frontage and depth requirements for a lot specified in the Zoning By-Law for the district in which such lands are located after having made allocation for potential roadways and lands not useable.
 - b. Potential commercial lands shall be converted into sewer units on the basis of the frontage and depth requirements specified in the Zoning By-Law for the single family zoning district in closest proximity with the largest common frontage after having made allocation for potential roadways and lands not useable.
4. The unit cost for special benefit facilities shall be allocated to all properties abutting an existing street by dividing the cost of the special benefit facilities (item D-1) by the total number of sewer units calculated for such area (item D-2).
5. The unit cost for general benefit facilities shall be allocated to all properties within the limited and determinable area by dividing the cost of the general benefit facilities (item D-1) by the total number of sewer units within such area (item D-2 plus D-3).
6. The total unit cost for all properties abutting an existing street shall be calculated by adding the unit cost of the general and special benefit facilities together.
7. The proportional unit cost which will temporarily be payable by the Town, but reimbursable when the properties directly benefit from the general benefit facilities shall be calculated by multiplying the number of sewer units attributable to the area not receiving immediate benefit (item D-3) by the unit cost for general benefit facilities (item D-5).

E. Sewerage Connection

An abuttor to a completed section of a sewer line may connect to the completed line before the entire sewer project is completed and assessed, provided that he makes a stipulated monetary deposit and signs an agreement with the Department of Public Works to the effect that he will pay the balance of the assessment when levied.

ARTICLE X

Collector of Taxes

Section 1. The aggregate annual compensation of the Collector of Taxes shall be limited to the amount of the appropriation therefor.

Section 2. The Collector of Taxes shall collect, under the title of Town Collector, all accounts due the Town which are committed to him.

Section 3. Every department of the town shall deliver to the Town Comptroller at least once in every month a separate statement of each account due the town arising through any transaction with such department. Upon receipt of such statements of accounts the Town Comptroller shall commit such accounts to the Town Collector for collection. This section shall not apply to taxes and special assessments, licenses and permits issued or granted by the various departments of the town nor to costs and fees charged by said departments, nor to interest on investments of sinking or Trust funds.

Section 4. Any account committed by the Town Comptroller which the Town Collector is unable to collect by ordinary efforts may be referred by the Town Collector to the Town Comptroller or Town Counsel for instructions as to procedure. So far as permitted by law, any account or portion thereof may be abated by the department in which such account originated. The Town Comptroller shall be notified in writing of the abatement of any such committed account or portion thereof.

Section 5. The Town Collector shall, once in each week or oftener, pay over to the Treasurer all money received by him during the preceding week or lesser period on every such account, including any sums received as interest on moneys

received by him on such accounts and deposited in any bank. He shall give bond to the town for the faithful performance of his duties in a form approved by the Commissioner of Corporations and Taxation and in such sum, not less than the amount that may be established by said Commissioner, as shall be fixed by the Selectmen and that the effective date thereof, after approval by the Attorney General, be determined by the Board of Selectmen.

ARTICLE XI

Other Boards, Commissions, and Departments

Section 1. There shall be a Council for the Aging consisting of the Chairman of the Board of Public Welfare, the Chairman of the Recreation Commission, or their representatives, and not less than three nor more than seven additional members appointed by the Board of Selectmen from the voters and residents of the Town. The Chairman of the Council shall be designated from time to time by the Board of Selectmen. Appointees shall hold office until successors are designated. It shall be the duty of the Council to carry out programs designed to meet problems of the aging in coordination with programs of the Council for the Aging established under Section 73 of Chapter 6 of the General Laws of the Commonwealth of Massachusetts.

Section 2. All references to Town Accountant or Town Comptroller in these by-laws, except in the Pay Plan, shall apply to Town Comptroller or Town Accountant, whichever is the senior position.

ARTICLE XII

Town Employees and Personnel Board

Section 1. Personnel Board. There shall be a Personnel Board appointed by the Moderator consisting of five (5) members. Each member shall be appointed for a three year term beginning and expiring on April 1, two members one year, two the following year, and one the third year. Each incumbent shall continue to serve until his successor is appointed. In the event that a vacancy occurs in the membership, the Moderator shall appoint a new member to fill the unexpired term.

The Personnel Board shall be responsible for the administration and maintenance of the Classification and Pay plan of all town employees, excepting those employees appointed by the School Committee and Welfare Department. The Board shall establish and interpret personnel rules and policies as defined in the following sections, and such rules, policies and interpretations shall be final and binding.

Section 2. Classification. The Official Classification Plan for positions in the service of the Town shall consist of the classifications listed in Schedule A which is incorporated as an integral part of this Article.

The title of each classification shall be the official title for all purposes having to do with the position as such, and shall be used to designate the position in all payrolls, budget estimates, and official records and reports, and in every other connection involving personnel and fiscal processes, but any abbreviation or code symbol approved by the Personnel Board may be used in lieu of the title to designate the classification in any such connection.

Section 3. Pay Plan. The official pay plan shall consist of two parts:

A. The minimum and maximum salaries to be paid for each position included in the classification plan, and

B. Designated step-rate increases for each such salary range as such salary ranges shall, from time to time, be established by vote of the Town.

The Personnel Board shall have the right to establish the salary schedule which shall be paid in a new position title necessary to the conduct of the business of the Town.

The following official pay plan shall constitute the basic pay rates for all appointive employees of the Town, except those appointed by the School Committee and those appointed by the Public Welfare Department.

(List of Position Titles and Rate Ranges is omitted. They may be found in the Finance Committee Reports. The by-laws relating to the "Employee Classification and Pay Plan" do not include the job classifications and salary ranges which are constantly changing. They do not require Attorney General approval).

Section 4. Continuing Review

The Personnel Board from time to time, shall initiate reviews of the work of all positions subject to the provisions of this by-law. Such reviews shall be scheduled as often as it finds necessary to reflect changes in the classifications as established or to establish new classifications as conditions may warrant. It shall likewise make such studies of pay rates in effect in comparable positions outside of the service of the Town as it may deem appropriate.

The Personnel Board shall make recommendations to the Town for adjusting the Pay Plan in conformance with such studies. These recommendations shall be included as an appendix to the report of the Finance Committee as published. The Pay Plan as last established by vote of the Town at an Annual Town Meeting shall be effective for the entire fiscal year.

The Personnel Board shall recommend to the Town such amendments to the classifications and pay plans, and to the provisions for administering such plans, as may to the Board appear necessary.

Requests for changes of the Classification and Pay Plans shall be made to the Personnel Board not later than the second Tuesday of September. The Personnel Board shall then hold a meeting to consider such requests.

Section 5. Job Descriptions

The Personnel Board shall provide, and may amend from time to time, a written description of the work performed in each position subject to the classification plan, each such description consisting of statements describing the essential nature of the work characteristics of such position that distinguish such position from other positions in the classification plan, with such examples as may be deemed appropriate.

The job descriptions shall be interpreted as descriptive only and not restrictive. They shall be construed solely as a means of distinguishing one position from another and not as prescribing what the duties or responsibilities of any position shall be, or, as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of, any employee under the jurisdiction of such authority.

Section 6. Allocations of employees

The Personnel Board, with the advice of the Department Heads, shall allocate each employee subject to the provisions of the classification plan, to his appropriate classification. The Personnel Board, when requested, shall afford reasonable opportunity to be heard to any employee or Department Head affected by the rulings of the Board.

Section 7. Requisitions

All requisitions for persons to fill positions or perform duties subject to the Classification Plan shall be submitted to and authorized by the Personnel Board.

All changes of classification, transfers, changes in salary or other changes in the personnel status of employees subject to the classification plan shall be reported to the Personnel Board in writing prior to the effective date of any such changes.

Section 8. Records

The Town Comptroller shall keep such records, of all employees of the Town, including the name, age, date of employment, classification, department in which employed, and other information as the Personnel Board shall deem necessary.

Each Department Head shall submit to the Town Comptroller with each weekly payroll, on the form prescribed by the Personnel Board, a report of all full-time employees of the department absent from duty during the payroll week immediately preceding, specifying in each case whether the employee was absent on vacation leave, on leave of absence, on occupational sick leave, or non-occupational sick leave, or specifying the nature of his absence if it is not for one of the foregoing reasons. A record shall also be submitted of the total hours worked by each part-time employee.

Section 9. Employees

A full-time employee is one who is scheduled for not less than eight hours per diem (seven and one-half hours per diem for Junior and Senior Clerks) for fifty-two weeks per annum minus legal holidays and authorized leaves.

A part-time employee is one who is employed for less than a full-time employee as defined above, except that those part-time employees who work for a period, without interruption, exceeding six calendar months and at least 1040 hours each year, shall be entitled to benefits as described in sections 11, 12, and 13.

Section 10. Work Week

All full-time employees included in the Classification Plan (except the Personnel of the Fire Department, Department Heads, and such other personnel as the

Personnel Board shall determine) shall have hours of duty restricted to eight (8) hours in any one day and the scheduled work week shall not exceed forty (40) hours. Service in excess of forty (40) hours actually worked in one work week may be authorized, in emergency, by an officer of the Town whose duty it is to employ, direct or control such employees and such additional service shall be compensated for as overtime at time and one-half rates.

The hours of duty of the permanent members of the uniformed fire fighting force of the Town shall be so established by the Selectmen, acting through the Chief of the Fire Department, that the average weekly hours of duty in any one year, other than hours during which members may be summoned and kept on duty because of conflagrations or emergencies, shall be fifty and four tenths (50.4) in number with the exception of those personnel assigned to special duty by the Chief of the Fire Department.

Section 11. Legal Holidays

Legal holidays shall include: New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving and Christmas.

Any full-time employees and part-time employees who work for a period, without interruption, exceeding six calendar months and at least 1040 hours each year, and all of whom are included in the Classification Plan, shall be paid for one day at regular straight time pay for the legal holidays which fall on, or are observed on, regularly scheduled work days; provided that the services of any such employee shall have been actually performed during the work day immediately preceding and the work day actually following any such legal holiday, unless duly authorized leave of absence shall have been granted for either of such days.

Legal holidays falling within a scheduled work week are to be considered as eight (8) hours actually worked during said scheduled work week.

In the Police and Fire Departments those employees performing their official duties on such legal holidays shall receive an extra day's pay; provided that if an employee shall work during periods inclusive of more than one shift, watch or tour of duty on the same legal holiday he shall receive an extra day's pay for the first such shift, watch or tour of duty only.

Section 12. Vacations

Any full time employee (except librarians and assistant librarians as hereinafter provided for and except school teachers) who has been in the employment of the Town for one year, shall be entitled to two weeks vacation, with pay, in each calendar year; and any such employee who has completed ten years service shall be entitled to three weeks vacation with pay in each calendar year commencing subsequent to completion of such service; and, any such employee who has completed twenty years service shall be entitled to four weeks vacation, with pay, in each calendar year commencing subsequent to completion of such service. In any calendar year the Trustees of the Library may grant vacations with pay not exceeding four weeks to librarians and assistant librarians. No vacation is to be cumulative beyond the calendar year in which allowed.

Any full time employee, not subject to the provisions of Section II and Section III E of Chapter 41 of the General Laws, whose employment is terminated during a year by dismissal through no fault or delinquency on his part or by resignation, retirement or death, without his having been granted the vacation to which he is entitled, he, or in the case of his death, his estate, shall be paid at the regular rate of compensation payable to him at the termination of his employment, an amount in lieu of such vacation; provided that no monetary or other allowance has already been made therefor. The official head of the department in which the person was last employed shall enter on the departmental payroll all amounts due and payable under the above paragraph.

Part-time employees who work for a period, without interruption, exceeding six calendar months and at least 1040 hours each year shall be entitled to the amount of vacation-leave in the ratio that their part-time employment bears to full time employment.

Section 13. Sick Leave

Any full time employee (except for those appointed by the School Committee and those appointed by the Welfare Department) in the employ of the Town shall receive sick leave benefits subject to the following provisions:

A. If an employee is incapacitated in the performance of his duties and is so

certified in writing by a practicing physician, the term of receiving compensation shall be based on the following:

1. If such employee is insured under the Workmen's Compensation Law, the Town, upon approval by the Personnel Board of the employee's claim to occupational sick leave payments shall make up the difference between the employees' regular compensation and the amount paid by the insurer. For the purposes of calculating payments by the Town under this paragraph, the phrase "amount paid by the insurer" shall mean the amount paid for "Wage Benefits" only and not the amounts paid by said insurer for medical benefits, hospital benefits or other features. After payments by said insurer have ceased, further payments by the Town shall be made only upon the report of the employing department head supported by further written medical testimony, and shall be subject to the approval of the Personnel Board. As used in this paragraph, the word "insured" shall have the same meaning as is prescribed in Sub-Section 7 of Section 1 of Chapter 152 of the General Laws, as amended.

2. If an employee is not insured under the Workmen's Compensation Law, full pay shall be awarded for the first three days of incapacity upon approval of the employing department head and thereafter further payments by the Town shall be made only upon the specific recommendation of the employing department head supported by written medical testimony, and shall be subject to approval of the Personnel Board.

B. After six months full time employment, during which period no benefits shall accrue except as otherwise provided in paragraph A hereof, employees shall be entitled to one day sick leave with pay for each month of full time employment. Employees may accumulate unused benefits up to a total of ninety days. Benefits by way of accumulated days of sick leave for past years of service shall be granted by the Personnel Board to full time employees at the rate of two days of sick leave for each year of full time service to the Town as of the effective date hereof but not to exceed thirty days.

C. The granting of non-occupational sick leave and payment of compensation during such period shall be subject to the following provisions:

1. An employing department head, without prior approval of the Personnel Board or medical evidence, may grant sick leave with pay to any employee of his department for a maximum of six days in any calendar year but not more than three days at any one time.

2. For any period in excess of three days the employing department head after investigation shall submit a report to the Personnel Board which shall be considered along with written medical evidence submitted by the employee and a determination shall be made by the Personnel Board of the employee's rights to the benefits set forth in paragraph B of this section.

3. No sick leave benefits shall be granted to seasonal, part-time or temporary employees nor shall any benefits be granted for pregnancy, excessive use of alcohol or drugs. Part-time employees who work for a period, without interruption, exceeding six calendar months and at least 1040 hours each year shall be entitled to the amount of sick leave in the same ratio as their part-time employment bears to full-time employment.

4. Full time employees compensated on an hourly basis shall receive benefits hereunder at the rate of the standard Town work week hours times the hourly rate of the employees.

5. Upon the request of the employee bereavement leave without loss of pay not exceeding three days shall be allowed by the employing department head for death in an employee's immediate family. Immediate family shall be defined as parents, spouse, parents of spouse, children, brother or sister.

D. Nothing in this Section shall be construed to conflict with Chapter 31 of the General Laws as amended. The provisions of this by-law are hereby declared to be severable and if any such provision or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional such ruling shall not be construed to effect the validity, legality, or constitutionality of any of the remaining provisions or the application of said by-laws to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

Section 14. Temporary and Part-time Employees

Temporary and occasional employees shall be paid upon that wage schedule

which applies to the position titles to which they are assigned in accordance with their total length of service in those position titles by reason of former employment by the Town.

The Personnel Board shall have the right to establish at any time, and to withdraw at any time, temporary pay differentials in excess of the rates as set forth in the Pay Plan for any position title, when, in its judgment, such measures are required to meet special situations arising from seasonal or other temporary employment conditions.

Section 15. Promotion and Demotion

Promotion is a change from a position of a lower classification and compensation to a position of higher classification and compensation and greater responsibilities. When an employee is promoted, he shall enter the new position at the minimum rate of the range for the appropriate compensation grade, or at the step rate above his present rate, whichever is higher. He may receive an additional one step rate increase at the time if the Department Head feels that qualifications and performance warrant it and the Personnel Board approves.

If an employee should be transferred to a lower rated job, he shall enter it at his own rate or at the maximum of the job, whichever is lower.

Section 16. Medical Examinations

Every applicant for permanent appointive employment by the Town (except those appointed by the School Committee and those appointed by the Welfare Department) shall be certified by a practicing physician, designated by the Personnel Board, as to his or her physical fitness to perform the duties of the position to which such applicant seeks appointment. If the Personnel Board deems such action necessary to the protection of the Town, it may require any applicant for temporary appointive employment by the Town who is to be employed for thirty days or more, or any temporary appointive employee who has been employed by the Town for thirty days and has not been so certified, to be certified by a physician, designated by the Personnel Board, as to his or her physical fitness to do the work required by the Town. The certification required hereunder shall be in such form as the said Board shall determine. The cost of any physical examination required by this section shall be paid by the Town.

Section 17. Grievance and Public Hearing

Any permanent full-time employee who is discharged, suspended, or demoted, whose position is classified under the Pay Plan under authority of Section 3 of Article XII of the By-Laws (except those appointed by the School Committee and those Town employees under Civil Service) shall have a right to a review of his case by a public hearing before the Personnel Board, if he files such a request in writing at the Town Comptroller's office, within ten days of his discharge, suspension or demotion.

The Personnel Board, together with the Town Counsel, shall hold such a hearing as soon as practicable, and may establish rules and policies for the administration thereof and shall have final determination of all matters arising out of this Section. The Town Counsel shall sit only as an advisory member.

Every member of a Town Board, commission, committee, or department head, by whose order of authority the said employee was discharged, suspended, or demoted, shall appear before the Personnel Board at such hearing if so requested.

Within fifteen days after said hearing the Personnel Board shall make its findings and decision in writing, and a copy thereof sent to all parties concerned within ten days after filing of the report at the office of the Town Comptroller.

The Personnel Board may, if it shall so decide, publish its report in such a manner as it deems fit.

Within five days after the receipt of the decision of the Personnel Board, every member of a Town Board, Commission, Committee or Department Head by whose order or authority the said employee was discharged, suspended, or demoted, shall notify the Personnel Board in writing of his intent to comply with the findings and decision of said Personnel Board.

Nothing in this Section shall be construed to conflict with Chapter 31 of the General Laws as amended. The provisions of this by-law are hereby declared to be severable and if any such provision or the application of any such provision to any person or circumstance shall be held to be invalid, illegal or unconstitutional shall not be construed to effect the validity, legality, or constitutionality of any of the

remaining provisions or the application of said by-laws to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

Section 18. Civil Service Law

Nothing in this by-law shall be construed to conflict with Chapter 31 of the General Laws.

Section 19. Repeal of Validity

All by-laws or part of by-laws in conflict with this by-law are hereby repealed.

If any section, subsection, sentence, clause, phrase, or figure of this by-law is for any reason held to be unconstitutional or invalid, such decision and invalidity or voidance shall not affect the validity of the remaining portions of this by-law. The Town Meeting hereby declares, that it would have passed this by-law and each section, subsection, sentence, clause, phrase, or figure thereof even if it had known that any one or more sections, subsections, sentences, clauses, phrases, or figures shall be declared unconstitutional or void.

This by-law shall take effect and be in force from and after the earliest period allowed by law.

Schedule A. Identical to the Classification and Pay Plan approved under Article I of the A.T.M. of 1966.

ARTICLE XIII

Police Regulations

Use of Public Ways and Sidewalks

Section 1. No persons except officers of the town in the lawful performance of their duties and those acting under their orders, shall obstruct any sidewalk or street or any part thereof, or break or dig the ground of the same, without first obtaining a written license from the Selectmen therefor.

Section 2. No person shall place or cause to be placed upon any public sidewalk or street any rubbish, debris, or broken glass, or paint, print, word, figure, or picture, except when authorized by the Board of Public Works and except as provided in Section 3 hereunder.

Section 3. Every person intending to erect, repair or take down any building on land abutting on any street or way which the town is required to keep in repair, and who desires to make use of any portion of said street or way for the purpose of placing therein building materials or rubbish, shall give notice thereof to the Selectmen. The Selectmen may grant a permit to occupy a portion of said street or way, and such permit shall be upon the condition that the licensee shall keep a sufficient number of lighted lanterns at or near the parts of the street or way obstructed or unsafe, and shall keep a railing or guard around the same, while such obstruction shall continue. If such obstruction is more than a temporary condition the licensee shall place a good temporary walk around said obstruction, and at the completion of the work shall restore the street or way to its former condition.

Section 4. Before obtaining a license as specified in the preceding section the person applying for the same shall execute a written agreement to indemnify and save harmless the Town against and from all damages, by reason of cost or expense it may suffer or be put to by reason of any claim for damages or by reason of any proceeding, criminal or civil, on account of the existence of such obstruction or excavation.

Section 5. No person shall, without written permit from the Selectmen, place or cause to be placed upon any sidewalk any object so as to obstruct the sidewalk for more than one hour, or for more than ten minutes after being notified by a police officer or Selectman to move it.

Section 6. No person shall operate or place a motor vehicle, or trailer which is drawn by or used in combination with a motor vehicle, or any object having an overall weight in excess of one half ton, upon a public sidewalk, except in using an established driveway, without a permit from the Board of Public Works which may, before issuing a permit, require the applicant to execute a written agreement to indemnify and save the Town harmless against and from all cost for the repair of damage to the sidewalk caused by such use, or by reason of any cost or expense it may suffer or be put to by reason of any claims for damages against the Town resulting from such use.

Section 7. The Selectmen may designate certain streets or portions of streets

upon which coasting may take place, and such areas shall be so obstructed as to prevent passage of motor vehicles thereon during such hours as coasting may be likely to occur.

Section 8. Three or more persons shall not stand together or near each other in any street, or on any footwalk or sidewalk, or upon any land left open between the curbing and building facing thereon and left open and used as a sidewalk in the town, so as to obstruct the free passage of foot passengers; and any person or persons so standing shall move on immediately after a request to do so made by any police officer of the town.

No person shall loaf or loiter upon any public way after having been requested by a police officer to move.

Section 9. No person shall extinguish any street light, or extinguish and remove any light placed to warn the public against an obstruction or a defect in any street or way, unless such person is authorized by those having charge of such lights, or of the street or way, so to do.

Section 10. No person shall throw stones, snowballs, or other dangerous articles within any public way, nor play at baseball or football within any public streets of this town.

Section 11. No person shall carry or transport for hire any garbage or refuse in or through any public way or square in the Town of Natick, unless duly licensed by the Board of Selectmen upon such terms and conditions as said Board may deem necessary for the health, comfort and convenience of the Town. The Board of Health shall submit recommendations thereunder when requested by the Board of Selectmen.

Disorderly Behavior

Section 12. No person shall willfully mar, deface, or damage any public playground, tree, shrub, flower bed, grassy border, structure or device unless authorized by the Board of Selectmen or Department of Public Works.

Section 13. No person shall use any indecent, or profane language in any public place in the town or near any dwelling house or other building therein.

Section 14. No person shall enter upon the premises of another for the purpose of committing any wanton or malicious act, nor for the purpose or with intention of invading the privacy of another by peeping into the windows of a house or spying upon any person or persons resident therein.

Miscellaneous

Section 15. No person shall fire or discharge any firearms of any kind nor shall use bow and arrow where the arrow is equipped with a metal or other dangerous tip within the limits of any highway, park, or other public property or on any private property, except with the written consent of the owner or legal occupant or person having the right of control thereof, provided, however, that this by-law shall not apply to the lawful defense of life or property or to any Military exercises or funeral.

Section 16. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

Section 17. Unless authorized by the Board of Selectmen, no person shall in a residential district store any unregistered motor vehicle or component part or parts thereof in a front yard, front driveway, or on a vacant lot; nor shall any person, without such authorization keep ungaraged on any lot in such a district more than one such unregistered motor vehicle or component parts thereof.

ARTICLE XIV

Fire Regulations

Section 1. The Chief of the Fire Department, or any member of said Department, authorized by the Chief as an Inspector, may at all reasonable hours, enter any building or premises for the purpose of making any inspection, or investigation which, under the provisions of Town by-law, State law, rule or regulation, he or they may be authorized to make.

Section 2. Whenever the Chief or any Inspector of the Fire Department shall find in any building or upon any premises dangerous or hazardous conditions as hereinafter defined, such conditions shall be removed or remedied in any reasonable manner and within such time as ordered by the Chief of the Fire Department.

- a. Dangerous or unlawful amounts of combustible or explosive matter;
- b. Hazardous conditions arising from defective or improperly installed equipment for handling or using combustible or explosive matter;
- c. Dangerous accumulations of rubbish, waste paper, boxes, shavings or other highly flammable materials;
- d. Accumulations of dust or waste material in air conditioning systems or of grease in kitchen exhaust ducts;
- e. Obstructions to or on fire escapes, stairs, passageways, doors or windows, liable to interfere with the operations of the Fire Department or egress of occupants in case of fire;
- f. Any building or other structure which, for want of repairs, lack of exit facilities, or dilapidated condition, or from any other cause, creates a fire hazard.

The service of such orders as mentioned in this section may be made upon the owner or occupant either by delivering a copy to him personally, or in the case no such person is found, by affixing a copy thereof in a conspicuous place on said premises, or by mailing such copy by registered mail to the owner's last known post office address as appearing on the Assessor's records.

Section 3. The Chief of the Fire Department shall inspect each business, mercantile and manufacturing establishment, school, place of assembly, hospital, place of detention, rooming house, motel, hotel, nursing home, rest home and multi-family house; and shall specify suitable fire detecting devices or extinguishing appliances which shall be provided, in or near furnace rooms, kitchens of restaurants and like establishments, storage rooms containing combustible material, rooms in which hazardous manufacturing processes are conducted, garage sections, and other places of a generally hazardous nature. Such devices or appliances may be approved by the Chief of the Fire Department. In specially hazardous processes or storages, appliances of more than one type or special systems may be required.

Sprinkler systems, standpipe systems, fire alarm systems, and other fire protective or extinguishing systems or appliances which have been installed in compliance with this by-law, shall be maintained in operative condition at all times and it shall be unlawful for any owner or occupant to reduce the effectiveness of the protection so required; except that this shall not prohibit the owner or occupant from temporarily reducing or discontinuing the protection where necessary to make tests, repairs, alterations or additions. The Chief of the Fire Department shall be notified before such tests, repairs, alterations or additions are started, unless the work is to be continuous until completion.

Section 4. No person shall make a fire in any public way or public place without first having obtained in writing the permission of the Chief of the Fire Department or his authorized representative.

ARTICLE XV

Junk Collectors and Dealers

Section 1. The Selectmen may license suitable persons as junk collectors to collect, by purchase or otherwise, junk, old metals and second-hand articles from place to place in the Town and no person shall engage in the business without such license.

Section 2. The Selectmen may require all such collectors and their employees or agents to display badges upon their persons or vehicles, or both, when engaged in said business and may prescribe the design thereof.

Section 3. The Selectmen may require that any place, vehicle or receptacle used for the collecting or keeping of said articles be examined at any time by said Selectmen or their agent.

Section 4. No person licensed under this Article shall directly or indirectly purchase or receive any of said articles of a minor or apprentice, knowing or having reason to believe him to be such.

Section 5. The Selectmen shall license suitable persons to be dealers in and keepers of shops for the purchase, sale, and barter of junk, old metal and second hand articles and no person shall be a dealer in or keeper of such a shop without a license.

Section 6. No person shall use any building, enclosure or other structure for the storage, sale or keeping of rags, waste paper stock or other inflammable material without a written license therefor from the Selectmen.

Section 7. Every keeper of a shop for the purchase, sale or barter of junk, old metals, or second-hand articles, within the limits of the town, shall keep a book, in which shall be written, at the time of every purchase of any such article a description thereof, the name, age, and residence of the person from whom, and the day and hour when, such purchase was made; such book shall at all times be open to the inspection of the Selectmen and of any person by them authorized to make such inspection; every keeper of such shop shall put in a suitable and conspicuous place on his shop a sign having his name and occupation legibly inscribed thereon.

ARTICLE XVI

Licenses

Section 1. License and Registration fees for storage of gasoline, petroleum products, or inflammable fluids, including fuel oils, for sale and for other than the applicant's own use, shall be as follows:

License fees

- (1) Not over 2,000 gallons, \$35.00
- (2) Each additional 1,000 gallons or part thereof, \$5.00
- (3) Maximum license fees, \$150.00

Registration fees, one-half of the license fees.

Section 2. Every person before commencing business in the town as a transient vendor, whether as principal or agent, shall make written application under oath, for a town license to the Board of Selectmen and upon payment of a license fee fixed by it in compliance with Chapter 101 of the Massachusetts General Laws, shall be issued a license, provided however that said transient vendor comply with the regulations of the Board of Selectmen.

ARTICLE XVII

Penalty

Section 1. Whoever violates any provision of the Town By-Laws shall, where authorized by the General Laws and in cases not otherwise provided for, forfeit and pay for each offense a fine not exceeding fifty dollars.

ARTICLE XVIII

Repeal of By-Laws

Section 1. These By-Laws and the repeal of all By-Laws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding pending at the time they take effect.

Section 2. All By-Laws heretofore in force shall be repealed and these By-Laws shall become effective when the latter are approved and published as required by statute.

Voted, that the Town vote to refer the subject matter of this Article to the Town By-Laws Study Committee for further study.

ARTICLE 74

(John W. Mahaney)

To see if the Town will vote to amend the Zoning By-Laws of the Town of Natick by changing the definition of Commercial 11, on the south side of East

Central Street and on the east side of Union Street, by adding thereto and taking from Residential Single (R.S.C.) and including land presently zoned Commercial 11, to include an area defined substantially as follows:

Beginning at a cement bound at the Southeasterly corner of said premises and land of Grace E. Ellis and running Westerly and Northwesterly by Union Street to the Westerly boundary of the right of way shown on said plan, measuring one hundred seventy-six and ninety-one hundredths (176.91) feet and by approximation seventy-five (75) feet on said Union Street, more or less; thence turning and running northerly along said Westerly boundary of said right of way by land of Middlesex & Boston Street Railway Company, shown as Lot B on said plan, approximately two hundred sixty (260) feet to Pegan Brook and land of the Town of Natick; thence turning and running by said Pegan Brook and land of the Town of Natick about one hundred ninety-four (194) feet more or less to Old Monument shown on said plan; thence turning and running Southerly by land now or formerly of Grace E. Ellis, two hundred eighty-three and sixty-seven one-hundredths (283.67) feet to the cement bound at Union Street and the point of beginning.

Voted, Indefinite Postponement.

Voted, to take Article 79 at this time.

ARTICLE 79 (Planning Board)

To see if the Town will vote to amend Section VI C of its Building Code and Zoning By-Laws by inserting a new sentence before the last sentence, substantially as follows:

When required by the Building Inspector, an application for the construction, alteration, or new location of a building or structure shall be accompanied by a plot plan certified by a registered land surveyor showing the exact location thereon of all proposed new construction and all existing structures that are to remain.

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 79 at its office on January 31, 1966, at 7:30 P.M. The hearing was advertised in the January 13, 1966, and January 20, 1966 issues of the Natick Bulletin.

The present Building Code says that every application for alteration or new location of a building or structure shall be accompanied by a diagram of the lot showing the exact location thereon of all proposed new construction and all existing structures that are to remain. The Planning Board is proposing to substitute for a diagram at all times the permissive requirement that when the Building Inspector feels it is necessary that a plan by a registered engineer be submitted. The reason for incorporating the permissive requirement of a plan by a Registered engineer is that there have been occasions when a sketch was not clear or was in error, and this could not be determined on the face of the plan. This amendment would eliminate the necessity for a certified plot plan in the case of any interior alterations.

There is a change from the original wording of the proposed article in that the word "alteration" is deleted and the words "exterior addition" is substituted.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

Voted, on motion of Mr. Gould, to refer the subject matter of this Article to the Planning Board.

ARTICLE 75

To see if the Town will vote to amend the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, substantially as follows, or otherwise act thereon:

PREFACE

Section 0.1 Title and Scope.

This and the following provisions, constituting a portion of the By-Laws of the Town of Natick, Massachusetts, shall be known and may be cited as The Building Code and Zoning By-Laws, and shall apply generally to structures and premises in said Town, except bridges and any property owned or occupied by the United States or the Commonwealth of Massachusetts. All legal requirements outside the laws and departmental regulations of the Commonwealth of Massachusetts and of the United States relating to the size, location or construction of buildings or structures or appurtenances thereof or to the use of buildings, structures or premises or to building operations in the Town of Natick are comprised herein.

Section 0.2 Building Operations Defined.

The words "building operations," as used in this Code, include the construction, repair, alteration, enlargement, demolition and moving of buildings and of structures and parts of same and the installation, repair, alteration and removal of ventilating, heating, plumbing, drainage, lighting and all other equipment affected by the provisions hereof.

Unless otherwise expressly stated, the words "building" and "building operation" in this code shall not apply to structures which are less than seven feet in height above the floor line and less than eight feet in length and eight feet in breadth, and which do not contain more than 150 cubic feet above ground grade.

Section 0.3 Repeal of Existing Rules.

All regulations relative to building operations as herein defined heretofore adopted by the Town and in force at the time of the adoption of this Code are hereby repealed; but the provisions of this Code and this repeal shall not affect any act done, right accrued, penalty or liability incurred, or legal proceeding begun, before the taking effect hereof.

Any work lawfully begun and carried on in good faith before this Code became operative may be continued to completion according to laws and regulations then in force; but shall conform hereto as far as practicable without hardship.

Section 0.4 References.

References to other applicable regulations are inserted as a matter of convenience for the user. Exclusion of a section or a paragraph as a reference in no way diminishes its applicability to any section or situation.

Chapter 1. Administration

SECTION 1.1. GENERAL PROVISIONS

1. 1. 1 a) Qualifications, Powers and Duties of Building Inspector. The Board of Selectmen, within sixty days after this by-law takes effect shall appoint an inspector of Buildings (also referred to herein as Building Inspector or Inspector) and a Deputy Inspector of Buildings (also referred to herein as Deputy); and thereafter, in accordance with the State Civil Service laws, shall make new appointments to fill any vacancies in these offices, and may remove any incumbent for adequate legal cause stated.

b) The Inspector shall be either an architect, builder, or civil engineer of at least ten years' practice. He shall have authority and it shall be his duty to enforce or cause to be enforced all legal requirements of the Building Code and Zoning By-Laws in the Town, and he shall report to the owner and Board of Health any unsanitary conditions in buildings within the authority of said Board and to the

Commissioner of Public Safety violations of the State building laws or regulations that may come to his notice.*

c) The Deputy Inspector shall have qualifications similar to those of the Inspector and shall exercise the powers and perform the duties of the Inspector in case of the disability of the latter or when authorized by the Inspector.

d) No Inspector of Buildings or other inspector shall serve in the capacity of Inspector of any building or of any operation in which he has any pecuniary interest in the furnishing of any materials or otherwise.

e) The Building Department shall consist of the Inspector and Deputy Inspector of Buildings and any other inspectors or employees authorized by law or by the Selectmen, and their compensation shall be determined by vote of the annual town meeting. So far as permitted by law, the Department shall be under the general charge and control of the Inspector of Buildings. Other inspectors and employees shall be appointed and may be removed by the Inspector of Buildings.

f) The Inspector of Buildings shall be provided by the Town with a suitable office for the transaction of the business of his department and the keeping of its records, drawings and other papers.

g) The Inspector shall keep a record of all receipts, expenses, permits, inspections, orders and other business of his department, including the doings of the Board of Appeals, which record and other books and papers relating to said business, shall be the property of the Town and open at all reasonable times to the inspection of the Selectmen or to any interested citizen, but shall not be taken from the custody of the Inspector; and he shall submit to the Selectmen at such time as they may require an annual report of such business, and such other reports as they may call for. No copies of plans or specifications filed with the Inspector shall be made without the consent of the owner thereof.

h) In addition to the reference copy required in Section 1.1.9 of this Code, the Inspector shall keep in his office a supply of copies of the most recent printed edition of this Code and shall furnish a copy to any citizen of the Town without charge. He shall keep also up-to-date copies of all State laws relating to buildings and of all regulations and publications referred to herein.

i) Each permit, order and certificate shall bear a serial number and date, identical on all copies, and shall definitely locate the premises referred to, by street and number or otherwise. If no street number has been assigned thereto, the Inspector, wherever it is practicable, shall assign a number or numbers in accordance with the existing system. The Inspector shall also assign and order street numbers in accordance with said system to be affixed or painted on any buildings not already so numbered on any accepted street. Owners shall be allowed ten days after due written notice to comply with such order.

j) The Inspector shall keep a record of the class, type and proposed use of every building for the construction or important alteration of which a permit is issued, of its location, by street and number where practicable and of its height, width, depth and cubical contents, together with the size of the lot and its position thereon.

1. 1. 2. Application for Permits. Before any building operation, removal of earth or quarried stone or other operation requiring a permit from the Inspector shall begin, except ordinary repairs as provided for in paragraph 1. 1. 6, the owner or lessee of the premises or an agent of either, shall file with the Building Inspector an application in duplicate for a permit, on appropriate blanks furnished by the Inspector, together with such plans, structural detail drawings, specifications and computations as the Inspector may require for temporary examination and for permanent record. An application for a permit shall give the full name, residence and business address of the owner of the property, of the lessee, if any, and of any authorized representatives to whom notices shall be sent for any violation of the Code, and shall state the intended use of the premises. When required by the Building Inspector, an application for the construction, alteration, or new location of a building or structure shall be accompanied by a plot plan certified by a registered land surveyor showing the exact location thereon of all proposed new construction and all existing structures that are to remain. If any existing structure or part thereof is to be demolished, it shall be so stated in the application. The Inspector may further require a sworn statement in writing giving the full name and residence

*See also Chapter 142, Section 7 General Laws.

of each of the owners of the premises concerned. Applications for amendments to original applications may be made at any time before the completion of a building operation, and all amendments, if and when approved by the Inspector shall be made a part of the original application. Applications for the erection or alteration of boundary fences must be signed by the owners, or agents thereof, of all premises adjoining the same; and applications for erection or alteration of a sign or billboard must be accompanied by the written consent of the owners, or authorized agents thereof, of the premises concerned and such other authorizations as may be required by the State and Town laws and regulations. Each application for the construction, reconstruction, or new location of a building or structure, which building or structure is primarily intended for human habitation, shall be referred to the Board of Health for its examination and approval on general matters of health, including surface water drainage.

All applications, plans and other papers deposited temporarily or permanently by an applicant with the inspector shall be dated and signed by the Inspector as soon as received. Drawings and specifications required by the Inspector for temporary examination only shall be returned to the applicant on issuance or refusal of a permit. All other drawings and specifications and all applications, statements, computations and notices required by this section shall be kept on file in a suitable place by the Inspector.

Note: see also Section VI of the Zoning By-Laws for further reference to the above.

1. 1. 3. Issue of Permits.

a) The Building Inspector shall establish, with the approval of the Selectmen, a standard schedule of fees for permits and inspections. This schedule will be posted in the Inspector's office.

b) The Building Inspector shall, within fourteen days after filing (unless extended by mutual consent), approve or reject any application, plan, or specification for a building or other operation, or amendment filed with him; and, if all requirements of this Code and the Zoning By-Laws have been complied with, shall issue promptly a permit for such operation. When in his judgment it is advisable, the Inspector may issue a preliminary permit for partial construction provided definitive plans complying with the Code and By-Laws have been submitted for that portion of the construction for which a preliminary permit is sought. Issuance of a preliminary permit is intended only as a convenience to the applicant, issued at the applicant's risk, and does not waive any requirement of the Code or By-Laws which might apply to subsequent portions of the work not covered by the preliminary permit.

No permit shall be issued for any establishment that would be offensive because of injurious or obnoxious odors, gas, smoke, noise, vibration, dust or other objectionable features or that would be hazardous to the community because of fire, explosion, or other cause, or that would be in violation of any provision of this Code or the Zoning By-Laws.

If an application is disapproved, notice of such disapproval shall be sent promptly to the applicant, giving the reasons therefor.

c) No permit for a drive-in open-air theatre, drive-in open air restaurant, transportation terminal, freight station, a building, structure or yard for storage or preparation of lumber, stone, brick, gravel, sand, cement or similar bulky merchandise, public garage, used car lot, filling station, stable, hospital or philanthropic institution, or for the purposes of a rubbish dump, rubbish or garbage incinerator, a quarry, a fuel or junk yard or a cemetery shall be issued by the Inspector except with the written approval of the Board of Selectmen after a public hearing of which due notice has been given to all assessed owners of real estate that abuts the proposed premises, by certified or registered mail, return receipt requested. Notice of every hearing shall also be published, at the expense of the applicant, in a newspaper regularly circulated in the Town of Natick, said notice to be published once each week for two successive weeks, the last publication to be not less than seven days prior to the date of the hearing. Such notice will include the name and address of the applicant, the nature of the use requested, the legal description of the proposed location, as well as the street and number or next best description of the property involved, the time and place of the hearing, and any other information the Board of Selectmen may deem useful. The Board of Selectmen shall not give their ap-

proval without considering the effect upon the neighborhood and the Town, and if a permit would result in substantial injury, it shall be refused. If granted, it shall embody such special conditions as the Selectmen may require and may be revoked, after hearing as set forth herein, if conditions are violated.

d) Advertising signs and signboards permitted on or pertaining to a used car lot shall not exceed thirty-two square feet in aggregate area, shall not extend outside the boundary of the lot, and shall only advertise the business there conducted.

e) All permits shall be on printed forms approved by the Inspector. Two copies shall be furnished the party to whom the permit is issued, one of which shall be on a card suitable for display on the premises where the operation is to be conducted, and said party shall keep said card posted in a conspicuous place on said premises until the operation is completed or the permit revoked. In the latter case said card shall be removed. The notice on such card shall comprise the name and address of the party to whom the permit is issued, the nature of the operation authorized and the class and proposed use of any structure to be built, with any other information the Inspector may deem useful. At the time of issue of a building permit the Inspector also shall cause a notice thereof comprising said required information and specifying the location of the premises, to be published at least once in a local newspaper and shall deliver a copy of said notice or of the permit to the Board of Assessors within seven days of the date of issue of the permit. The cost of publishing said notice of permit shall be borne by the applicant.

f) No building operation shall be begun or continued until the required application and plans shall have been approved by the Inspector, a signed permit issued therefor by him and the same duly posted on the premises. The building operation may then proceed, but only in accordance with the approved application, specifications, plans and detailed drawings, or any approved amendments thereto. A copy of the approved plans and specifications shall be kept on the premises while the work is going on. Permits, unless otherwise limited, shall expire in three years from the date of issue. Each permit shall state a definite day not more than a year after the date of issue, before which the operation for which it is issued shall be begun, and permits on which no work has been begun and carried on in good faith shall expire by limitation on said day.

g) No part of the frame or furring of a building under construction shall be covered with lath or otherwise closed to inspection until the Inspector has been notified that the building will be ready for such work within three days and has given his consent thereto either by a special signed permit or by endorsement on the building permit. The Inspector or his deputy shall act promptly on receipt of such notice and shall give such permission only after inspection shows that the framing, piping, wiring and required fire stopping have been properly done.

h) The Inspector may revoke any permit or approval in the case of any misrepresentation of any material fact in the application therefor, and shall revoke the permit for any building operation conducted in violation of any provision of this Code or of the laws or departmental regulations of the Commonwealth. He shall send written notice of such revocation to the party to whom the permit was issued and may notify also any other parties in charge of the work. No building operation shall be carried on after the revocation or expiration of the permit therefor until the same shall have been reissued by the Inspector. Before a permit can be reissued the entire structure and premises affected thereby must be made to comply with the law and any materials in violation thereof or of the conditions of the permit shall be removed.

Note: See also Chapters 13 and 16, and Sections 15.2 and 15.14 of this Code as well as Section VI C of the Zoning By-Laws for other regulations which bear on the issuance of permits and special inspection requirements.

1. 1. 4. Certificate of Occupancy and Use. On the completion in compliance with this Code of any building or part thereof or of any operation affecting the allowable use or occupancy of the same, the Inspector promptly and after examination of the premises shall issue a certificate to the owner or his agent to the effect that the building or part thereof and its location on the lot have been approved as complying with the Building Code and Zoning By-Laws, and specifying the classes of occupancy and use permitted, and the limitations thereof, if any. He shall not issue a certificate for any use of a building, structure or premises which use would be in violation of any provision of this Code or of other laws applying thereto.

Pending the issue of a regular certificate a temporary certificate may be issued prior to the completion of the structure or alterations, provided the safety of all occupants is adequately assured. The Inspector, also, upon written application duly filed with him, shall examine any existing building and premises and issue therefor such a certificate of occupancy and use as may be permissible under the provisions of this Code, specifying any limitations thereof.

No one shall occupy or use, or permit the occupancy or use, of any building or part thereof hereafter erected, moved or altered in any way affecting its allowable use or occupancy, either in its structure or equipment or in the size of its yards or courts except by authority of a valid certificate issued by the Inspector and in conformity with the provisions thereof.

A record of all applications and certificates of occupancy shall be kept on file by the Building Inspector.

Note: See Section VI D of the Zoning By-Laws.

1. 1. 5. Change of Occupancy or Use. No change in the character of the occupancy or use of a building, structure, or premises inconsistent with the occupancy and use authorized by a previously issued certificate of occupancy shall be made unless the owner or lessee or agent of either shall have first applied for and obtained from the Inspector a new certificate authorizing such change. The Inspector shall issue a new certificate if the buildings, structures, or premises and the intended occupancy or use are in compliance with the provisions of the Building Code and Zoning By-Laws except as the application of such Code or By-Law may be varied by a written decision of the Board of Appeals.

1. 1. 6. Ordinary Repairs and Alterations. Ordinary repairs to a structure or to any appurtenances thereof, which do not affect the strength or fire risk or violate any requirements of this Code, may be made without application for a building permit, notice to the inspector, or a new certificate of occupancy; but such repair shall not include the cutting away of any part of a wall, the removal or cutting away of beams or supports or the removal, change or closing of any stairways or required means of exit or the construction or alteration of soil or waste pipe.

1. 1. 7. Cooperation Between Departments. An applicant for a building permit shall be informed by the Building Inspector of all other agencies of the Town from which permits or approval will be required. It shall be the responsibility of the applicant to secure such permits or approval before the Building Inspector issues a permit. The Building Inspector shall also furnish the Board of Assessors such information as to building operations as they may require.

1. 1. 8. Invalidity of Part Not to Affect Whole. Legal invalidity of any section or provision of this Code shall not invalidate any other section or provision of the same.

1. 1. 9. When Code Becomes Effective. The provisions of this Code and any subsequent changes thereto shall become effective as each is approved and published as required by statute and Section 1.1.10.

1. 1. 10. Reference copy of the Code and By-Laws. The Building Inspector shall maintain and have available in his office for reference by the public a complete up-to-date edition of the Building Code and Zoning By-Laws together with such regulations of other Town agencies as bear on construction in the Town of Natick. The Inspector will revise this reference copy within twenty-four hours of notice to him of a change in any of the regulations, and no such change will be deemed operable on any application for permit filed before such change has been recorded in this reference copy.

SECTION 1.2. ENFORCEMENT

1. 2. 1. Inspector's Right of Entry and Danger Warnings. The Inspector, Deputy and their assistants and the members of the Board of Appeals shall have the right at any reasonable time when necessary in the performance of their duties to enter, examine and inspect any premises, building or structure within the town. The Inspector shall not issue a permit for any building operation until he shall have

carefully inspected the plans and specifications, if for a new building, and also the premises if for an alteration, and ascertained that the building as proposed will have sufficient strength and proper means of entrance and exit and that it will conform to the laws. He may if necessary require soundings to be made to determine the nature of the soil beneath any proposed buildings. He shall as often as practicable inspect all building work in progress in the Town and shall make a record of all violations of the law with the date, names of the owner, occupant, architect and master mechanic and of any other matters pertinent. He shall examine promptly any building reported or which he has reason to believe to be dangerous or damaged, and shall make a record of such examination, stating the nature of the danger or damage, and in case of fire, the probable origin thereof. If he finds any building or structure unsafe or dangerous to life or to adjoining property he shall forthwith in writing order the owner, agent, or any person having an interest therein to do whatever is necessary to make it safe; and shall post conspicuously on the outside thereof one or more notices of its dangerous condition. He shall take such further measures under any provisions of the General Laws as the public safety may require. (See G. L., Chapter 143, Section 6 to 12, inclusive.)

If the condition of any structure for which a certificate of occupancy and use has been issued becomes such as to make the permitted occupancy or use dangerous to life or limb, the Inspector, with the written approval of a majority of the Board of Selectmen, may revoke the certificate.

1. 2. 2. Requirements Not Specified in Code. Any requirements necessary for the strength or stability of any building or structure, for the safety of the occupants thereof, for the safe conduct of any building operation, or for the use of any materials not specifically covered by this Code, shall be determined and prescribed by the Inspector, subject to appeal.

1. 2. 3. Demolition of Structures. The Inspector upon discovery of any violation of this code shall give notice thereof in writing to the person responsible for such violation or to the owner of the premises, and may order such person or owner to remove any part of a structure erected in violation thereof, or to do such acts as said Inspector deems necessary for compliance with this Code or of the permit issued thereunder.

1. 2. 4. Violations and Penalties. If, after such notice such person continues such violation or fails to obey any such lawful order, the Inspector may revoke the permit for the work or the certificate for the use and occupancy of the building, and it shall thereafter be unlawful to proceed with such work or to occupy or use said building until such permit shall have been reissued. Before such permits can be lawfully reissued the premises must be made to conform to the requirements of this Code.

Whoever violates any provision of this Code or any amendment thereof or of any permit or certificate or lawful order issued thereunder, shall be liable, unless otherwise provided by the laws of the Commonwealth, to a penalty not exceeding one hundred dollars for each violation.

No error or omission on the part of any member of the Building Department shall authorize or allow any violation of this Code.

1. 2. 5. Board of Appeals. The Board of Selectmen, within sixty days after this by-law takes effect, shall appoint a Board of Appeals of five citizens of the Town. The first appointments following acceptance of this section shall be for terms as follows: two for one year, two for two years, and one for three years from the first day of May in the calendar year of the appointment. Subsequent appointments shall be made annually to replace those members whose terms are ending, for terms of three years from the first day of May in each year. The term of each member shall be extended until his successor has been appointed and qualified. The Board of Selectmen shall also appoint two associate members of the Board of Appeals and, in case of a vacancy, inability to act, or interest on the part of a member of said Board, his place may be taken by an associate member designated by the Chairman of said Board. These appointments shall be made annually for one year from the first day of May in the calendar year of appointment.

Any person aggrieved by an order, decision, issue or refusal of a permit or certificate, or by a delay of more than two weeks in rendering a decision, or by a

ruling on or application of any part of this Code by the Inspector, may appeal to said Board within ten days of the date thereof by filing a written notice of appeal with the Inspector of Buildings on a form provided by him. Any owner or lessee of real estate affected by the issue of a permit may likewise appeal within five days of the publication of the notice thereof. The Inspector may appeal to the Board for a ruling in any case wherein he is in doubt as to the true intent or application of any part of this Code. On receipt of appeal he shall notify the members of the Board of Appeals, who, after due notice to the parties concerned, shall give a hearing and shall either affirm, annul or modify such order, decision, issue, refusal, ruling or application, or shall determine the true intent and application of any provisions of the Code in question.

Every decision of the Board shall be in writing and shall be signed by at least four members or a majority thereof, and shall be filed in the office of the Inspector and notice shall be sent by the Board to the applicant within ten days of the completion of the hearing. If it modifies or overrules any action of the Inspector, he shall issue a new order, permit, certificate or ruling in conformity with the decision of the Board without delay.

Methods of construction or uses equivalent to those required by this Code may be allowed with the written consent of the Inspector and of the full Board of Appeals specifying the same.

The Board of Appeals by the vote of not less than four members thereof after due notice and public hearing, upon a written petition addressed to the Board, may vary the application of this Code, without, however, making any change in its provisions or departing from its substantial intent or purpose, in specific cases wherein its strict enforcement would involve unnecessary hardship, and shall vary it so far as necessary in any case to avoid violation of constitutional guarantees but shall not otherwise vary it. No fewer than 4 members may authorize a limited permit for a temporary non-conforming structure to remain less than one year from date of issue if in their judgment it is safe and desirable. The detailed public record of proceedings and the decision on every such petition shall be signed by each member of the Board and shall specify the variations allowed and the reasons therefor.

Note: See Section VI E Zoning By-Law.

Voted, to refer the subject matter of this Article to the Planning Board.

ARTICLE 76 (Planning Board)

To see if the Town will vote to raise and appropriate to the Planning Board a sum of money to be used to update the Comprehensive Plan, and said sum of money will be used in conjunction with matching funds if available through the Housing Act of 1954, Title VII, Section 701, as amended, or take any action relative thereto.

Voted, that the Town vote to appropriate the sum of \$5,000.00 from the Current Tax Levy to be expended by the Planning Board for use of updating the Comprehensive Plan and that said sum of money be used in conjunction with matching funds, if available, through the Housing Act of 1954, Title VII, Section 701, as amended.

ARTICLE 77 (Planning Board)

To see if the Town will vote to amend Chapter 2 — Definitions, Section 2.1. Definitions in alphabetical order, of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, substantially as follows, or otherwise act thereon.

Abutters: Assessed owners of property within one hundred feet of land/or across a public or private way from the subject property.

By-Law: Any requirement or regulation or any or all portions thereof established by the Zoning By-Laws of the Town of Natick, and any amendments thereto subsequently enacted.

Code: Any requirement or regulation or any or all portions thereof established by the Building Code of the Town of Natick, and any amendments thereto subsequently enacted.

Family Fallout Shelter: A structure of a design and construction conforming to that recommended or accepted by the Federal Department of Defense, Office of Civil Defense, for emergency use only, to afford minimum protection from nuclear radiation commonly known as "fallout," resulting from a nuclear incident which recently has been, or is, or is likely to be, of catastrophic proportions.

Structure: A combination of materials assembled to give support or shelter, such as a building, framework, retaining wall, platform, fence, sign, flagpole, mast for radio antenna, or the like.

The Report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 77 at its office on January 31, 1966, at 7:30 P.M. The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

This article adds to the list of definitions the following words: abutters, by-law and code for the purpose of clarification; Redefines the word structure by adopting the definition of structure basically as it appears in the General Laws, Chapter 143; Transfers the definition of Family Fallout Shelter from another portion of the Code with no change in the wording.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Chapter 2—Definitions, Section 2.1. Definitions in alphabetical order, of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended as follows:

Insert in Section 2.1. in alphabetical order the following definitions:

Abutters: Assessed owners of property within one hundred feet of land across a public or private way from the subject property.

By-Law: Any requirement or regulation or any or all portions thereof established by the Zoning By-Laws of the Town of Natick, and any amendments thereto subsequently enacted.

Code: Any requirement or regulation or any or all portions thereof established by the Building Code of the Town of Natick, and any amendments thereto subsequently enacted.

Family Fallout Shelter: A structure of a design and construction conforming to that recommended or accepted by the Federal Department of Defense, Office of Civil Defense, for emergency use only, to afford minimum protection from nuclear radiation, commonly known as "fallout," resulting from a nuclear incident which recently has been, or is, or is likely to be, of catastrophic proportions.

Structure: A combination of materials assembled to give support or shelter, such as a building, framework, retaining wall, platform, fence, sign, flagpole, mast for radio antenna, or the like.

Motion by Mr. Norman Zankel to amend the "Abutters" definition by deleting "/or" and inserting in place thereof, the words "also those assessed owners," so that the abutters definition, as amended will read:

"Assessed owner of property within one hundred feet of and also those assessed owners across a public or private way from the subject property."

Voted, motion of Finance Committee, as amended by Mr. Zankel, was now put and carried.

The following Resolution was presented at this time by Jerry V. Cardellicchio and was unanimously adopted:

Be it resolved that in the event we do not finish business tonight, that this Town Meeting conduct no business next Tuesday evening except to adjourn in observance of Passover.

The following Resolution was presented at this time by Marvin R. Gould and was unanimously adopted:

Be it resolved that in the event we do not finish business tonight, that this Town Meeting conduct no business next Thursday evening except to adjourn in observance of Holy Thursday.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to zoning by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

ALFRED L. CONNELL
Town Clerk of Natick

(Published according to law)

ARTICLE 78 (Planning Board)

To see if the Town will vote to amend Chapter 4, Section 4.4.6. Size of Lots of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, substantially as follows, by striking out the following:

“multiple occupancy other than hotels shall have lots which measure not less than 3,000 square feet per family or housing unit; and not less than 12,000 square feet in any case; e.g. an eight unit tourist cabin shall require a minimum of 24,000 square feet; and further, except that each two-family house shall have at least a 12,000 square foot lot.”

and inserting in place thereof the following:

“multiple occupancy other than hotels shall have lots which measure not less than 20,000 square feet for one to four families, plus 4,300 square feet for each family thereafter; and further, except that each two-family house shall have at least a 12,000 square foot lot.”

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 78 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

At the Annual Town Meeting of 1965, the Zoning By-Laws were amended exactly as is stated in this proposed change in the Building Code. At that time, a corresponding change in the Building Code was inadvertently overlooked. The Planning Board now proposes to eliminate the said conflict by amending the Building Code to agree with Zoning By-Laws.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Chapter 4, Section 4.4.6. Size of Lots of the Building Code and Zoning By-Laws of the Town of Natick; as heretofore amended, as follows:

by striking out the following:

"multiple occupancy other than hotels shall have lots which measure not less than 3,000 square feet per family or housing unit; and not less than 12,000 square feet in any case; e.g. an eight unit tourist cabin shall require a minimum of 24,000 square feet; and further, except that each two-family house shall have at least a 12,000 square foot lot."

and inserting in place thereof the following:

"multiple occupancy other than hotels shall have lots which measure not less than 20,000 square feet for one to four families, plus 4,300 square feet for each family thereafter; and further, except that each two-family house shall have at least a 12,000 square foot lot."

Motion of Finance Committee, as amended, was now put and carried.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to zoning by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

ALFRED L. CONNELL
Town Clerk of Natick

(Published according to law)

ARTICLE 80 (Planning Board)

To see if the Town will vote to amend Section VI D of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by

1. Striking out the words "Occupancy Permit(s)" wherever they occur in this section.
2. Striking out the word "permit" after the word "such" and before the word "shall".

and inserting in the place thereof

1. The words "Certificate(s) of Occupancy"
2. The word "Certificate" after the word "Such" and before the word "shall."

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 80 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

The Building Inspector does not issue Occupancy Permits but rather Certificates of Occupancy. This change is proposed to make the terminology used in the Building Code and Zoning By-Laws consistent with actual practice.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

Voted, that the Town vote to amend Section VI D of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by

1. Striking out the words "Occupancy Permit(s)" wherever they occur in this section.
2. Striking out the word "permit" after the word "such" and before the word "shall".

and inserting in the place thereof

1. The words "Certificate(s) of Occupancy."
2. The word "certificate" after the word "Such" and before the word "shall."

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to zoning by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

ALFRED L. CONNELL
Town Clerk of Natick

(Published according to law)

Article 81. **Voted**, to table this Article, on motion by Mr. Sims.

ARTICLE 82 (Planning Board)

To see if the Town will vote to amend Section VI E of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by adding at the end of the section the following paragraph:

"No appeal or petition for a variance, and no application for a special Permit, which has been unfavorably acted upon by the Board of Appeals shall be considered on its merits by said Board with two years after the date of such unfavorable action except with the consent of all of the members of the Planning Board."

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 82 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

This addition to the Zoning By-Laws would incorporate the wording of Chapter 40A, Section 20 of the General Laws.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Section VI E of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by adding at the end of the section the following paragraph:

"No appeal or petition for a variance, and no application for a Special Permit, which has been unfavorably acted upon by the Board of Appeals shall be considered on its merits by said Board within two years after the date of such unfavorable action except with the consent of all of the members of the Planning Board."

Motion by Mr. Gould, Indefinite Postponement.

Voted, Indefinite Postponement; hand vote, with tellers; yeas, 71; nays, 67.

Voted, Article 64, Taken from the table.

ARTICLE 64 (George M. Beckwith)

To see if the Town will vote to amend its Zoning By-Laws, Section II, Item 11-B, Subsection 1, entitled "Location of Districts (Zones)" by changing the fol-

lowing described parcel of land located in the "Southeast Quadrant" of the "Zoning Map of Natick, Mass." from Residential General use to C 1 use; thereof, land bounded and described as follows:

SOUTHERLY By East Central Street (between Dewey and Mulligan Streets) 576.9 feet; more or less.
WESTERLY by Mulligan Street (between East Central Street and the southerly line of existing C-1 District) 160.00 feet; more or less.
NORTHERLY by the present line of C-1 (between Dewey Street and Mulligan Street) 576.9 feet, more or less.
EASTERLY by Dewey Street (between East Central Street and the southerly line of existing C-1 District) 160.00 feet; more or less.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 64 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

When the subject matter of this article was considered by the Planning Board, no majority decision could be reached. On the vote taken, two members favored the rezoning, two opposed and one abstained.

The Planning Board therefore can make no recommendation.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend its Zoning By-Laws, Section II, Item 11-B, Subsection 1, entitled "Location of Districts (Zones)" by changing the following described parcel of land located in the "Southeast Quadrant" of the "Zoning Map of Natick, Mass." from Residential General use to C-1 use; thereof, land bounded and described as follows:

SOUTHERLY by East Central Street (between Dewey and Mulligan Streets) 576.9 feet; more or less.
WESTERLY by Mulligan Street (between East Central Street and the southerly line of existing C-1 District) 160.00 feet; more or less.
NORTHERLY by the present line of C-1 (between Dewey Street and Mulligan Street) 576.9 feet, more or less.
EASTERLY by Dewey Street (between East Central Street and the southerly line of existing C-1 District) 160.00 feet; more or less.

Motion of Finance Committee, as amended, was now put and carried; hand vote, with tellers; yeas, 116; nays, 12.

APPROVAL OF ATTORNEY GENERAL

Boston, Mass.

June 6, 1966

The foregoing amendment to zoning by-laws is hereby approved.

EDWARD W. BROOKE
Attorney General

A true copy.

Attest:

ALFRED L. CONNELL
Town Clerk of Natick

(Published according to law)

ARTICLE 83 (Planning Board)

To see if the Town will vote to amend Chapter 9 of the Building Code and Zoning By-Laws of the Town of Natick as heretofore amended, by creating new Section 9.8. Family Fallout Shelters.

A family fallout shelter as defined in Section 2.1 shall, in all matters relating to construction and structural stability, comply with or exceed the

equivalent of the provisions relating to Design Loads and General Building Requirements specified in the National Building Code (1955 Edition). Notwithstanding the foregoing, or any other provision of this Code, all the usual permits will be required but there shall be no permit fees or inspection fees charged for building family fallout shelters.

or otherwise act thereon.

The Finance Committee recommends: That the Town vote to amend Chapter 9 of the Building Code and Zoning By-Laws of the Town of Natick as heretofore amended, by creating a new Section 9.8 Family Fallout Shelters which reads as follows:

A family fallout shelter as defined in Section 2.1 shall, in all matters relating to construction and structural stability, comply with or exceed the equivalent of the provisions relating to Design Loads and General Building Requirements specified in the National Building Code (1955 Edition). Notwithstanding the foregoing, or any other provision of this Code, all the usual permits will be required but there shall be no fees or inspection fees charged for building family fallout shelters.

Motion of Finance Committee, to refer the subject matter of this Article to the Planning Board for further study.

Voted, to refer subject matter of this Article to the Planning Board for further study.

ARTICLE 84 (Planning Board)

To see if the Town will vote to amend Chapter 9 of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by creating a new Section 9.9. Used Car Lots. The following conditions shall apply to all used car lots permitted in Natick, except in case it is otherwise specially ordered by the Selectmen. They are to be observed in all applications for permits and incorporated by reference in all permits and certificates of occupancy and use issued for such used car lots by the Inspector of Buildings.

1. All buildings, or parts thereof, accessory to a used car lot, shall have the inside of walls and ceilings and the outside of walls made of or covered with incombustible or approved fire-resistive material; and such buildings shall contain at least one thousand square feet of floor space on the ground floor.
2. The lot occupied by a used car lot shall be separated from the public way by a curb, or fence, except at two driveways, each not over thirty feet wide.
3. The land used by the used car lot in the normal course of such business shall be paved with hot-top, cement, or similar hard prepared surface.
4. Advertising signs and signboards permitted on or pertaining to a used car lot shall not exceed thirty-two square feet in aggregate area, shall not extend outside the boundary of the lot, and shall advertise only the business there conducted.

or otherwise act thereon.

Voted, on motion of Finance Committee, to refer the subject matter of this Article to the Planning Board for further study.

ARTICLE 85 (Planning Board)

To see if the Town will vote to amend Chapter 13 of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by creating a new section.

13.1.0. Inspector of Wires. The Building Inspector shall appoint an Inspector of Wires, according to the provisions of the General Laws, Chapter 166, Sec-

tion 32, who shall exercise the powers and perform the duties assigned to such inspector in said chapter. Said Inspector of Wires shall be a licensed master electrician with at least ten years' practice as a master.

Note: See G.L. 166 Sections 30 through 41 inclusive.
or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 85 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

Natick's present Building Code states that the Building Inspector shall be the Inspector of Wires. This article is submitted in order to be consistent with actual practice.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Chapter 13 of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended by creating a new section as follows:

13.1.0. Inspector of Wires. The Building Inspector shall appoint an Inspector of Wires, according to the provisions of the General Laws, Chapter 166, Section 32, who shall exercise the powers and perform the duties assigned to such inspector in said chapter. Said Inspector of Wires shall be a licensed master electrician with at least ten years' practice as a master. Note: See G.L. 166, Sections 30 through 41 inclusive.

Voted, to refer the subject matter of this Article to the Planning Board for further study.

ARTICLE 86 (Planning Board)

To see if the Town will vote to amend Chapter 13 of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by changing Section 13.1.1 to Section 13.1.2, or otherwise act thereon.

Voted, Indefinite Postponement.

ARTICLE 87 (Planning Board)

To see if the Town will vote to accept Section 20 of Chapter 40A of the General Laws of the Commonwealth of Massachusetts, or otherwise act thereon.

The Planning Board's report was read as follows:

The Planning Board held a public hearing on the subject matter of Article 87 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

Article 87 is intended to accomplish the same purpose of Article 82. Since the Town Meeting has apparently preferred not to specify the requirement in the Town By-Laws, it is proposed that Section 20 of Chapter 40A of the General Laws be accepted by the Town.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

Voted, Indefinite Postponement.

The following Resolution was presented at this time by Marvin R. Gould and was unanimously adopted:

Be is resolved that the Town of Natick express its deepest appreciation to Joseph J. Donovan for his many years of faithful, sincere and dedicated service to the Town of Natick.

Voted, to take Article 81 from table.

ARTICLE 81
(Planning Board)

To see if the Town will vote to amend Section VI E of the Building Code and Zoning By-Laws of the Town of Natick, as heretofore amended, by adding after the words

“Planning Board may deem appropriate”:

“, and shall make available to the Planning Board all documents pertaining to said appeals, Special Permits, and variances.”

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 81 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

In order to make recommendations on requests for variances, appeals and special permits as provided for under Section VI E of the Zoning By-Laws, it is necessary to have access to all pertinent documents. This is the present practice of the Board of Appeals and should appropriately be written into the By-Laws.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Section VI E of the Building Code and Zoning By-Laws of the Town of Natick, or heretofore amended, by adding after the words: “Planning Board may deem appropriate”;

“, and shall make available to the Planning Board all documents pertaining to said appeals, Special Permits, and variances.”

Voted, unanimously, to refer the subject matter of this Article to the Planning Board for further study.

ARTICLE 88
(Planning Board)

To see if the Town will vote to amend the Zoning By-Laws by changing a portion of Zoning District Residential Single RSB to Residential Single RSE District in Use District to include land bounded and described as follows:

Beginning at the intersection of Mill Lane at Pleasant Street and running Southeasterly along Pleasant Street to the intersection at the centerline of the Charles River; thence turning and running Southerly along the centerline of the Charles River to the intersection at the Natick Town line; thence turning and running Northwesterly along the Natick Town line to the intersection at Eliot Street; thence turning and running Northeasterly along Eliot Street to the intersection at Mill Lane; thence turning and running Southeasterly along Mill Lane to the intersection at Pleasant Street.

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 88 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

In 1960, the Town Meeting adopted a classification RSE establishing 80,000 square foot lots. No land has been proposed for zoning into that classification. South Natick is the largest remaining undeveloped area of the town, and the proposed zoning would be compatible with similar zoning in the adjacent towns.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

Voted, Indefinite Postponement.

ARTICLE 89 (Planning Board)

To see if the Town will vote to amend the Zoning By-Laws by changing a portion of the Zoning District Residential Single RSB to Residential Single RSD District in Use District to include land bounded and described as follows:

Beginning at the intersection of Pleasant Street and the centerline of the Charles River and running Southeasterly along Pleasnt Street to the Natick Town line; thence turning and running Southeasterly along the Natick Town line to the Easterly most point of this line; thence turning and running Westerly along the Natick Town line to the intersection at the centerline of the Charles River; thence turning and running Northerly along the centerline of the Charles River to the intersection at Pleasant Street.

or otherwise act thereon.

The report of the Planning Board was read as follows:

The Planning Board held a public hearing on the subject matter of Article 89 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

In 1960, the Town Meeting adopted a classification RSD establishing 60,000 square foot lots. No land has been proposed for zoning into that classification. South Natick is the largest remaining undeveloped area of the town, and the proposed zoning would be compatible with similar zoning in the adjacent towns.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

Voted, Indefinite Postponement.

ARTICLE 90 (Planning Board)

To see if the Town will vote to amend Sections II and III of the Zoning By-Laws related to the establishment of districts as follows:

To amend Section II "Use Districts," Paragraph A to include the title, "Conservancy District — G" and to amend Paragraph B to renumber item 5 to become item 6 and inserting a new item 5 to read as follows:

"5. Where a boundary is shown as following a contour line, this line shall be the contour lines of the indicated elevation above mean sea level as shown on the 1958 Natick Quadrangle and the 1957 Medfield Quadrangle by the Geological Survey, United States Department of the Interior. In the event

that the Building Inspector is uncertain as to the exact location of any contour line bounding the Conservancy District as shown on the Zoning Map, he may require the submission of sufficient topographic data to establish the precise location of said line on any lot affected thereby before issuing a building permit for a building or structure to be located thereon."

To amend Section III by inserting Paragraph "B" to read as follows:

"IIIB. CONSERVANCY DISTRICT — G

The Conservancy District — G is intended for the preservation and maintenance of the ground water table upon which the inhabitants depend for water supply: to protect the public health and safety, person and property against the hazards of flood water inundation; for the protection of the community against the costs which may be incurred when unsuitable development occurs in swamps, marshes, along water courses, or in areas subject to floods; to preserve and increase the amenities of the Town; and to conserve natural conditions, wild life, and open spaces for the education, recreation, and general welfare of the public.

In the Conservancy District no building or structure shall be erected, constructed, altered, enlarged or moved, nor shall any premises be used, for any purposes except:

1. Conservation of water, plants and wildlife;
2. Recreation, including play areas, nature study, golf, boating and fishing where legally permitted;
3. Grazing and farming; including truck gardening and harvesting of crops;
4. Forestry;
5. Telephone, telegraph, power and gas transmission;
6. Any of the following uses, by special permit from the Board of Appeals:

a. Non-residential buildings and structures, such as

- 1) Barns, stables, or kennels for shelter, breeding, boarding, hiring or sale of animals, and for storage of crops raised on the premises;
- 2) Boat-houses, duck walks and landings — including renting of boats or canoes and recreation equipment, and sale of bait;
- 3) Temporary refreshment stands or stands for sale of produce raised or produced by the owner or lessee thereof;

Provided that any such building or structure permitted by the Board of Appeals shall be designed, placed and constructed to offer a minimum obstruction to the flow of water and shall be firmly anchored to prevent floating away and thus threatening other buildings or blocking of openings in restricted sections of the water course below.

- b. Dams, changes in water courses, or drainage works — only as part of any over all drainage basin plan constructed or authorized by an appropriate public agency.
- c. If any land shown on the Zoning Map as being in the Conservancy District is proven to the satisfaction of the Board of Appeals, after reference of the proof to and report by the Planning Board, the Board of Public Works and the Board of Health, as being in fact not subject to flooding or not unsuitable because of drainage conditions for residential use, and that the use of such land for residence will not interfere with the general purposes for which the Conservancy Districts have been established, and will not be detrimental to the public health, safety and welfare, the Board of Appeals may permit the use of such land for single family residence under all the provisions of this by-law applying to the nearest adjacent Residence District.

Except as provided above, there shall be in the Conservancy District:

- No land fill or dumping in any part of the District;
- No drainage other than Flood Control Works by an authorized public agency;
- No damming or relocation of any water course except as part of an over-all drainage basin plan;
- No building or structure;
- No permanent storage of materials or equipment.

If for any reason the restrictions or requirements contained in Sections II and III shall be or become invalid or inoperative as to any land shown on the Zoning Map as being in the Conservancy District, then such land shall thereafter be deemed zoned in the nearest adjacent Residence District."

or otherwise act thereon.

The report of the Planning Board was read as follows:

The planning Board held a public hearing on the subject matter of Article 90 at its office on January 31, 1966, at 7:30 P.M.

The hearing was advertised in the January 13, 1966, and January 20, 1966, issues of the Natick Bulletin.

The submission of this article by the Planning Board is consistent with recommendations made as far back as 1959 in the Comprehensive Planning Program. In recent years, many communities as well as the State have taken measures to provide for the preservation of wetland areas through conservancy districts and similar measures.

The Planning Board recommends favorable action.

Natick Planning Board
Elizabeth A. Bransfield, Secretary

The Finance Committee recommends: That the Town vote to amend Sections II and III of the Zoning By-Laws related to the establishment of districts. (Same as above.)

Voted, to refer the subject matter of this Article to the Planning Board for further study; hand vote, with tellers; yeas, 67; nays, 38.

ARTICLE 91 (Planning Board)

To see if the Town will vote to amend the Zoning By-Laws to establish a Conservancy District — G along the Charles River to include land bounded and described as follows:

The land between the 120 foot contour lines generally parallel to and continuous along each side of the Charles River and bounded on the South by the Natick townline and on the North by Pleasant Street in the general area beginning at the intersection of South Street at the Natick townline and running Northeasterly along South Street to the intersection of South Street at Eliot Street; thence turning and running Northeasterly along Eliot Street to the intersection of Eliot Street at Mill Lane; thence turning and running Southeasterly along Mill Lane to the intersection of Mill Lane at Pleasant Street; thence turning and running South along Pleasant Street to the intersection of Pleasant and Glen Streets; thence turning and running South along Glen Street to the intersection of Glen Street at the Natick townline; thence turning and running Northwesterly along the Natick townline to the intersection of the Natick townline and South Street.

The land between the 110 foot contour lines generally parallel to and continuous along each side of the Charles River and bounded on the West by Pleasant Street and on the East by the Natick townline in the general area beginning at the intersection of Pleasant St. and Phillips St. running Northwesterly along Pleasant Street to the intersection at Eliot Street; thence turning and running Northeasterly along Eliot Street to the intersection at Water Street; thence turning and running Southeasterly to the intersection at Cape Street; thence turning and running Northeasterly along Cape Street to the intersection at the Natick townline; thence turning and running Southeasterly to the intersection at Dover Road; thence turning and running Easterly along Dover Road to the intersection at Phillips Street; thence turning and running Northwesterly along Phillips Street to the next intersection; thence turning and running Southwesterly along Phillips Street to the intersection at Pleasant Street;

In no case shall land within 50 feet of any dwelling existing at the time of passage of this Article be included in the Conservancy District.

The Finance Committee recommends: That the Town vote to amend the Zoning By-Laws of the Town of Natick for the purpose of establishing a Conservancy District — G along the Charles River to include land bounded and described. (Same as above.)

Voted, on motion of Mr. Donovan, Indefinite Postponement.

Following Articles were left on the table.

ARTICLE 34
(Department of Public Works)

To see if the Town will vote to accept the following streets as the same have been laid out and filed by the Board of Public Works:

Judith Road
Clubhouse Lane
Congdon Road
Rutledge Road

ARTICLE 42
(Conservation Committee)

To see what sum of money the Town will appropriate for a detailed interpretative soils report of the Town of Natick prepared by the United States Department of Agriculture, Soil Conservation Service, or otherwise act thereon.

ARTICLE 56
(Board of Assessors)

To see if the Town will vote to add a new amendment to the By-Laws of Natick.

That once a year all tax title land should be listed and offered for public auction.

ARTICLE 57
(Board of Assessors)

To see if the Town will vote to add a new amendment to the By-Laws of Natick.

No land shall be sold until it is listed and offered for public auction.

ARTICLE 58
(Board of Assessors)

To see if the Town will vote to add a new amendment to the By-Laws of Natick.

All tax title land which is listed and offered for public auction and is not sold, can then be sold with approval of the Selectmen.

Meeting dissolved 12:00 P.M.

A Record of the Proceedings of the Seventh and Final Session.

Town Clerk of Natick

A true copy.
Attest:

ALFRED L. CONNELL
Town Clerk of Natick

**WARRANT FOR STATE PRIMARY
THE COMMONWEALTH OF MASSACHUSETTS**

Middlesex, ss.

To any Constable of the Town of Natick in said County:

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in the Primaries to meet in:

The Voters of Precinct No. 1 in Center School Auditorium.
The Voters in Precinct No. 2 in School House Hall, South Natick.
The Voters of Precinct No. 3 in Brown School, West Natick.
The Voters of Precinct No. 4 in Congregational Church.
The Voters of Precinct No. 5 in Lilja School (Oak Street), East Natick.
The Voters of Precinct No. 6 in Bennett-Hemenway School, North Natick.
The Voters of Precinct No. 7 in Harold H. Johnson School.
The Voters of Precinct No. 8 in West Natick School.

TUESDAY, THE THIRTEENTH DAY OF SEPTEMBER, 1966

at 12 o'clock noon, for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

SENATOR IN CONGRESS	For this Commonwealth
GOVERNOR	For this Commonwealth
LIEUTENANT GOVERNOR	For this Commonwealth
ATTORNEY GENERAL	For this Commonwealth
SECRETARY OF THE COMMONWEALTH	For this Commonwealth
TREASURER AND RECEIVER-GENERAL	For this Commonwealth
AUDITOR OF THE COMMONWEALTH	For this Commonwealth
REPRESENTATIVE IN CONGRESS	Third Congressional District
COUNCILLOR	Third Councillor District
SENATOR	For Middlesex and Worcester Senatorial District
ONE REPRESENTATIVE IN GENERAL COURT	For Sixth Middlesex Representative District
DISTRICT ATTORNEY	Northern District
CLERK OF COURTS	For Middlesex County
REGISTER OF PROBATE AND INSOLVENCY	For Middlesex County
COUNTY COMMISSIONER (1)	For Middlesex County
COUNTY TREASURER	For Middlesex County
COUNTY COMMISSIONER (1) TO FILL VACANCY	For Middlesex County

The polls will be open from 12 to 8 P.M.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick, and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pines Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug store at south east corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick. seven days at least before said September 13, 1966; also by causing an attested copy of said Warrant to be published once in the newspapers called "The Natick Herald" and "The Natick Bulletin" and "The Suburban Press and Recorder," said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this twenty-ninth day of August A.D. 1966.

WARRANT FOR SPECIAL TOWN MEETING
September 27, 1966

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To any Constable of the Town of Natick in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify the qualified voters of said Town of Natick to meet in Senior High School Auditorium, Natick, on

TUESDAY EVENING, SEPTEMBER 27, 1966

at 7:30 o'clock then and there to act on the following articles:

And your are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick, and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pine's Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at southeast corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick, seven days at least before said September 27, 1966; also by causing an attested copy of said Warrant to be published twice in the newspapers called "The Natick Herald" and "The Natick Bulletin" and "The Suburban Press and Recorder," said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this 12th day of September A.D. 1966.

OFFICER'S RETURN

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Natick, September 20, 1966

By virtue of this Warrant I have notified the qualified voters of the said Town of Natick, to meet at the times, places and for the purposes within specified by posting attested copies of said Warrant at the several locations and places therein designated for that purpose, Monday, September 19, 1966, also by causing an attested copy of said Warrant to be published in the newspapers called "The Natick Herald" and "The Natick Bulletin" and "The Suburban Press and Recorder," said newspapers published in the Town of Natick, in the issues dated September 13, 1966, and September 15, 1966, respectively, all as within directed.

WILLIAM B. ROGERS
Constable of Natick

SPECIAL TOWN MEETING 1966

SEPTEMBER 27, 1966

Meeting called to order by the Moderator at 7:30 P.M. and stated that there was a Quorum present.

ARTICLE 1

6. Board of Election & Registration Personal Services	4,600.00
Board of Election & Registration Expense	1,400.00
7. Fire Department Medical Bills	4,671.24
8. Town Counsel Case Fees	6,500.00

Voted, Unanimously.

ARTICLE 2

(School Committee)

To see if the Town will vote to transfer \$110,515.00 from the Fire Loss Receipts Reserve — School Fund to accounts of the School Department as follows:

Series 3000 — Other School Services	\$73,154.05
Series 4000 — Operation and Maintenance	\$37,360.95

Voted, Unanimously.

ARTICLE 3

(High School Addition Building Committee)

To see if the Town will vote to transfer \$34,631.20 from the Fire Loss Receipts Reserve — School Fund to the High School Addition Building Committee appointed by authority of Article 28 of the 1964 Annual Town Meeting.

Voted, Unanimously.

ARTICLE 4

(Police Department)

To see if the Town will vote to appropriate a sum of money for the appointment of three Sergeants in the Police Department effective October 1, 1966 or otherwise act thereon.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$5,722.00 from Surplus Revenue for the appointment of three Sergeants in the Police Department effective October 1, 1966, itemized as follows:

Police Department	
Personal Services	\$5,722.00

Voted, Unanimously.

ARTICLE 5
(Police Department)

To see if the Town will vote to appropriate the sum of \$520.00 to provide one (1) new School Traffic Supervisor effective October 1, 1966.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$520.00 from Surplus Revenue for the appointment of one new School Traffic Supervisor at the Bacon School effective October 1, 1966, itemized as follows:

Police Department	
Personal Services	\$345.00
Clothing Allowance — Uniforms —	175.00

Voted, Unanimously.

ARTICLE 6
(Police Department)

To see if the Town will vote to appropriate a sum of money to pay the medical expenses of Police Officer Fred L. Hildreth for injuries incurred during the performance of duty on Route 9 on or about December 12, 1965.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$761.85 from Surplus Revenue to indemnify Police Officer Fred L. Hildreth for medical expenses sustained by him during the performance of duty on Route 9 on or about December 12, 1965.

Voted, Unanimously.

ARTICLE 7
(Town Comptroller)

To see if the Town will vote to raise and appropriate, or otherwise provide, an additional sum of money for the payment of Unpaid Bills of previous years incurred by the several Departments, Boards and Officers of the Town.

The Finance Committee recommends: That the Town vote to appropriate \$143.00 from Surplus Revenue as follows:

\$18.00	for the purpose of paying an unpaid bill for the year 1965 for Margaret Hardy for accompanying the Senior Citizens as a nurse on a visit to Cathedral of the Pines on September 29, 1965 and
\$125.00	for the purpose of paying an unpaid bill for the year 1965 for the First Congregational Church for the use of their vestry in the elections in February and March, 1965.

Voted, Unanimously.

ARTICLE 8
(Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the construction and installation of a fence on the Northerly boundary of the Town-owned Speen Street Recreation Area property.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$3,500.00 from Surplus Revenue for the construction of a chain link fence on the Northerly side of said land granted to the Town of Natick to comply with the intent of the restrictions as set forth in Chapter 461 of the Acts of 1962 and deed dated April 10, 1964, and the work to be done under the direction of the Recreation Commission.

Voted, on Motion of Mr. James Argir to Table Article 8.

ARTICLE 9
(Recreation Commission)

To see what sums of money the Town will vote to raise and appropriate, or otherwise provide, for the construction and installation of a fence on the Southerly boundary of the town-owned Speen Street Recreation Area property.

The Finance Committee recommends: That the Town vote to appropriate the sum of \$3,400.00 from Surplus Revenue for the construction of a chain link fence on the Southerly side of said land granted to the Town of Natick to comply with the intent of the restrictions as set forth in Chapter 461 of the Acts of 1962 and deed dated April 10, 1964, and the work to be done under the direction of the Recreation Commission.

Voted, Unanimously.

ARTICLE 10
(Fire Department)

To see if the Town will vote to raise and appropriate or otherwise provide a sum of money for the installation of a Traffic control signal on Speen Street at the Fire Station and furnish fire lane sequences in the State-owned traffic signal system on Route 9, from Speen Street, Natick to the Framingham-Natick line.

The Finance Committee recommends Indefinite Postponement.

Voted, Unanimously.

ARTICLE 11
(Board of Health)

To see if the Town will vote to authorize the Board of Public Works to construct sewer mains and appurtenances in the Rockland Street, Farwell Street, Jameson Street, Pinewood Avenue, Hillcrest Avenue, Rockland Street, Cottage Street, Woodland Street, Craigie Street and Grandview Street area; Transfer, appropriate or borrow money to pay for same, or otherwise act thereon.

The Finance Committee recommends: That the Town vote to *refer* the subject matter of the Article to the Long Range Sewer Study Committee for action at the next annual Town Meeting.

Substitute Motion under Article 11 — Motion by Mr. Robinson — Sec. by Mr. O'Leary: I move that the Town vote to authorize the Board of Public Works to construct sewer mains and appurtenances in Farwell Street, Jameson Street, Pinewood Avenue, Hillcrest Avenue, Rockland Street from a point about 400 feet south of Farwell Street to a point about 850 feet north of Farwell Street, Woodland Street from Cottage Street to a point about 1600 feet easterly, Grandview Street from Woodland Street to a point about 300 feet northerly, Cottage Street from a point about 310 feet north of Woodland Street to a point about 1500 feet south of Woodland Street and that the sum of \$270,000.00 be appropriated as follows: \$20,000 to be appropriated from Surplus Revenue and that the Treasurer with the approval of the Selectmen, is hereby authorized to borrow inside the Debt Limit the sum of \$250,000 and to issue Bonds and Notes of the Town therefor, under the authority of and in accordance with Chapter 44, Section 7, of the General Laws, said Bonds and Notes and interest thereon to be payable in not more than ten (10) years and that assessments be made upon the abutters using the unit method of assessment as accepted under Article 32 of the Annual Town Meeting of 1965, and as authorized by any general or special law, said betterments to be borne not less than seventy-five (75) per cent by the abutters and the remainder by the Town.

Substitute Motion

Voted, hand vote, with tellers; yeas, 137; nays, 8.

ARTICLE 12
(Dept. of Public Works)

To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money for resurfacing the following streets as located: Pine Street from North Main Street to Liberty Street; Pond Street from Speen Street to Dell Park Cemetery; Speen Street from Pond Street to West Central Street; Sylvester Road; Fern Street from Fiske Street easterly 600 feet; Bunker Lane; Proctor Street; Hudson Street; Bolser Avenue; Fiske Street; Fiske Lane; Lena Road; Herbert Road; Draper Street; Fairview Avenue from Fiske Street to Proctor Street, or take any action in relation thereto.

The Finance Committee recommends: That the Town vote to appropriate from Chapter 822 of the Acts of 1963 Highway Fund Account, the sum of \$33,-838.62 for road improvements under Chapter 822 of the Acts of 1963 and to authorize the Board of Public Works to resurface the following streets as located: Pine Street from North Main Street to Liberty Street; Pond Street from Speen Street to Dell Park Cemetery; Speen Street from Pond Street to West Central Street; Sylvester Road; Fern Street from Fiske Street easterly 600 feet; Bunker Lane; Proctor Street; Hudson Street; Bolser Avenue; Fiske Street; Fiske Lane; Lena Road; Herbert Road; Draper Street; Fairview Avenue from Fiske Street to Proctor Street.

Voted, Unanimously.

ARTICLE 13
(Conservation Commission)

To see if the Town will vote to accept gift of land in Natick from Parker Taylor Realty Co., a Massachusetts Corporation, and/or Charles C. Casey, of Medford, Massachusetts, and place said land under the jurisdiction of the Natick Conservation Committee, said land being bounded and described as follows:

Beginning at a point at the northwesterly corner of land now or formerly of Melvin H. Parker and Anne M. Parker 900 feet more or less westerly from the northwesterly side of Lot "B" as shown on "Plan of Land in Natick," H. W. Whittier, Surveyor, June 24, 1940, designated as Land Court Plan No. 17668A, a portion of which is recorded, with Middlesex South Registered Land Office, Book 326, Page 549; thence,
NORTHERLY 79° 05' 30" W approximately 167.16 feet, more or less;
SOUTH 44° 05' 55" West, 99.00 feet;
SOUTH 01° 34' 55" West, 198.00 feet;
SOUTH 22° 55' 05" East, 288.75 feet;
SOUTH 58° 34' 55" West, 264.00 feet;
South 69° 34' 55", West, 382.14 feet; thence on several courses northeasterly, easterly and southeasterly by land now or formerly of John L. Casaly to land now or formerly of Norman W. Farley; thence northerly by said Farley land on a line parallel to Worcester Street to a point at a brook sometimes called "Sunk-away Brook"; thence easterly by said Brook to a point at land now or formerly of Pike Realty Trust and at Mud Pond; thence by said Mud Pond 200 feet more or less to a point and land of Pike Realty Trust; thence northeasterly by said Pike Realty Trust land 385 feet to a point; thence continuing northeasterly more or less 85 feet to a corner and thence northwesterly 340 feet by land of owners unknown to a point at the center of an angle formed by the side lines of Lot 201 on plan hereinabove referred to, being plan 17668A of the Land Court. Thence by several courses bordering on lots 201 through 212 on said plan, a distance of 1144.73 feet, more or less, or however the same may be bounded and described, to a point at the intersection of lot 212 on said plan and lot B on said plan; thence northwesterly 257.55 feet, northwesterly 140.10 feet, and westerly 210.59 feet, the last three courses bounding on lot B on said plan; thence westerly by land now or late of Melvin H. Parker et ux 170.00 feet more or less, thence northwesterly by land now or late of said Parker, 525.00 feet; more or less to the point of beginning.

Containing 25 acres of land, more or less, or however the same may be otherwise measured, bounded and described.

Or otherwise act thereon.

The Finance Committee recommends: That the Town vote to accept a gift of land in Natick as described in Article 13 and given by deed of Parker Taylor Realty Co. and/or Charles C. Casey and place the said land under the jurisdiction of the Natick Conservation Commission, said land being bounded and described in the Article of the Finance Committee Report.

Motion by Joel Rome to strike word Committee and replace it with the word Commission.

Voted, as Amended, unanimously.

The Following Resolution was Voted and adopted unanimously.

RESOLUTION

WHEREAS Parker Taylor Realty Co. and Charles C. Casey are the record and title owners of certain real estate consisting of approximately twenty-five acres located in the Precinct Six section of the Town of Natick and

WHEREAS said Parker Taylor Realty Co. and Charles C. Casey have demonstrated their interest in the betterment of the entire community of Natick and have accordingly donated to the Town of Natick the aforesaid real estate,

NOW THEREFORE be it resolved that the town of Natick does hereby express its thanks and appreciation for that public minded generosity and does hereby express its thanks in form to be recorded upon the permanent records of the Town.

Submitted by
NATICK CONSERVATION COMMISSION
(Signed) Susan Young, Chairman
Samuel Crisafulli, Vice-Chairman
Joel Rome, Secretary
Charles Emanuelli
Marvin Gould
Andrew Hastings
George Wallace

ARTICLE 14
(Board of Selectmen)

To see if the Town will vote to form a committee to study the housing needs of elderly and youthful residents of the Town and other persons of limited income, and to report back to the next Annual Town Meeting with such recommendations as they deem appropriate.

The Finance Committee recommends: No Action.

Voted motion of Finance Committee.

Voted, motion of Mr. Walter Townsend to move the question.

Voted, motion to adjourn at 9:37 P.M. Motion carried. Meeting Dissolved.

IN MIDDLESEX COUNTY: A COUNTY COMMISSIONER VACANCY	For Middlesex County

Also to vote "YES" or "NO" in answer to the following questions:

QUESTION NO. 1
PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 228 votes in the affirmative and 29 in the negative, and in a joint session of the two branches held May 5, 1965, received 225 votes in the affirmative and 24 in the negative?

YES
NO

SUMMARY

The proposed amendment provides that at state elections candidates for Governor and Lieutenant-Governor shall be grouped on the official ballot according to the party that they represent and that it shall not be possible to vote for Governor and Lieutenant-Governor except as a partisan group.

QUESTION NO. 2
PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two

branches held July 16, 1963, received 169 votes in the affirmative and 100 in the negative, and in a joint session of the two branches held May 5, 1965, received 200 votes in the affirmative and 61 in the negative?

YES	
NO	

SUMMARY

The proposed amendment provides that the Governor, for the purpose of making certain structural changes in the executive department, may from time to time prepare reorganizational plans to be presented to the General Court. If the General Court fails to disapprove a reorganization plan within sixty days of its presentation and has not prorogued by the end of such sixty days, the plan at that time shall have the force of law.

QUESTION NO. 3 PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 232 votes in the affirmative and 18 in the negative, and in a joint session of the two branches held May 19, 1965, received 159 votes in the affirmative and 91 in the negative?

YES	
NO	

SUMMARY

The proposed amendment authorizes the Commonwealth and the cities and towns therein to provide for municipal industrial development in such manner as the General Court may determine.

QUESTION NO. 4 PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 208 votes in the affirmative and 43 in the negative, and in a joint session of the two branches held May 19, 1965, received 219 votes in the affirmative and 39 in negative?

YES	
NO	

SUMMARY

The proposed amendment confers considerable authority upon cities and towns with respect to the conduct of municipal government, including the authority to adopt, repeal and amend city and town charters and, in accordance therewith, local ordinances and by-laws. The General Court retains general power to act in relation to cities and towns and classes thereof and, in some circumstances, to enact special laws regarding a particular municipality, including laws for its incorporation, dissolution or merger. Cities and towns are not empowered to act with respect to general elections, taxation, pledges of credit, dispositions of park land, general civil relationships, the punishment of felonies, or the imposition of imprisonment except as the General Court may lawfully confer such powers upon them.

QUESTION NO. 5 LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 118 in the affirmative and 102 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 16 in the negative?

YES	
NO	

SUMMARY

The Act imposes a temporary tax upon all retail sales of tangible personal property at the rate of three per cent of the selling price. Sales of certain items are exempted from the tax, including but not limited to sales of food products for human use, articles of clothing, prescription medicines, agricultural machinery and certain publications. The statute contains specific provisions relating to the registration of vendors, the filing of returns and the payment of the amounts collected by such vendors. Vendors may apply to the State Tax Commission for abatements of the amounts owed where they believe such amounts to be excessive, and decisions of the

Commission on such applications may be reviewed by the Appellate Tax Board. The Commissioner of Corporations and Taxation shall have the usual powers and remedies provided for tax collection for the collection of the taxes imposed by this section. The State Tax Commission shall issue regulations necessary for proper administration and enforcement of the section.

The Act further imposes a temporary excise upon the storage use or other consumption in Massachusetts of tangible personal property at the rate of three per cent of the sales price of such property. Sales upon which the retail sales tax described above has been imposed, or which are exempt from the retail sales tax, shall be exempt from the use tax.

Sales upon which a tax has been paid in another jurisdiction shall also be exempt. Assessment, abatement and collection of the use tax shall be governed by the provisions which relate to the tax upon retail sales. The tax upon retail sales and the excise upon storage, use or other consumption shall be effective during the period from April 1, 1966 to December 31, 1967.

Each qualified taxpayer shall be entitled to a credit of four dollars for himself, four dollars for his spouse and eight dollars for each qualified dependent, but such credit shall not be allowed if the taxable income of such individual and his spouse exceeds five thousand dollars for the year. In addition to the taxes described above, the Act provides for new excises upon certain banks; new taxes upon the income of certain corporations; new taxes upon cigarettes; a room occupancy excise upon rent paid for the use of hotel rooms and other lodging places; and excises upon sales of certain alcoholic beverages.

The Act creates the Local Aid Fund for the purpose of providing educational assistance, and authorizes the periodic distribution of amounts from such Fund to the cities and towns. In addition, the Act contains a variety of provisions relating to the program of State aid to public schools, and to its administration.

QUESTION NO. 6

Do you approve of an act passed by the General Court in the year nineteen hundred and sixty-six, entitled "An Act imposing a temporary tax on retail sales, and a temporary excise upon storage, use or other consumption, of certain tangible personal property, revising and imposing certain other taxes and excises, establishing the Local Aid Fund, and providing for the distribution of funds therefrom
to cities and towns?

YES
NO

QUESTION NO. 7

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt, beverages, wines and all other alcoholic beverages)?

YES
NO

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES
NO

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES
NO

D. Shall licenses be granted in this city (or town) for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

YES
NO

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices in said Natick, and at the following public places in said Natick, to wit: Entrance to Selectmen's Rooms, Main Street Entrance to Concert Hall, Natick Police Station and Central Fire Station in Natick; Pines Market, Felchville; Pole #144 on No. Main Street, opposite Pine Street, North Natick; Pole #15 at intersection of Everett and Cottage Streets, Little South; Drug Store at south east corner of Worcester and Oak Streets, East Natick; Pole at intersection of Speen and Mill Streets, West Natick; and Paul Dowd's Store, South Natick seven days at least before said November 8, 1966; also by causing an attested copy

of said Warrant to be published once in the newspapers called "The Natick Herald" and "The Natick Bulletin" and "The Suburban Press and Recorder", said publications to be seven days at least before the day appointed for said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk at or before the time appointed for holding said meeting.

Given under our hands this seventeenth day of October A.D. 1966.

We hereby certify that the above is a correct list of Jurors for the Town of Natick, Massachusetts, for the years 1966-1967 as prepared and completed by us in accordance with the law this 26th day of July, A.D. 1966.

DONALD R. SIMS
 GEORGE P. SELLEW, JR.
 WILLIAM H. WHITE
 Selectmen of Natick

Board of Assessors

The Board of Assessors respectfully submits its annual report for the year ending December 31, 1966.

Mr. Donald F. Atherton defeated William Thomas to become the third assessor joining Mr. Francis R. Garbarino, and Mr. Nicholas Arthur.

The Board held a meeting in March and Mr. Francis R. Garbarino was elected chairman, and Mr. Nicholas Arthur clerk by unanimous vote.

The Board was pleased to announce to the citizens of Natick that there was a decrease in taxes of \$3.00 because of the new Sales Tax which went into effect in Mass. The rate was announced at \$35.00.

The Board has worked closely with other town departments to improve the overall efficiency and effectiveness of the office. We have hired for another year our capable appraisal firm of Whipple, Magane and Darcy who started appraising new construction, additions and alterations in November 1966 so that the March town meeting in 1967 will have approximate final valuation figures. Every citizen will know exactly what to expect for a new tax rate when the town expenditures are approved.

The Assessors' Department continues to press for a change in legislation to help ease the burden on the veterans of towns that have gone in for full and fair cash value. We have asked Rep. Walter T. Burke to notify this Department immediately if we can speak before the house on both bills.

To our office force, those in other town departments who assisted us in our labors, and to the taxpayers who supported us in our effort to provide equitable assessments throughout Natick, we express our sincere thanks.

FRANCIS R. GARBARINO, *Chairman*

NICHOLAS ARTHUR, *Clerk*

DONALD F. ATHERTON

Assessors Arthur, Garbarino and Atherton

1966 RECAPITULATION
(General Laws, Chapter 59, Section 23)

CITY OR TOWN:
Total appropriations raised by taxation
Total appropriations voted taken from available funds:
(a) In 1966 \$517,931.79 (b) In 1965 since 1965 rate was fixed \$638.00

*Pledged to secure loan from Natick Five Cents Savings Bank.

**Of this amount \$16,810.15 also pledged for above loan.

I have examined the books and records of the Leonard Morse Hospital, Natick, Massachusetts, for the fiscal year ended September 30, 1966, the foregoing Statement of Income and Expense and the Cash in Savings — Investment Statement at September 30, 1966.

In my opinion the Statement of Income and Expense fairly presents the results of operations of the hospital for the year ended September 30, 1966 and the Cash in Savings and Investment accounts are correctly reflected on the books of the hospital.

ARTHUR L. GLYNN
Certified Public Accountant

Retirement Board

RICHARD H. POTTER, *Town Treasurer*

Accounting Department

Report of Town Comptroller

In compliance with Section 61, Chapter 41, General Laws, I submit herewith the annual report of the Accounting Department for the year ended December 31, 1966.

All invoices and payrolls presented during the year by the Town Departments have been examined both for their accuracy and legal requirements before being submitted to the Treasurer for payment. The payments, which were presented on 174 Treasury Warrants, amounted to \$16,280,-167.65 for which the Treasury Department issued 57,711 checks.

Pursuant to Chapter 41, Section 50 of the General Laws, all checking accounts of the Town of Natick were audited and found to be correct. The Treasurer's cash has been audited and found to be in order. The total receipts during 1966 were \$16,334,372.62. The cash balance on hand December 31, 1966 is \$526,560.49 plus invested cash of \$400,000.00 for a total of \$926,560.49 which is a decrease of \$1,685,165.64 over the balance on hand at the end of 1965.

Monthly notices of appropriation condition were forwarded on State approved forms to all Town officers, committees and boards charged with

the expenditure of Town funds. At the time of this report, the known unpaid bills of previous years are:

Shaw Sporting Goods, Inc.	1962	volley balls	\$ 55.10
Natick Auto Sales	1965	repairs to cruiser	500.00
Whipple-Magane Dary, Inc.	1966	professional advice	2,550.00
Patrolman Edward W. Bradford	1966	medical bills	283.88
			<hr/>
			\$3,388.98

Upon the close of the financial year, statements were compiled in tabulated form showing the amounts appropriated throughout the year and the amounts expended from each appropriation for the year 1966 and the estimated for the year 1967, and copies were forwarded to the Finance Committee.

Again this year and for the 26th consecutive year the departments, collectively, have turned back substantial unexpended appropriation balances from their operating budgets. The unexpended appropriation balances, exclusive of Sewer and Water, returned to the 1966 Revenue Account amounted to \$194,010.87.

As required by law, under Section 54-A, Chapter 41, General Laws, notice was given to the Assessors of the total 1966 receipts except from taxes, loans, trust funds, federal grants and revolving funds, and the source of such receipts was specified. The actual collection in this group of receipts was \$218,857.00 higher than the estimate used by the Assessors in determining the 1966 tax rate.

Appended to this report are the following schedules:

- a) Cash Receipts
- b) Summary of Appropriations and Expenditures
- c) Balance Sheet showing the financial condition of the Town
- d) Deferred Revenue Not Due
- e) Net Funded or Fixed Debt
- f) Trust Funds — Cash and Securities
- g) Debt Statement showing amounts due for Principal and Interest for 1967
- h) Analysis of Revenue and other Accounts

DOUGLAS BELL, *Comptroller*
